## I Will Stake This Medicine Against Your Time

**A Few Days Will Be Sufficient to Prove  
That You Are Curable**

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles, and you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 50 Franklin Building, Toronto, Ont. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better all day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life. All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

The attendance is made up of delegates representing laymen's clubs of the Protestant Episcopal Church throughout the United States.

### IN AUTO ACCIDENT

Through the unexplained starting of an automobile while being cranked by its owner, Mrs. Peter Stewart and eight months' old child of Fredericton, who are visiting at Presque Isle, nearly lost their lives there this week. The machine leaped forward without warning and struck the rear of the buggy in which Mrs. Stewart and her child were driving. The vehicle was overturned and the horse started on the run, clearing himself from the buggy which struck against the gate posts at the Bangor and Aroostook Railway crossing. Mrs. Stewart and the child were badly shaken up, but have, it is believed, escaped injury through a seeming miracle.

### LATE HENRY ESSENSA

The funeral of the late Henry Essensa took place this morning at Newmarket. High Mass of Requiem was celebrated by Rev. Father Cormier at St. Patrick's Church and interment was made at Newmarket.

### FEAST OF CORPUS CHRISTI

The feast of Corpus Christi is being observed today at the French Village Reserve the Indians are having their usual celebration.

The Atlantic coast is not adapted to the propagation of sponges because of the death and low temperature of the waters and the frequent disturbances of hurricanes. Valuable sponge grounds have been overfished in and out of season to such an extent that the United States Congress found it necessary to enact a stringent law for the protection and conservation of the industry. This law prohibits divers from working between May 1 and October 1 in waters less than fifty feet deep, and vessels of the revenue cutter service patrol the Florida waters today to see that this law is enforced.

It is said Mrs. Leslie Carter is going into vaudeville next season in a new playlet.
