FRISCH SIGNS TO PILOT CARDS AGAIN IN 1936

Every Effort Will Be Made To Bolster St. Louis Pitching Staff, Says Manager.

ST. LOUIS, Oct. 2—Frankie Frisch of the St. Louis Cardinals today signed a one-year contract to continue as manager of the club, its officials announced. His salary, the same as last year, was not disclosed.

With the announcement of his signing, Frisch said he would continue as player manager, as long as his legs hold out.

"I intend to play in every game when I am able to play next year," he said.

"I was a regular at the start of the 1934 season and went out when I hurt my leg. When the leg healed Whitehead was going so strong I felt I couldn't break up the combination.

"But next spring when the squad assembles at Bradenton, Fla., Frank Frisch will be my first candidate for second base."

The Fordham flash declared himself "perfectly satisfied" with the one-year papers signed today. "St. Louis is a great place in which to play. The city has been very good to me and I am happy to remain."

There will be changes in the Red Bird machine in the next campaign, Frisch declared. "Everybody knows that we must strengthen our pitching staff and every effort will be made to add hurling power."

Fredericton Loses

SAINT JOHN, Oct. 2—Arthur Porter's five retained the Marven Cup last night when they turned back the Bakers of Fredericton 1,523-1,478 on the Imperial Alleys. This was Porter's first defence of the trophy since wresting it from Palace Alleys, Fredericton, two weeks ago.

Stevens Quits Hockey

TORONTO, Oct. 2—Warren Stevens, United States-bred coach of the University of Toronto athletic teams, isn't sorry to let Ace Bailey tutor the hockey squads next winter. Stevens started as hockey coach with only a vague idea about the sport. "Well, I learned plenty," he said, "but we'll do better in hockey under the Ace."

Second Big Series For Phil Cavaretta

MEMPHIS, Tenn., Oct. 1—Phil Cavaretta, the Chicago Cubs' 19-year-old freshman star, won't be playing in his first world series when the Cubs meet the Detroit Tigers tomorrow.

Cavaretta played in a world series two years ago and was credited with pitching his team to victory in two straight games. He captained the Chicago team which in 1933 won the junior American Legion world series.

Chicago Cubs Blank Detroit Tigers In Opener 3 to 0

Warneke Equals Record For Assists — Allows Four Hits — Demaree Hits Homer.

DETROIT, Oct. 2—Chicago Cubs are still the "hottest" club in baseball. They demonstrated it conclusively today for the benefit of 47,391 somewhat subdued fanatics and Detroit Tigers by galloping off with the first game of the 1935 World Series, 3-0, behind the spectacular pitching of Lonnie Warneke.

The long, lean right-hander from the Ozarks blanked the American League champions with four hits. Except for one spell of wildness in the fourth inning, Warneke had the Tigers "topping" most of their shots with a sharp-breaking "screw ball." He took the honors in the all-Arkansas pitching duel between Lynwood "Schoolboy" Rowe, giant right-hander of the home town, and topped-off his seperlative performance by equalling a World Series record with eight hits.

It was an old-fashioned hurling duel—one of the best any World Series opener has witnessed in at least a dozen years.

Rowe, employing a sharp-breaking curve and a fine change of pace, allowed only seven hits. The big right-hander struck out eight Cubs, but was the victim of his own as well as his mates' jittery defence. The "Schoolboy" got better as the game went along, but it didn't do him any good as the Tigers failed to seize any of their scattered scoring chances.

The Cubs, leaping to the attack with the same aggressiveness that marked their belated charge to the top of the National League, settled the game with a two-run rally in the first inning. Augue Galan's double, caroming off Billie Rogell's hands, followed by Rowe's bad throw on Billy Herman's attempted sacrifice, brought in the first run. Freddie Lindstrom's sacrifice and Gabby Hartnett's sharp single to right scored Herman with the second marker.

Demaree's Four-Ply in Ninth

As a final salute of the Tigers and their rooters, Frank Demaree clouted one of Rowe's fast balls high into the temporary left-field bleachers at the start of the ninth. It was the best shot of the day and helped convince all and sundry onlookers that the National League champions have the punch, as well as the speed, spirit and pitching to keep the Tigers back on their heels.

Vote Clark for trade.

: SPORT SPOTS :

ANNOUNCEMENT!—We are pleased to announce that through the co-operation of J. Brown Maxwell, jr., and Claude Bailey we are able to bring to our sport fan readers a complete play by play broadcast of the World Series games between the Detroit Tigers and Chicago Cubs. The broadcast which comes over the lines of the Canadian Radio Commission is relayed through an amplifier located in a front window of The Daily Mail Office and our readers are cordially invited to come and enjoy the World Series via The Daily Mail.

* * * *

While the Fredericton sport fans are donning their overcoats for the fall rugby season, the sport fans of Detroit and Chicago are witnessing the wind-up of the baseball season. The World Series between the Cubs and Tigers promises to be one of the hardest fought in years. Most sport writers are predicting that the Cubs will conquer the world's champion Tigers, and at the time of writing it looks as though the Cubs have the stuff that world's champions are made of. Lonnie Warneke, that long, rangy right-hander of the Cubs, put up a great game for his teammates yesterday and receiver a great hand from the crowd for the victory that was in a large measure due to his stellar work in the box.

* * * *

Schoolboy Rowe could not seem to get his famous speed ball to work on the hard-hitting Cubs yesterday, although after the third inning he pitched fairly steady ball.

* * * *

The recruiting for the City rugby team that is to play Mt. A. on Saturday is progressing well, according to reports from Ralph Goodine, husky scrum man of former U.N.B. and City teams. So far they have recruited such material as Johnnie Patterson, sensational drop-kicker of former U.N.B. and City teams, Haddie Mills, Mel Close, Shorty Clark, Ron Beatty, Art Hughes, and Roland Brewer. The boys figure on getting a few practices in with the U.N.B. team before leaving for Sackville, and if they make a passable showing against the Garnet and Gold clad collegians will continue to function this year.

* * * *

A coach for the City boys has not yet been secured, but their intention is to have "Burdo" act as mentor in return for their furnishing good opposition for the U.N.B. team in practices.

* * * *

It seems to us that a somewhat similar arrangement was made between the two teams last year and that City came out on the short end of the deal. They should make sure that the same thing will not occur again this season. After all it would look rather foolish for the two teams to have the same coach if they were to ever oppose each other on the field in, say, a McTier Cup match.

* * * *

We don't know whether this year's rugby season will prove to be a success from a box office angle or not, but if it isn't any more successful than the last three years in Fredericton have been, the boys might as well hang up their boots right now. For the last three years the "sporting" people of Fredericton have been falling off on the gates to all sporting contests here. Rugby, which used to be the major sport of the city, has been sadly neglected by the paying public. Whether the people are all working so hard they cannot find time for a little recreation or whether they cannot afford the pittance of twenty-five or thirty-five cents that most teams ask for admittance to their games, is not known, but if either is the excuse they offer, sport in Fredericton is doomed. We don't think conditions are any worse here than in the west, and out there they are selling tickets for the games weeks in advance. Following is an item from a Winnipeg paper showing the LOCAL INTEREST taken in games there:

"The West's 1935 football classic, between Winnipeg and Regina Roughriders will be played here November 2. So intense is local interest in the battle, expected to determine the western challenger for the Canadian title, that tickets are already being sold."

* * * *

The McTier Cup match or the McCurdy Cup match are just as important to the eastern football fan as the western classics are to the Western fans and there is no reason why the people of this one-time sporting community should not shake that mantel of affected business activity from their slow-moving forms and get out to the football games. (We can tell just by looking around town that all the people of Fredericton do not spend ALL their time working).

ITALY MAY WAIVE 1940 OLYMPIC GAMES

TOKIO, Oct. 2—Count Mischimasa Soyejima, member of the Japanese Olympic preparations committee, announced today receipt of a letter from Premier Benito Mussolini, repeating a promise that Italy would withdraw its claims to hold the 1940 Olympic Games at Rome, in support of Tokio claims.

Diplomatic quarters interpreted this as a move to gain Japanese sympathy for Italy in the East African crisis.

Japanese authorities have insisted that Mussolini made a similar promise to Soyejima last February, when the latter visited Rome, but at the meeting of the Olympic committee in March at Oslo. Italy reasserted its claims and blocked acceptance of Tokio's invitation.
