Full Particulars of Culinary Contest

If you believe that the combination of sheer genius, loving care and experience which was the rule in Mother's Day was the best, mark your entry "MOTHER'S DAY". If you think modern scientific methods are superior mark your entry "THE MODERN WAY". At the end of the contest we will tell you which school of cooking has the most followers according to the list of entrants, and which stands highest in the number of weekly and final prizes won.

The contest rule is that all articles must be actually cooked. Recipes alone are not enough. A Weekly Judging will be held every Wednesday evening of each week at the office of the Maritime Electric Co., Ltd. All entries must be turned in at the same office before 5.00 p.m. Wednesday. Each week three Weekly Prizes will be awarded and nine other contestants will receive "Honorable Mention". As the contest lasts 12 weeks, at the conclusion 144 persons will have won either Prizes or Honorable Mention. This will qualify them for a chance to compete for the final main prizes which will be awarded at a public judging held at the store of Colwell and Jennings. All articles cooked which the entrants do not wish returned will be given to the Children's Aid for use in the Children's Home. The list of prizes for this week and donors are printed at top of this page.
