OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

Ottawa, May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

F. B. CARVELL
O. TURGEON

The treasurer for York County will be Mr. C. Fred. Chesnut of this city. Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

BRITISH COLUMBIA AND NAVAL QUESTION

(Continued from page 2)

ured in his parliamentary declarations. Canada's naval ambitions and resources are to be merged with those of Great Britain, if Mr. Borden remains in control, upon some basis, yet to be determined, which will permit a technical defence being made to the charge that the Canadian policy is one of contribution to a body over which they have no control. It will be, nevertheless, a policy of contribution with the further possibility that the extent of these contributions will not be determined by the Canadian Parliament but by an organization sitting in London, upon which Canada will have merely a nominal representation.

If the people of British Columbia want a Canadian fleet unit they will have to ally themselves with the Liberal party. They will have to choose between the interests of the country as they see them and their allegiance to a party name. Mr. Borden is a Centralist and the advocate of a centralized navy.

Cohan and Harris have changed the name of the new Winchell Smith comedy from "The Amateur Detective" to "Washington Square."

Anna Held will star in this country under the management of John Cort, who will present her at the head of a big vaudeville combination.

Winthrop Ames has accepted for production at his Little Theatre in New York City a serious play by Mark Swan, entitled "Her Own Money."

SALMON AND OTTER

Undoubtedly it will interest readers to hear of a rare, and rather unique, occurrence witnessed by a party of anglers fishing in the Blackwater Rossire. The party in question were fishing up the east side of the river, and crossed over Rogle Bridge and began fishing down the west side of the river, when they were rather startled by a strange commotion going on in the next pool, about 80 yards distant. They stood in amazement looking on at something rushing and splashing in circles at almost lightning speed, and could not very well say what it was although a fishtail would be seen at times, but eventually a salmon was seen struggling and kicking up the opposite bank. At the salmon had another fight for liberty and got back into the water again, when practically the same evolutions were gone through, but towards the end getting feeble, and once more the salmon was taken ashore, when one of the party shouted, and the otter quietly slipped away. The fish was retrieved and examined very carefully which disclosed only a few scratches and one eye pierced. It turned the scaled at only five pounds. One would have thought he would be 20 pounds at least to put up such a game fight. The otter's color assimilated so well with the surroundings, and the fish was so very dark that we could not see him distinctly.

Frank Moulin is to have the leading comedy role in "My Little Friend," by Oscar Strauss, under the direction of Fred C. Whitney.

Next season Grace George will revive several of her successors, if her husband-manager, W. A. Brady, cannot find a suitable new play for her.

In the revival of "A Texas Steer" made by W. A. Brady and Harry Askin, Alice Brady, daughter of the manager, will play the role of Bossy.
