HANKS MEETINGS HAVE BIG ENTRY LISTS ALREADY

Summer Meets to be Held at Lewiston, Bangor and Augusta---Most Classes Filled

Augusta, Me., March 16—Elden W. Hanks announces an excellent entry to most of the early closing classes for his meetings this Summer at Lewiston, Bangor and Augusta. In making the entries public, Hanks issues the following statement:

"It will be seen that all stakes filled except the 3-minute trots and the 3-minute, 2.12, 2.10 and 2.08 pacing events."

"There seems to have been some misunderstanding as to the conditions of the 3-minute pace events, many believing that nominations for these did not close till June, while nominations really closed March 1, and horses were to be named June 1. I have therefore, decided to declare off the 3-minute pacing events and have opened a 2.20 pace of \$5000 for each of the three meetings of my circuit. These will close April 10, at which time horses must be named. I shall also reopen the 2.10 pacing events to close April 1, as I feel that there is a demand for such a class."

"I am well pleased at the splendid support I have been accorded at the hands of the best class of owners and drivers in the country, as reflected by the remarkable list of nominations. This support makes it certain that the Grand Pine Tree Circuit will prove to be the greatest series of meetings ever handled over half-mile tracks."

N. B. AND MAINE LEAGUE MEETING TO BE HELD SOON

Frank Leonard after some Missionary Work at Calais and St. Stephen Has Gone Home---Prospects Are Considered Bright

St. John, March 18—F. J. Leonard of Lynn who is promoting a Maine and New Brunswick baseball league circuit has returned home for a time. A Calais despatch says that he has been interviewing baseball fans on both sides of the river and has found a very strong sentiment existing relative to the formation of a club to represent both Calais and St. Stephen in the league. He has circulated a paper on both sides of the river and has received financial pledges to the amount of \$300 although he has called upon comparatively few persons.

During the absence of Mr. Leonard the financial papers will be in the hands of a local committee, and all who are anxious to see Calais and St. Stephen in the league can subscribe to the league fund. A meeting of the Maine and New Brunswick league will be held at some early date at some central point, probably at McAdam, at which meeting it is expected both Calais and St. Stephen will be represented.

HOPPE AND MORNINGSTAR

Pittsburg, Pa., March 18—Devotees of billiards are manifesting a lively interest in the contest to be played here tomorrow night by Ora Morningstar and Willie Hoppe. The match, which will be of 500 points, will be for the world's championship at 18.1 ball. The title is now held by Morningstar, who won it from Hoppe something over a year ago and recently defended it successfully against George Sutton. Hoppe, the present challenger, already holds the 18.2 title and if he regains the 18.1 championship he will again have a virtual monopoly of the premier titles in the green table sport.

BOSTON EXPECTS BLOOD NEXT SATURDAY NIGHT

The Boston Globe tells its readers that there is bad feeling between the Tecumsehs and New Glasgow, who are to meet in Boston Saturday. Mike Murphy will play with New Glasgow. The Globe has the following:

"Professional ice hockey will be seen in Boston for the first time this year on next Saturday night, when the Tecumsehs of Toronto, play the New Glasgows of Nova Scotia, at the Arena. It will be the first game of a series. The second game will be played at the Arena the following Monday night and a third game, if necessary, will be arranged later."

"The Tecumsehs are members of the National Hockey Association and the New Glasgows of the Maritime Province Hockey Association. They are bitter rivals. The N.H.A., it is declared, has snubbed the Nova Scotia League. The controversy has been threshed out in the Canadian newspapers and now there will be a real fight for blood here."

"It should prove the best professional series ever held in this city."
