## NEWS OF FREDERICTON TWENTY-ONE YEARS AGO

(From The Weekly Herald of January 16, 1892.)

THE WARMEST DAY—On Thursday afternoon the thermometer registered 50 above at noon and 48 above at eight o'clock in the evening. It was the warmest winter day ever experienced here.

THE CANADA EASTERN—Supt. Watters of the C.E.R. has his office in Chatham, which in future will be the headquarters of the road. The stations at Cross Creek, Marysville and Gibson are occupied respectively by Agents Dunn, Hallett and Henry.

LOOKING FOR PONORS—Elijah Estabrooks has announced his intention of contesting St. Ann's Ward in opposition to the present aldermen. Peter Duffie and James Rowan are showing up in King's Ward and it is rumored that a prominent bank clerk is also in the field. B. A. Everett and M. S. Hall are the new men in Carleton Ward.

POPULAR APPOINTMENT—The St. Croix Courier of a recent date has the following—"Miss Everett of Fredericton, has arrived to take the place of Miss Dibblee on the school staff during Miss Dibblee's six months' leave of absence."

ANOTHER GOLD ONE—The Motion Transcript says—"Thos. Colter, M.P.P., of York County, was in Moncton Tuesday and as the result of his visit H. W. Ryan has \$250 and Mr. Colter has the splendid pacing mare Nellie. The mare is a dark bay with white hind ankles. She is very speedy and full of pluck. She is five years old and well bred. The Celestial fliers, if they pull out on the ice this winter, will have to count on Mr. Colter."

FARMERS IN SESSION—A meeting of the York Agricultural Association was held in the City Council Chamber Thursday afternoon. Last year's officers were re-elected. All unfinished business of the society is to be closed up as soon as possible. The following are the officers:—John H. Reid, president; F. B. Coleman, vice-president; John Richards, secretary-treasurer; executive committee—D. McCatharin, James Tibbitts, John McCarthy. (The York Agricultural Society, although a dead one, continued to hold meetings until up to a few years ago. The late John H. Reid was the moving spirit and kept things going that he might push a claim against the city amounting to \$1,600 and accrued interest. By persistent lobbying he succeeded in getting a bill through the legislature compelling the city to submit the claim to arbitration. In the end it cost the city upwards of \$1,000 to settle with Mr. Reid. The claim was for a grant which the City Council granted in the '60s and never paid. Alleged claims which Mr. Reid had against the imperial government, the C.P.R. and the St. John Valley Railway were abandoned.)

WITH US ONCE MORE—We are pleased to be able to announce by authority that the Lieutenant Governor and Lady Tilley will take up their residence in Fredericton for some months on the third of February. They have arranged for a short lease of the dwelling-house belonging to the Misses Fisher, whence we may look to Lady Tilley to dispense those hospitalities for which she is admirably fitted. (The Fisher House, which was known as "Somerville Place," is now the residence of Ex-Mayor C. H. Thomas.)

MAYOR'S ELECTION—The mayor's election on Monday passed off

## HAD A DREADFUL COUGH FOR OVER SIX MONTHS.

Thought It Would Turn Into  
Consumption.

Miss Jane Dousette, Point a la Garde, Que., writes:—"Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough, for over six months, and tried everything but in vain. I thought it was going to turn into consumption. A friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicine I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit."

I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me."

See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. Price, 25 and 50 cents. Manufactured only by The T. Millern Co., Limited, Toronto, Ont.

very quietly. There had been no excitement and but little canvassing and the vote was small compared with that of other years. Mr. John Richards was compelled to go home through illness early in the day and this may account for the small vote polled for him. Mr. Harry Beckwith had his forces well in hand and is justly proud of the majority thrown for him. The vote stood—Beckwith 416, Richards 102. In the evening Mayor Beckwith entertained his committee and friends at his residence.

DEGREE MEETING—One of the greatest Orange gatherings of recent years was held at Mouth of Keswick on Monday night last. It was a degree meeting. After the exercises peculiar to the institution were completed speeches were made by Thos. H. Colter, M.P.P.; Ald. Walker and Dr. Campbell. A fine spread was laid at the home of Thos. H. Colter and ample justice was done to the good things.

FREDERICTON BOARD OF TRADE—The Fredericton Board of Trade meeting Monday afternoon was the best since the board was organized. A balance on hand of six dollars was shown by the financial report. Officers were elected as follows:—J. M. Wiley, president; J. S. Neill, vice-president; J. W. McCready, secretary. Members of the Council, Harry Beckwith, A. H. F. Randolph, W. H. Tippet, A. G. Edgecombe, George W. Hodge, H. H. Pitts, William Lemont, J. S. Weddall, George Hatt, C. Fred Chestnut, F. B. Edgecombe, M. Tennant, Alonzo Staples.

PERSONAL MENTION—Dr. H. S. Bridges of the U.N.B., is on a visit to Philadelphia. Wm. Richards of Boiestown, was registered at the Barker House on Friday. Rev. Father McDewitt's numerous friends will be glad to learn that he is steadily improving. H. D. Creed has taken a position with R. Chestnut & Sons. J. H. Hawthorn won the Curlers' Points Medal at the last meeting with 13 points. E. H. Allen had 12.

LOCAL TALK—Price Webber has been doing a great business all through the week. His plays have been well received and well patronized. The election for aldermen will be held in this city on the 25th inst.

OFFICERS INSTALLED—A meeting of the Order of Unity No. 38 was held on the evening of the 8th and the following officers were installed:—C. A. Miles, president; H. G. Winter, vice-president; J. D. Perkins, secretary; H. G. Estey, treasurer; D. Richards, chaplain; J. M. Thompson, marshal; W. H. Barker, guard; J. G. Mitchell, sentinel; George W. Bookout, past president. Trustees—J. D. Fowler, W. G. Scarr, H. G. Winter. (The Order of Unity was a sort of get-rich-quick organization which flourished here in the early '90's. It paid liberal amounts in sick benefits, in fact more than its resources could stand.)

FREDERICTON KNIGHTS—The Knights of Pythias of this city, will be governed by the following officers for the ensuing term:—George N. Bookout, C.C.; A. J. Fowle, V.C.; John Palmer, P.C.; Walter S. Fisher, K. of R. & S.; Bedford Phillips, M. of F.; Charles H. Thomas, M. of E.; George W. Adams, M. of A.; George Perkins, I.G.; A. D. MacPherson, O.G. They were installed by J. D. Fowler, D.G.C., assisted by Grand Lodge officers.

## FRENCH LAKE

French Lake, Jan. 16—Seeing items in your paper from other places I thought I would ask you for a small space.

Owing to the recent heavy rains the roads are in a terrible condition. Mrs. Moses Armstrong of Oromocto was visiting her sister, Mrs. Chas. Wood, recently.

Miss Myrtle Stennick, who has been visiting friends at Fredericton Junction has returned home.

Mr. Leslie Carr had the misfortune to lose a very valuable horse recently.

Our school is progressing rapidly under the skillful management of J. R. Norrad of Boiestown.

Mr. W. W. Wood has gone to Part-ridge Island where he is employed as a carpenter.

Miss Bessie Mersereau spent a few days with her aunt, Mrs. B. Bunker of Rusiagnish Station.

Mrs. Chas. Wood made a flying trip to Fredericton one day last

## WHY SHOULD NOT OLD PEOPLE RETAIN THEIR YOUTHFUL VIGOR

No Reason Why Men And Women Of Sixty,  
Seventy And Eighty Should Not Be Well—  
The Secret Of Happy Old Age

"Fruit-a-tives", The Famous Medicine Made Of  
Fresh Fruit Juices, Again Proves Its Great  
Value In Curing Kidney Trouble.

Old age pays the cost of living. Few men and women of fifty, sixty and seventy are free of Kidney Trouble. Hard work, mental strain and general debility, tell in the long run. And many men and women show they have Kidney Trouble by suffering with pain in the back, headaches, rheumatism, sciatica, bladder disease.

To such people "Fruit-a-tives" has proved one of the wonders of the age—and the most remarkable discovery of the century in modern medical science. This fruit medicine has performed hundreds of cures where the sufferer had been told that the case was incurable.

Take, for instance, Mr. Geo. W. Barkley, a prosperous farmer and one of the leading citizens of Dundas County, Ontario.

At seventy-six, he is the picture of health—with the vigorous actions and the sprightly step of a man of fifty.

Yet for twenty years, he suffered with Kidney Trouble. He took "Fruit-a-tives" and it cured him.

CHESTERVILLE, ONT., JAN. 25th, 1911

"For over twenty years I have been troubled with Kidney Disease, and the doctors told me they could do me no good, and said I would be a sufferer all the rest of my life. Nearly a year ago, I tried "Fruit-a-tives". I have been using them all the time since and am glad to say that I am cured. I give "Fruit-a-tives" the credit of doing what the doctors said was impossible."

Geo. W. BARKLEY.

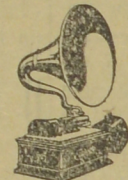

"Fruit-a-tives" is the only medicine in the world made of fruit, and is the only one that acts directly on the kidneys. It cures. 50c. a box, 6 for \$2.50 or trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.
