Among the out-of-town guests at the MacKay-Babbitt wedding yesterday afternoon were Mr. and Mrs. E. R. Taylor and George Lee of Saint John. Mrs. Lee is at present a guest at the home of Miss Helen Babbitt.

WEATHER COOLER

Today's temperature was considerably cooler following heavy showers in central New Brunswick last evening. The mercury yesterday climbed to a point 80 degrees in the shade and was the warmest day in several weeks. Last night's rainfall although heavy, proved to be only of a showery nature and less than quarter of an inch fell. The rain afforded only a temporary relief to the parched crops in this part of the province.

ABLE TO LEAVE HOSPITAL

Elbridge Haines, Devon youth who suffered injuries in an auto accident which occurred near Long's Creek last Sunday, had improved sufficiently to leave the Victoria Hospital today for his home in Devon. Richard Savage, whose arm was cut severely in the same accident, is still undergoing treatment at the hospital.

TURNIP MARKET

W. W. Boyce, local potato shipper, said today that there has been no market for New Brunswick's turnip crop. Last year a large quantity of the provincial crop was sent to the United States and the price was fairly reasonable. No shipments have gone forward yet and so far as known the market is still an unknown quantity.
