

GIVE YOUR LIVER AND BOWELS A THOROUGH CLEANSING WITH GENTLE "SYRUP OF FIGS"

Removes the Sour Bile, Gases and Clogged-up Waste Without Gripe or Nausea---No Headache, Indigestion, Constipation, Biliousness or Coated Tongue

You know when your liver is bad, when your bowels are sluggish. You feel a certain dullness and depression, perhaps the approach of a headache your stomach gets sour and full of gas, tongue coated, breath foul, or you have indigestion. You say, "I am bilious or constipated and I must take something tonight."

Most people shrink from a physic---they think of castor oil, calomel, salts or cathartic pills.

It's different with Syrup of Figs. Its effect is as that of fruit; of eating coarse food; of exercise. Take a teaspoonful of delicious Syrup of Figs tonight and you won't realize you have taken anything until morning, when all the clogged up waste matter, sour bile and constipation poisons move on and out of your system, without gripe, nausea or weakness. Nothing else cleanses and regulates your sour, disordered stomach, torpid liver and thirty feet of waste-clogged bowels like gentle, effective Syrup of Figs. Don't think

you are drugging yourself. Being composed entirely of luscious figs, senna and aromatics, it can not cause injury.

If your child is cross, sick and feverish, or its little stomach sour, tongue coated, give Syrup of Figs at once. It's really all that is needed to make children well and happy again. They dearly love its pleasant taste.

Ask your druggist for the full name, "Syrup of Figs and Exlixir of Senna," and look on the label for the name--California Fig Syrup Company. That, and that only, is the genuine. Refuse any other fig syrup substitute with contempt.

REV. A. J. MOWATT'S SON WAS VICTIMIZED

Saville Garway, charged with having affixed Ms. G. Ogilvie's signature to three notes, amounting to \$16,000, was acquitted yesterday in the Court of King's Bench, and, as Crown Prosecutor Walsh declared that no further step would be taken by the court in connection with this case Mr. Garway, upon application of his counsel, Mr. Maurice Alexander, was set free.

Mr. Justice Lavergne in his charge to the jury, said they could not ignore the sworn confession that Garway had made, and which had been produced at the morning sitting of the court. Mr. Alexander insisted on the point that the confession was not made by Garway voluntarily, but must have been exacted from his client by other promises or threats. The jury deliberated three quarters of an hour. Montreal Herald.

Concerning the above the St. Andrew's Beacon says:—The matter above referred to has some interest for New Brunswickers, as the people who suffered the most by this crime were former residents of this Province.

Garway was a young Englishman who went to Montreal from the West Indies, a few years ago. The late Rev. Dr. Mowatt became interested in the young man and secured for him money to engage in a business venture. The venture turned out a failure, and his benefactor suffered a heavy financial loss in consequence. The failure, however, did not destroy the friendship which Dr. Mowatt's family entertained for the young man. Dr. Mowatt's son Oswald, who owned a lucrative drug business, permitted him to make his home with him.

Garway repaid Mr. Mowatt's great kindness by persuading him to endorse paper bearing the forged signature of Mr. G. L. Ogilvie, a prominent Montreal business man of wealth. Mr. Mowatt did not know at the time the Ogilvie signature was a forgery and thought little about the transaction until he received the astounding information from the Bank that the paper he had endorsed was a fraud and that he would have to become responsible to the Bank for the moneys advanced thereon. Mr. Mowatt sacrificed his business and his home, giving up all his life's savings to pay the loss which his false friend's despicable act had thrust upon him. Garway was subsequently arrested by the Bank, and now on same technical ground he has been given his freedom. Mr. Mowatt has resumed business on a smaller scale in Montreal, and is meeting with fair success, but it will be years before he will recover from the financial blow that this act caused.

Mrs. Mowatt is a native of St. John.

STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapepsin" Will Make Your Disordered Stomach Feel Fine In Five Minutes. Time it!

What you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery.

Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.

NOVA SCOTIA SEEKS JUDICIAL REFORM

Halifax, March 26—At a general meeting of the Nova Scotia Barrister's Society yesterday afternoon, it was decided to change the constitution of the society by providing for the election of the council on lines similar to the election of benchers in Ontario and the Western Provinces.

An interesting feature of the meeting was the introduction of a resolution to investigate by means of a Royal Commission the condition of the administration of justice in Nova Scotia.

It was said the county courts in this province was practically sinecures for want of work and the probate courts were antiquated and unnecessary. Moreover, the magistrates, city and municipal courts, have in certain claims concurrent jurisdiction with the county and supreme courts.

It was recommended that a court of appeal, similar to that about to be created in New Brunswick would tend to improve the system. It was also urged that it was not in the public interest that the same group of judges should sit on each other's appeals.

The society will wait on the Government to urge the appointment of commission.

MISS MORGAN - York St.

"In the Case of MY Little Girl—"

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.
