# Deering New Ideal Reapers Deering Improved Binders

The complete equipement of roller and ball bearings, self aligning bushings and superior construction of these harvesters, make them the lightest draft on the market.

They have such great adjustability and are so well equipped that they will handle grain in almost any condition.

They are high geared so that they will clear themselves no matter what the grain is like or how the team travels.

The folding features are of very great advantage in handling over the road or storing

At Altoona, Penn., Monday, placing two sticks of dynamite in his vest pocket, Henry Boldt went to the hill in the rear of his home, lighted a fuse and calmly awaited the explosion that blew off one arm and cut his body almost in two. Windows in nearby residences were broken by the shock. Despendency over long continued illness is believed to have led Boldt to take his life. He was 57 years old.
