HIGH SCHOOL HOLDS ROTHESAY TO TIE GAME

**R. C. S. Shows Superior-
ity in Ragged
3-3 Game**

The Fredericton High School rugby fifteen managed to hold the heavy fast moving Rothesay Collegiate team to a 3 to 3 tie in a "Big Three" opener of the 1935 Fredericton rugby season at the College Field Saturday afternoon. The local school boys, although outplayed throughout the whole exhibition of ragged rugby, gained their three points by virtue of a penalty kick in the first half, made by McLennahan. The R. C. S. boys worked hard to gain their three points by a try made by George Nixon, husky little forward man, who fell on the ball after his team had dribbled it over to F. H. S. line. From a spectators point of view the game was uninteresting and the edge seemed to be with the Rothesay boys who forced the local rugger to touch for safety several times before the tying try was made. R. C. S. gave the Fredericton team the toughest opposition that the Yellow and Black has experienced from the Blue and White for some years. The difference in the two teams seemed to be in the superior condition of the R. C. S. boys. They had only one casualty during the game, whereas High School took time out many times as the hard tackling R. C. S. forwards and backs smeared Yellow and Black clad players with bruising tackles that even seemed to jar the small group of spectators in the grand stand. The F. H. S. team was cheered on by a grandstand full of rooters and a band.

The first half of the game was uneventful with many scrimmages being called by referee Dr. A. F. VanWart for offside and feet up in the scrum. Shortly after the opening whistle the Blue and White, after several warnings from the referee, were penalized for repeated offside, and Herb McLennahan, brother of the famous point getter, Bus McLennahan, booted the ball between the posts for Fredericton's only points. The kick was made in true "McLennahan style" from a fairly difficult angle about twenty-five yards out. Following the penalty goal the Rothesay boys worked harder and forced the play well into F. H. S. territory, forcing the Yellow and Black to touch for safety several times, but they were unsuccessful in tying the score before the whistle sounded to end the first half.

From the first whistle of the second half the husky R. C. S. lads smashed, crashed and docked their way through the fast weakening F. H. S. team and

CITY TEAM TAKES GAME FROM MT. A. 3-0

SACKVILLE, Oct. 5—Despite desperate last minute surges which almost carried them across for a try, Mount Allison's rugby squad went down to a 3-0 defeat at the hands of the Fredericton City team here this afternoon. A beautiful place kick by Bus McLennahan from 25 yards out, at the very border of the field, gave the invaders the edge of a very desultory and sloppy game of football played before a crowd of about 400 fans.

Scheduled to start at 2.30 o'clock the game did not get away until an hour later. The Allisonians started with the sun and wind in their favor but seemed to make little headway against a team which followed the ball relentlessly, kicking frequently and running seldom.

Both teams gave a poor exhibition of tackling, with the exception of Rollie Robertson, who tallied up for the Mounties. Play was for the most part in Mt. Allison territory, although the Garnet and Gold scam heeled the ball a majority of times. Frequent fumbles by the backfield left numerous loose balls which the Black and White boys generally dribbled to at least a 25 yard gain.

kept the play well in the latter's territory. Only the superb punting of Morgan, brilliant little F. H. S. full-back, foiled the heavy attacks of the Blue and White on the F. H. S. goal line. After repeated blasts at the F. H. S. line, R. C. S. was finally rewarded about ten minutes before the end of the game, when their forwards dribbled the ball from the F. H. S. five yard line and Nixon fell on it for a try. There was some dispute on the part of F. H. S., but the try was allowed by Referee Dr. VanWart. Peterson failed to convert from a difficult angle. For the last ten minutes R. C. S. tried in vain to place the winning try over the F. H. S. line, never lessening their brutal onslaught. The final whistle found the R. C. S. forwards pressing hard on the F. H. S. five yard line.

The lineups were as follows:
F. H. S.:—Fullback, Morgan; three-quarters, Hanson, Clark, Chippen, McCarty; halves, Markey, McFee, McLennahan; forwards Hoyt, Thorpe, Davis, McDonald, Heron, Fenely, Goodine, Coach Egbert Cass.

R. C. S.:—Fullback Haines; three-quarters, Pirie, Stockard, Walters, replaced Stockard in the second half; Peterson, Armstrong; halves, Geo. McAvity, Beer, Wilson; forwards Nixon, Nichol, "Bumps" McAvity, Allison, Steele, McKay, Keefer, Coach W. S. McNutt.

Referee Dr. A. F. VanWart.

Vote Clark for action.

: SPORT SPOTS :

Fredericton gave a good account of itself on the football field yesterday when two of her teams won their games and a third tied. City pulled the greatest and pleasantest surprise of the day when they beat Mt. A. in Sackville by a penalty kick, 3-0. Such a good showing was not expected of the Fredericton boys in view of the fact that it is the first time most of them have been on a football field this year. With a little practice they could go a long way toward that elusive mug, the McCurdy Cup.

And it looks as if they are going after something — practices for all next week have been called by the city boys, and before the season is out they expect to be going places.

Bus McLennahan was right in mid season form when he booted the ball between the posts for that three points. It was from a difficult angle, and seemed almost impossible—but we have seen Bus kick so many of those "impossible" ones that it did not surprise us half as much as it did the referee, Hyiski. According to reports he did not give the City many breaks, and, although he granted the kick from an almost impossible angle, he probably would not do the same thing again knowing there was a McLennahan on the field.

Yesterday was a big day in the McLennahan family. While Bus was winning the game for City, his little brother, Herbert, a new rugby model of this well known athletic family, was saving the game for F. H. S. by kicking a penalty goal against R.C.S. in a game that seemed to be all R.C.S.

Snap Thompson, that hard-working forward who has gained for himself the name of one of the best in the Maritimes, came all the way from Minto to be with his former team mates in the Sackville game. He was a great asset to the rather impromptu scrum.

And while Fredericton High School and City were upholding Fredericton's reputation as a football city, U.N.B. went through the customary procedure of taking their first game from the Saint John Trojans by the neat score of 17-6.

U.N.B. TAKES OPENER FROM THE TROJANS

ST. JOHN, Oct. 7—U. N. B. rugger players had their work cut out for them Saturday when they turned back Trojans at K-Club ground in the first senior game of the year, 17-6.

The Orange and Black 1935 machine proved to be about the best fielded in recent years.

Kilburn of U.N.B. opened the scoring by placing a penalty kick over the bar. Pond scored a try and Johnny Church cut that off for the Trojans when he went over before the first half ended with the score 6-3, for U. N. B. Play for the most part during the session was at centre.

Trojan scrum had better of the play in the second session. Kilburn scored a try then converted to open the scoring. Church scored the Trojans second before Kilburn got another try and McKinnon ended scoring with another for U.N.B.

Kilburn was outstanding for U.N.B. and Andrews, Ganderson and "Jock" Bowen for Trojans.

ENGLISH RUGBY PLAYOFFS LIKELY

VANCOUVER, Oct. 4—Leaders of the English Rugby Football Association of Canada, the national body in charge of English rugby yesterday considered the possibilities of staging Dominion playoffs for a Canadian championship.

Many obstacles faced the inauguration of such a series in rugby, but H. J. Ketchen, president of the union and Fred N. Cabledu, secretary, were devoting their thoughts towards the organization of play-offs.

Chief difficulties to such a plan lie in the fact the playing seasons in the east differ materially from those in the west and finances for such a project might run into big figures.

"The project is receiving very favorable consideration. If at all possible, the matter will be taken up," Mr. Ketchen declared.

CUBS WIN THEIR SECOND IN SERIES

WRIGLEY FIELD, Chicago, Oct. 6—Chicago Cubs came fighting back to whip Detroit Tigers 3-1 today in the fifth game of the World Series, but it was a costly victory.

The National League champions lost Lonnie Warneke, their ace right-hander, and still have a long-shot chance to keep the Bengals from capturing the biggest money prize in the history of baseball's classic. The scene shifts to Detroit for the sixth game tomorrow with the Tigers leading three games to two and in need of only one more conquest to win the World Series for the first time.

Warneke pulled a muscle in his pitching shoulder and was forced to leave the game after blanking the Tigers for six innings with three hits and outpitching his Arkansas rival, Lynwood (Schoolboy) Rowe for the second time. The lanky Cub star, who shut out the Tigers in the opening game, was credited with his second triumph but Big Bill Lee, freshman right-hander, barely staved off a ninth-inning thrust to have the game.
