MISS MORGAN - York St.

UNLOADING BURDENS ON THE MUNICIPALITIES

The Salary Grabbers of the Flemming Government Have Imposed Direct Taxation on the People--\$1700 Additional to be Extorted From the County of York Next Year--Mr. Pinder Oh, Where was He?

The change made by the government, with respect to the amounts paid by different municipalities of the province towards the support of the inmates of the Provincial Hospital for the Insane, will increase very considerably the assessment made in the different counties to cover this charge. It is estimated that the Provincial Hospital will receive from the municipalities nearly \$17,000 every year, in addition to the sums they have been getting already.

Hitherto, the different cities and counties have been, paying to the Provincial Hospital \$1.25 per week towards the support of the "harmless" patients; those who have not been considered harmless have been supported entirely by the government. To draw the line definitely between those who are harmless and those who are not, has been very difficult and the source of almost constant dispute between the municipalities and the hospital commissioners. In consequence of this, and also because of the growing cost of the institution and the increase in the number of patients, the government has decided that the people must be taxed directly to a greater extent for its support. Therefore all of the patients, whether harmless or not, must be paid for by the different municipalities from which they come. The charge will not be \$1.25 per week, but will be \$1.

This is how it works out. Take St. John City for an example. There are 106 patients in the Provincial Hospital from St. John City—54 men and 52 women. Sixteen of these have been supported by friends and sixteen have been supported by the city and seventy-four by the province. For this number, sixteen, the city had paid \$20 per week. Now, under the new regulation, instead of paying for sixteen patients, the city will be asked to pay for ninety patients, at the rate of \$1 per week, which will mean an additional cost upon the people of St. John City of \$70 per week, or 13,640 per year.

To take each county separately, the increase in cost will be as follows: Kings county, with 35 patients, has been paying \$12.50 a week for 10, 7 have been supported by friends and 18 by the province. After this, the county will pay \$28 a week, instead of \$12.50, or \$1,456 a year, instead of \$650.

Albert county will pay \$8 per week, instead of \$6, or \$416 a year, instead of \$312.

Campbellton will pay \$3 per week, instead of nothing, or 208 a year.

Carleton will pay \$18 per week, instead of \$8.75, or \$936 a year, instead of \$455.

Charlotte county will pay \$23 per week, instead of \$13.75, or \$1,196 a year, instead of \$715.

Fredericton city will pay \$16 per week instead of \$1.25, or \$832 a year instead of \$65.

Gloucester county will pay \$36 per week, instead of \$12, or \$1,872 a year instead of \$624.

Kent county will pay \$26 per week, instead of \$12.50, or \$1,351 a year, instead of \$650.

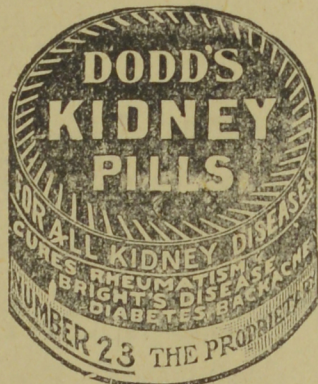

Madawaska county will pay \$15 per week, instead of \$5, or \$780 a year instead of \$260.

Milltown will pay \$3 per week, instead of \$1.25, or \$156 a year, instead of \$65.

Moncton will pay \$14 per week, instead of \$7.50, or \$988 a year, instead of \$390.

Northumberland county will pay \$22 per week, instead of \$15, or \$1,144 a year, instead of \$780.

Queens county will pay \$12 per week, instead of \$7.50, or \$624 a year instead of \$312.

CLARA MORRIS IS 65

Yonkers, N. Y., March 17—Messages of greeting and bouquets of flowers were received in abundance today by Miss Clara Morris, who is remembered by the older generation of playgoers as one of the most noted emotional actresses on the American stage. This was Miss Morris's sixty-fifth birthday anniversary. She lives in a great, old-fashioned house in Riverdale avenue in this city. She is now totally blind and for two years she has been confined to her bed by illness. Despite her misfortune the former actress keeps intimately in touch with the affairs of the world. Interested in all subjects she has her mother, who is ninety years old, read magazine and newspaper articles to her during the day and when during the night she cannot sleep, her husband, Dr. F. C. Harriott, reads to her. When not listening to the reading of her husband and mother, Miss Morris spends much of her time dictating short stories for the magazines.

In the past, in all the province, the municipalities have paid for 140 patients, at the rate of \$1.25 per week, which would amount to \$9,100 per year. Under the new regulation, they will pay for 499 patients; at the rate of \$1 per week, or \$25,948 per year, an increase of cost on the different municipalities of exactly \$16,848.

The relatives of patients paid for inmates in 1912 some \$11,566.98.

Could Not Sleep Well For Four Years.

HEART AND NERVES WERE BAD.

To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor with nerves untinged, heart action wrong, and to whose eye sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound, refreshing slumber.

They restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart.

Mrs. Wm. Douglas, Thessalon, Ont., writes:—"I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me. I read of your Heart and Nerve Pills, and tried only a few boxes, and I can certainly say they did me a great amount of good. I can now sleep as well as ever, and can advise anyone who suffers from heart trouble to try them."

Milburn's Heart and Nerve Pills are 50 cents a box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited Toronto, Ont.
