Don't Pay 50 Cents for Worthless Hair Tonics--Use Old, Reliable, Harmless  
"Danderine"--Get Results

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff--that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die--then the hair falls out fast.

A little Danderine tonight--now--anytime--will surely save your hair. Get a 25 cent bottle of Knowlton's

Danderine from any drug store or toilet counter, and after the first application you will say it was the best investment you ever made. Your hair will immediately take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of a 'bouffant'; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair--new hair--growing all over the scalp.

## MONK'S LETTER OF RESIGNATION

Ottawa, Jan. 15--Right Hon. Mr. Borden today laid on the table the correspondence between himself and Hon. Mr. Monk on the occasion of the resignation of that minister from the cabinet.

Mr. Monk's letter dated 18 October, was as follows:  
"My Dear Premier:  
"I regret to find that I cannot concur in the decision arrived at by the cabinet yesterday to place, on behalf of Canada, an emergency contribution of \$35,000,000 at the disposal of the British Government for naval purposes, with the sanction of parliament about to assemble, but without giving the Canadian people an opportunity of expressing its approval of this important step before it is taken.

"Such concurrence would be at variance with my pledges, and the act proposed is of sufficient gravity to justify my insistence. It goes beyond the scope of the constitutional act of 1867.

"Holding this view, as a member of your cabinet, I feel it my duty to place my resignation in your hands.

"Permit me to add that my decision has been reached with regret, on account of my agreeable relations at all times with yourself.

"Yours sincerely,  
(Sgd.) 'F. D. MONK.'

### THE PREMIER'S REPLY

Mr. Borden's reply dated 21st October was as follows:

"My Dear Mr. Monk--  
"I received this morning with very great regret, the letter by which you placed in my hands your resignation as a member of the government. The information which has been placed before us by His Majesty's government discloses so grave a situation that, in my judgment, the granting of immediate and effective aid necessary in the interest of this Dominion as a part of the British Empire.

"Such a step is entirely of a temporary character, and is absolutely distinct from the permanent policy of co-operation in Imperial defence, which when formulated, ought to be placed before the people for their consideration and approval.

"Your resignation is a matter of special regret to me, as I most fully recognize and appreciate your very earnest devotion to the duties of the onerous and important office which you have filled since the 10th day of October, 1911, and the very great assistance and kindly consideration which I have always received at your hands.

"Your faithfully,  
(Signed) 'R. L. Borden.'

FIVE LOAVES AND TWO FISHES.  
—Mark 6:30-44.—Sept. 22.—

Text: "Jesus said unto them, I am the Bread of Life."—John 6:35.

WHEN THE TWELVE APOTHECARIES returned to Jesus they explained the instance of their turn and what they had taught; and He called them away to a desert place to rest awhile, because of the crowd and because they had not even time to take nourishment. So they went privately by ship. But the news went also and the crowd went on foot from various cities.

Jesus would have no time to Himself. His entire life was devoted and being rendered up a living sacrifice to the Divine service, in feeding the sheep of Jehovah's flock, and His own sheep also, because all that were the Father's were His. As He looked upon the multitude, He felt a yearning compassion for them; "They were like sheep without a shepherd"; and He continued to teach them.

But did they not have synagogues, and regular reading of the Scriptures? Did they not have Scribes, Pharisees, Priests and Levites? How could they be without shepherding? Ah, they had a soul-hunger, which the forms, ceremonies, and burdens bound upon them could not satisfy.

They really wanted the "Bread of Life," which Jesus had -- which Jesus was, for He personified Truth. Why then did they not receive it? They were bound by superstition, prejudice, the fear of man, traditions of the ancients, and the opposition of the great and learned of their time.

Did they not frequently inquire, "Have any of the Scribes and Pharisees believed in Him?" The common people always refer to the learned. The learned therefore have the greater responsibility. Jesus declared of them, "Ye have taken away the key of knowledge"; you will neither enter into the favor of God yourselves, nor will you permit others to enter in.—Luke 11:52.

And is not this true to-day? The learned of the colleges and principal pulpits are telling the people that the Bible is not the Divine Message which Jesus and the Apostles declared it to be, that Moses and the Prophets did not write the books accredited to them, and thus indirectly telling that Jesus and the Apostles were deceived when Jesus said, "Moses wrote of Me," and the Prophets Isaiah and Jeremiah said thus and so. Thus the people are becoming more and more unbelievers in the Bible.

The multitudes in their enthusiasm went a long journey from home without making proper provisions for food. The disciples urged that the people be sent home. Jesus suggested, "Give ye them to eat." But they declared they had nothing wherewith to feed so many, and that if even they should go to purchase it would cost much.

Finally they found five loaves and two fishes. By Jesus' direction they seated the multitudes in companies on the grass, and the loaves and fishes, under heavenly blessing, were divided, again and again, and all ate to their satisfaction; and the fragments amounted to twelve baskets, while those who had partaken were 5,000.

This wonderful miracle not only attests our Lord's sympathy, but spoke volumes to the people of the Divine power that was in the Great Teacher; but there is still another lesson which it teaches us. Like all of Jesus' miracles it was merely another foretelling, or illustration, of His coming glory and of the coming blessings. He who provided the nourishment for the 5,000 is shortly to be the Great King of Glory, whose Kingdom will extend from shore to shore, and bring blessing and refreshment to all mankind.

This miracle speaks to us of the power that our Lord will then have for providing for the necessities of the whole world. True, we do not expect that during the reign of Christ the world will be miraculously fed, but rather in accordance with the Scriptural promise, "The earth shall yield her increase"; and again, "I will call for the wheat, and will increase it," etc., etc. But specially the feeding of the multitude reminds us of the fact testified in our text that Jesus is "The Bread of Life"—the Divine Provision for the necessities of the whole world.

As the Church now partake of the merit of Christ's sacrifice, and become members of His Body, the one Loaf, and thus partake of the eternal Life through Him, so in God's due time the Bread from Heaven is to feed the multitudes of earth. During the thousand years of His reign, the Bread of Life will be freely distributed amongst all mankind. That Bread of Life is the Truth -- particularly the Truth connected with the great redeeming work of Jesus. He is to be the Bread of Life to the world, because he bought the world with the sacrifice of His own life.

The Church, however, in this present time, has another privilege which the world in the future will not share, and that is represented in the Lord's "cup." His "cup" to us represents our privilege of suffering with Him and becoming His joint-heirs in the Kingdom.

## I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you need not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is intended to cure all the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 840 Franklin Building, Toronto, Ont. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscle no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

DR. T. FRANK LYNOTT  
who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.
