TO DEATH TO CURE
DYSPEPSIA OR INDIGESTION.
IT ISN'T NECESSARY.**

While it is necessary for the dyspeptic to abstain from rich, greasy, highly seasoned food, it is useless and injurious to deprive the sufferer of a full supply of good nutritious food sufficient for the needs of the body.

Weakening the body will never remove dyspepsia, on the contrary, all efforts should be to maintain and increase the strength.

Burdock Blood Bitters will increase the strength, and at the same time enable one to partake of all the wholesome food required, without fear of any unpleasant after results.

Miss Martha A. Brooks, Galetown, N.B., writes: "I have been troubled with indigestion for more than seven years, have tried several doctors and different medicines, claiming the power to cure, but all without success. Having heard of the many cures effected by Burdock Blood Bitters, I decided to give it a trial. I have taken only one bottle, and that one has done me more good than all the other medicines I have used. My appetite, which was very poor, is now good, and I can eat most everything without any disagreeable feelings."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

**KENT LIBERALS
EAGER FOR ELECTION**

Richibucto, N.B., May 30—The largest meeting ever held in this district was addressed tonight by A. T. Legere and P. J. Veniot, Liberal organizer. Questions of provincial and federal interest were discussed. Mr. Veniot dealing fully with the naval question.

At the end of the meeting cheers were given for Sir Wilfrid Laurier and approval given the action of the senate in holding up the naval bill.

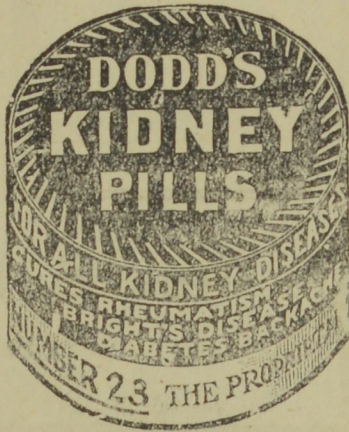

The people are clamoring in this district for an appeal to the people.

**UNITED STATES YIELDS
TO FOREIGN PROTESTS**

Washington, May 28—Congress in all probability will yield to the protests of foreign nations against the provision in the Underwood tariff bill granting a five per cent. tariff discount on imports in American-owned or controlled vessels.

President Wilson is said to have intimated that he would not object to having the clause eliminated. This action, it was reported, would be recommended by the Senate Finance Sub-committee. The sub-committee also will seek to modify another clause which compels foreign merchants to submit their books to an American agent in cases of disputed valuations, and provides as a penalty for refusal that the goods be excluded from entry.

Germany, France and Britain have made strong protests against this clause, and assurances were given today that an effort will be made to eliminate the objectionable features.

**PROFITS NOT EXCESSIVE
SAYS BANK PRESIDENT**

(Toronto Globe.)

At the annual meeting of shareholders of the Imperial Bank yesterday Mr. D. R. Wilkie, the president, pointed out that, while the profits for the year of \$1,125,971 represented 17.28 per cent. on the average paid-up capital, calculated on capital and surplus combined it represented only 7.61 per cent.

In regard to recent criticisms of banks, Mr. Wilkie said:

"We are told on the one hand the banks are making too much money, and that their powers and profits must be curtailed, we are told on the other hand that banks are losing too much money and that they must be inspected and re-inspected and inspected again. It is a fact that banks are making enough money considering the risks, the responsibilities and the turnover of the business, the indispensable assistance they are called upon to extend to the country—to the west in particular—and the severe competition with which they have to contend from within, and from all kinds of licensed competitors from without, who are free from unreasonable restrictions and can attract deposits by the offer of high rates of interest, with no obligation to maintain cash reserves and who can charge rates proportionate upon loans. The situation seems preposterous, it is certainly unfair."

The new stock which was allotted to the shareholders last year, Mr. Wilkie said, had been satisfactorily taken up. Only \$90,000 remained outstanding. Shareholders now number 1,586, compared with 1,410 a year ago.

A by-law was passed authorizing a contribution of \$20,000 to the officers' pension fund. The directors were re-elected, Mr. Wilkie being elected president and Hon. Robert Jaffray vice-president.

**DIED WHILE PLAYING
PIANO ACCOMPANIMENT**

Stratford, May 28—A young man of notable physique, and to all appearances in the prime of health, Mr. Walter Evan Jones, organist of St. James' Anglican Church, sat at the piano in his studio this morning playing the accompaniment for one of his vocal pupils, Miss Etta Wilkison. Suddenly his fingers halted, he looked up and fell over on the floor dead.

A native of Devon, England, and with a brilliant career as organist and baritone soloist he came to Stratford in September, 1909, and became organist of St. James' Church here in April, 1911. Deceased was widely known as a musician, and was planning a tour when death cut him off. His wife, whom he married at Smyrna on Christmas, 1906, survives, also his parents, Mr. and Mrs. F. Staddon and two sisters, Misses Florence and Mavis Evan Jones all of Toronto.

**NEWS FORECAST FOR
THE COMING WEEK**

Washington, D. C., May 31—The Home Rule for Ireland bill will be brought up in the House of Commons for the second time next Tuesday. The bill is expected to go through in the exact form in which it was passed last year, and later rejected by the House of Lords. After a second rejection by the Lords, which is regarded as inevitable as was the first, the bill will come back to the House of Commons and, in the general belief, will be enacted into law.

Arguments in the so-called tap line case, which has attracted country-wide attention, will be presented to the Commerce Court in Washington, Tuesday. The question at issue is whether fifty-seven tap lines located in various States are common carriers and entitled to participate in joint rates.

Two municipal elections of wide interest will take place early in the week. Portland, Ore., will hold its first election under the commission plan of government. In Los Angeles, where a mayor and other city officials are to be chosen, a hard fight for control is on between the Socialists and anti-Socialists.

The trial matches between the American tennis players and the Australasian team for the Dwight F. Davis International Challenge Cup are scheduled to begin Friday. The matches are to be held at the West Side Tennis Club in New York City.

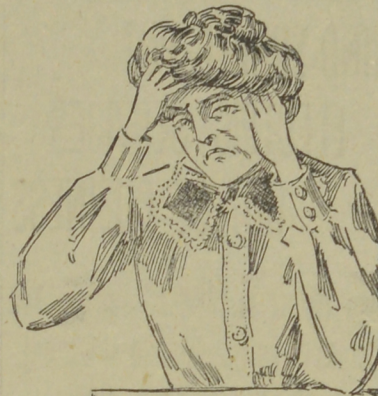

Events of the week abroad will include the customary observances of the birthday anniversaries of Pope Pius X. and King George V., the running of the Epsom Derby, the British Women's Golf Championships the opening of a Maritime Exposition at Amsterdam, and the Franco-American celebration commemorating the origin of the name "America" at St. Die.

Convention and conferences of the week will include the General Assembly of the Presbyterian Church in Canada, at Toronto; the annual meeting of the Canadian Press Association, also to be held in Toronto; the

CURED IN ONE NIGHT**

If Troubled With Head-Fullness, Ringing Noises, Specks Before the Eyes, the Stomach is at Fault

Quick Relief and Certain Cure Came From Dr. Hamilton's Pills

"I had terrible pains in my head. My appetite faded away, and when I did eat anything it disagreed and made me very sick for hours after each meal. The pains in my stomach and the dizzy headaches I had to endure almost set me wild. Sometimes attacks came on so severely that I had to go to bed. I would feel so worn, depressed and utterly miserable that for hours I wouldn't speak to my family. My system was poisoned with wastes and nothing helped me till I used Dr. Hamilton's Pills. Without this grand system-cleaning remedy I would still be sick but each day brought me better health and spirits. I was cured and made strong, ruddy and healthy and will always use and recommend Dr. Hamilton's Pills."

"MRS. B. C. CURRAN, Westport P.O. Thousands who are in an ailing low state of health need nothing else but Dr. Hamilton's Pills. 25c. per box, or five boxes for \$1.00, at all druggists and storekeepers, or The Catarthozone Company, Buffalo, N. Y., and Kingston, Ont."

**FARMER'S BANK VICTIMS
PRESS THEIR CLAIMS**

Ottawa, May 30—The claims of the Farmers' Bank victims are again being pressed upon the government, and the general consensus of opinion among members on both sides of the house seems to be that some measure of relief ought to be forthcoming.

There is no official information available as to what will be done, or as to the extent of the aid which may be granted.

The losses amount to approximately a million and a quarter, and it is expected that the double liability, of which not much more than forty per cent. is likely to be collected will take care of the preferred claims only.
