IMPROVEMENTS AT SCHOOL

(Continued from page 8)

Brodie made some explanations in connection with the matter and Mr. Farrell stated that the alterations to work already done which would be necessary to be made to comply with regulations would delay operations so that the work could not be completed before the opening of the schools on August 25, three weeks from today. Members of the School Board requested that in view of these facts some consideration be shown by the Board of Health and the latter body decided on the action mentioned before.

HARMONY RESTORED.

Charles Blakeney of Gibson, who was one of the Tories very much disgruntled on account of the appointment of James Voss as caretaker of the St. Mary's Rifle Range, has received an appointment to the staff of the Dominion Experimental Farm in this city. The appointment has done much to be lauded, toward restoring harmony among the Tories of St. Mary's Parish.

GIBSON WATER MEETING.

The ratepayers of the Gibson Fire and Water District are to meet this evening. Thos. Stickles has resigned as collector of rates. George Brown is among those mentioned as being candidates for the office.

OPEN AIR LABOR MEETING

J. F. Potts, of Boston, General Organizer for the Carpenters' and Joiners' Union, of America, addressed an open air meeting at Phoenix square Saturday night. He dealt with labor questions and incidentally condemned a local merchant who does not observe the Thursday half holiday. Samuel Mackey presided at the meeting. Rev. Dr. W. H. Smith also spoke, making a plea for education rather than agitation in labor matters. The 71st Regiment Band furnished music.

LATE MRS. MATILDA JOHNSTON.

The funeral of the late Mrs. Matilda Johnston took place this afternoon from the home of Mr. J. V. Johnston. Interment was made at Nashwaakasis. Rev. Neil McLaughlan conducted the service.

WATER SPORTS THURSDAY.

The program for the water sports to be conducted Thursday afternoon by the A. & B. Club, will be announced tomorrow. In order to avoid a clash with the first game of the baseball double-header the sports will begin at one o'clock.

It is said the jumper idea is coming back into fashion. Loops of colored ribbon or velvet are taking the place of the corsage bouquet.

"In the Case of MY Little Girl—"

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.

BROUGHT MY STOMACH BACK TO HEALTH

"That's why I Recommend Nerviline"

The person who suffers from a stomach ailment, if far from a doctor or drug store, is bound to be extremely miserable. Such was the case with Mr. Johnson E. Evans, a well known farmer living near Edmonton, who writes: "My stomach got upset I think owing to bad water. I found great pain after eating. There was swelling and much gas in my stomach and no person could have been more miserable. Away out in the country it is not easy to get medical attention except at great cost, and I had to do without. A neighbor who heard of my condition sent me a partly filled bottle of 'Nerviline.' The first dose eased the pain in my stomach. How good that relief was I will never be able to tell. Nerviline cured me. Today our home is supplied with many bottles of Nerviline. No farmer should be without it, because if it's cramps, diarrhoea or internal pain, Nerviline is a dead sure cure. If it's a strain, a little bruise, lumbago, rheumatism or neuralgia, a few rubs with Nerviline cures very quickly. For these reasons I recommend Nerviline."

Never go to bed at night unless you know Nerviline is handy on the shelf; it prevents illness by curing little aches and pains at the beginning. Sold by every storekeeper and druggist. Family size 50c., trial size 25c., prepared by The Catarrhzone Co., Buffalo, N.Y., U.S.A.

HER BABY

WAS BOTHERED WITH

DIARRHOEA

FROM THE TIME SHE WAS BORN

DR. FOWLER'S

EXTRACT OF

WILD STRAWBERRY

CURED HER

Mrs. THOMAS SKALING, Schreiber, Ont., writes: "My little girl, who is now nearly four years old, and is as healthy and strong as can be, was bothered with Diarrhoea from the time she was born until she was over two years old. The doctor in the hospital, where I was when she was born, did everything he could but did not get it stopped. Just as soon as I got out myself, I got a bottle of Dr. Fowler's Extract of Wild Strawberry, and gave it to her, off and on, whenever she needed it, and I never had a doctor in the house once, for it would always check it without any bad after effects, and in time cured her altogether. I always keep it in the house, as I have never found anything to compete with it for Diarrhoea."

When you ask for "DR. FOWLER'S" be sure you get it, as some of these names, no-reputation, so-called strawberry preparations are being sold on the reputation built up by "DR. FOWLER'S." To insure getting the genuine, see that the name of The T. Milburn Co., Limited, Toronto, Ont., appears on the yellow wrapper. Price, 35 cents.
