Miss Grace Myers of Moncton, who was one of the bridesmaids at the marriage of her cousin Miss Margaret Richards to Corder C. Wright on Saturday, left for her home yesterday.

The Wilnot Brotherhood held its first regular Sunday afternoon gathering yesterday in the Knights of Pythias Hall. A song period, led by F. T. Pridham with F. W. Barker at the piano, opened the meeting. A business period was held with Colonel Randolph Crocker, president in the chair. A slate of officers for the coming year was handed in by a nominating committee and elected en bloc as follows: Honorary president, Dr. F. A. Wightman; president, W. Raymond Crowdon; vice-president, Austin Squires; secretary, Harry Young; assistant-secretary, V. Box. Rev. J. W. Bartlett, F. T. Pridham and F. W. Barker were re-elected teacher, song-leader and pianist respectively. A vote of appreciation was moved to the retiring president by Donald Richards, and seconded by Charles Smith and the new officers duly installed. Following the business period an address was given by Austin Squires on the topic Ethiopia. Mr. Squires is rapidly gaining a reputation as an authority on that country. His historical and geographical outline of Ethiopia was most illuminating and timely. A vote of thanks, moved by Vernon Box and seconded by F. T. Pridham was unanimously carried. The benediction by Dr. Wightman closed this successful opening meeting of the Brotherhood.

U.N.B. BUDGET PROPOSED

The proposed budget for athletics at the University of New Brunswick was posted today on the college campus. The greatest provision was made for football with an allotment of \$1500. The students' representative council will meet this week to pass the budget. The proposed budget is as follows: Football, \$1500; Brunswick, \$290; Boxing, \$44.35; National Federation of Canadian University Students, \$25.00; A.A.A., \$45.00; Tennis, \$150; General Expenses, \$20.00; S.R.C., \$50.00; Social Committee, \$100; Levy Collection (Expenses), \$25.00; Hockey, \$14.00; Basketball, \$15.00. The total budget proposed was \$2,348.35. They expect to levy 200 men at \$9.50 and 58 women at \$5.50 making a total collection of 2,219.00, giving them a margin of safety of \$35.65.

Liberal Meetings Largely Attended

Meetings in the interest of the Liberal party were held Saturday night at French Lake, Canterbury and Queensbury Front. Speakers at French Lake were Dr. McGrand, Major W. C. Lawson, M.P.P., and H. Ralph Gunter, M.P.P. At Canterbury the speakers were His Worship Mayor W. G. Clark, P. J. Hughes, K.C., and Stewart E. Durling, M.P.P. At Queensbury Front the speakers were Ernest W. Stairs, M.P.P., Frank B. Osborne and A. W. Coombes.

Speaking at French Lake, Major Lawson said that the Liberal party will continue the policy of a British preference. He said that through the expansion of trade, we will find the only solution for unemployment relief, revival of industry and the establishment of reform. In addition, the Liberal policy will be to place the Central Bank under the control of the parliament, instead of permitting it to be privately owned, as at present. The Liberal policy stands for the maintenance of the integrity of the C.N.R. as a publicly owned and controlled railway. Major Lawson said, "Mr. Bennett promised to abolish unemployment. Less than a year ago he said that Canada on the dole was like a young man in the poor house. Yet today our unemployment is tragic."

Speaking at Queensbury Front, Mr. Stairs said that the Maritime Provinces get the worst of the bargain from the Federal Government. While Albert gets two and a quarter millions from the Federal treasury, we could not get a cent for the eight hundred settlers who had been burnt out in New Brunswick.

Mr. Coombes, in speaking, said that the Conservative committee published an advertisement saying, "The Ottawa agreements were conceived by Prime Minister Bennett, executed by Prime Minister Bennett; stand as his handiwork; with the result that Canada's exports to Empire countries have improved 100 per cent since 1932." He said, "On its face this reads very well, as a matter of fact it looks very different when the volume of trade under Mr. Bennett is placed side by side with that under his predecessor. But the truth is, that exports to the Empire, Ottawa agreements and all, were more than \$100,000,000 less in 1934 than they were in the last year of the government of Mr. King."

WAR BRIEFS

LONDON, England, Oct. 7.—A nationwide ballot conducted by The Daily Mail showed yesterday an overwhelming majority against the application of either economic or military sanctions by the League of Nations to attempt to halt the African campaign of Italy.

VOICE OF QUEEN VICTORIA FOUND IN OLD RECORD

The voice of Florence Nightingale was found in a box of cylinders which lay unheeded for many years. It is believed that the voice of Queen Victoria lies recorded in the same magic box, we are told. Thomas Edison made a record of the Queen's voice when she was sending greetings to the then Emperor of Abyssinia, and it is now believed that her voice has been discovered in the "archives" of the Company in London.

"If science can make coherent the queer, jumbled noises that croak forth from the historic cylinder, the voice of the great Queen may once again be heard—and in a hundred thousand homes," it is foretold.

MANY ATTENDED FUNERAL

Many people from every walk of life attended this afternoon the funeral service of the late Dr. Jas. R. Inch the many who mourned and loved the deceased, who during his many years associated himself with the educational phase of life in this province and elsewhere. The service was held from his late home, 78 Church Street this afternoon and was conducted by Rev. J. W. Bartlett. The chief mourners were Ronald Inch, Charles Inch, John Inch, John Neill, Stewart Neill, Luke Morrison, E. C. Armstrong, R. B. Hanson, Chipman Smith, F. B. Smith, Sterling Lawrence, Lee Foak and Lee George. The pall bearers were F. A. Good, R. B. Wallace, W. M. Burns, H. H. Hagerman, A. S. McFarlane and Rupert D. Hanson. Interment was made at the Rural cemetery.
