CITY CIRCULATION AGENT

Of Leading Montreal Daily Endorses GIN PILLS

I have long years of suffering from Kidney Trouble—two boxes of GIN PILLS—and it's all gone. That has been the experience of Mr. Eugene Quesnel, Chief City Circulation Agent of La Patrie, of Montreal. He describes it feelingly:

May 3rd, 1912
"I have been suffering from Kidney Trouble for over five long years. I had also Rheumatism in all my bones and muscles, could not sleep nights and on some occasions could hardly walk. I had been treated by some of our best Physicians but without relief and I lost over fifteen pounds. One day I met one of our leading hotelkeepers, who had been cured by your famous GIN PILLS, and he advised me to try them. So I bought two boxes at my druggist's and before I had used one box I felt a big change. Before I finished the second one I was completely cured. I can assure you I can hardly believe it for if I had only known what I know now I would not have spent over one Hundred Dollars for nothing when two boxes of GIN PILLS cured me."

EUGENE QUESNEL.
GIN PILLS are gaining a world-wide reputation, by the way they conquer the most obstinate cases of Rheumatism and all kinds of Kidney Trouble. 50c. a box, 6 for \$2.50. Sample free if you write National Drug and Chemical Co. of Canada, Limited, Toronto. 149

Had Pains Around The Heart AND SMOTHERING FEELINGS.

The terrible smothering and choking up sensations and sinking turns, that come to those whose heart and nerves are deranged or disordered call for prompt relief.

There is nothing that brings with it such a fear of death as to wake up in the night with that awful feeling of smothering.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

Mrs. Wm. Lee, Uthoff, Ont., writes: "I have taken three boxes of Milburn's Heart and Nerve Pills, and am now well. I had such pains around my heart and such smothering feelings that I thought I would surely die. My head used to be propped up with pillows to keep me from smothering. One day I read in a paper about your Milburn's Heart and Nerve Pills, and three boxes cured me."

Price, 50 cents per box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

David Torrance has succeeded Percy Standing with Ethel Barrymore in vaudeville.

The Marquis of Queensberry's play "The Light," shines no more on the contemporary stage.

NEWS OF FREDERICTON

(From The Weekly Herald of February 13, 1892.)

APPOINTMENT—J. Henry Phair has been appointed clerk of the Legislative Council vice George Botsford deceased, Major O. R. Arnold of Sussex, assistant clerk vice J. H. Phair.

CONTAGIOUS DISEASES—Notice has been sent to the City Clerk of the following contagious diseases:—One case of diphtheria at Isaac Simmons', three cases of scarletina at D. Withrow's, College Road; one case at Mrs. Thos. Hogg's and a case of diphtheria at Thos. Lawson's.

STRUCK BY A TREE—Councillor McLean of Burton, Sunbury County, met with a serious accident a few days since. He was felling a tree which in its fall struck a dead poplar, breaking it off the top striking Mr. McLean on the head, knocking him down and cutting a wound about two inches long. He is getting around again.

SPINE INJURED—A little girl, the daughter of James Dorcas, was riding on her father's sled near the corner of York and Charlotte streets, Wednesday afternoon when she fell off just as Pat Sproule was driving past with his express sled. His horse went over her and one runner of the sled passed over her, injuring the spine. She is recovering.

TIDE OF MATRIMONY—The parsonage of Rev. Mr. Crawley was invaded on Wednesday last by two young couples intent on matrimony. They were George Ball, Jr., and Miss Annie Charters of New Maryland, and Mr. James S. Young and Miss Lucy Bonnar of this city. In a short time the nuptial knot was tied and two smiling brides went out to receive the congratulations of their friends.

CONVERSAZIONE—The annual promenade concert and conversazione was held in the University Thursday evening. The guests were received by Dr. Harrison, Mrs. Harrison and Mrs. Bridges. The halls were beautifully decorated and the youth and beauty of the city moved in rhythmic measure to the inspiring strains of the F.O.M.W. orchestra.

ENTERTAINMENT—The physical culture class of the St. John Y. M. C. A. gymnasium, assisted by their orchestra, will give an entertainment under the patronage of Lady Tilley at the City Hall next Tuesday evening. Tickets are on sale at W. T. H. Fenety's.

FINE HORSES—Policeman Barke of Marysville, has a very handsome Harry Wilkes colt. It is a year old, black with one white ankle. The dam is the famous Hume mare and the colt shows all the traits that should follow such illustrious breeding. Chas. Hatt, manager of the Cotton Mill, has the best bred filly in this part of the province. It is by Elation, dam a Fearnought.

THE DEATH ROLL—A well known resident of King street, Wm. Scully Sr., died on Thursday last at one o'clock. He died at the age of seventy-five. Deceased was born in County Fermanagh, Ireland, but had spent over fifty years of his life in this city. This is the third death in

the family during the year. John D. Scully, the eldest son, who has been for the past eight years in Philadelphia, arrived home just before his father's death.

A LARGE FUNERAL—The burial of the late Goodridge Bliss Roberts, B.A., took place Sunday afternoon last at 2.30, being one of the largest funerals ever seen in this city. The cortege moved from The Rectory to the Cathedral, where an immense congregation had gathered, the casket being borne by F. St. John Bliss, James P. Bliss, Lewis Bliss, George Stratton, Parker Glasier and Archie MacDonald, all relatives of the departed. Rev. Mr. Alexander read the psalms and the Metropolitan gave the lesson. The last sad rites of the grave were performed by Rev. Dr. Kingdon, assisted by Revs. Alexander and Montgomery.

OUR BIG GAME—As the season has expired for the killing of large game, it would be as well for the wardens in the various sections of the province to be on the alert. It is a general practice of the Indians from Quebec and the Tobique to come down to the Miramichi hunting-grounds after moosehides only, the flesh of the animal being left to rot in the woods. It is only a few years since seventy moose were killed by the Indians and left to rot. If these animals are left undisturbed for a few years yet there will be good sport for all. As to moose, they are dying out pretty fast, the Miramichi woods and the Upper Tobique, being the only places where they are found in numbers.

BURDEN

Burden, Feb. 4—We are having very changeable weather of late. We just get enough snow to make good sleighing and then a rain which takes it all off, but we hope to have the more weather settled in a short time.

We are very sorry to part with our pastor Rev. C. N. Barton. He preached three very impressive as well as interesting sermons on Jan. 19 in the churches at Dumfries, Prince William and Burden which he considered his closing sermons on this field. We hope to have him back with us again in a short time and all wish him success on the field to which he is going.

We are sorry to part with so many of our girls a great many of them seem to be leaving us. The Misses Amy and Grace Kitchen went to Marysville on Jan. 10 and are employed in the cotton factory. Miss Minnie Sawyer our popular organist has also gone to Fredericton, and there is some talk of Miss Ada Jordan leaving us.

Mrs. Albert Jewett of Fredericton is visiting relatives at the Mill. She with the rest of the family expect to start in about three weeks for Calgary, Alberta, where she will meet her husband who went to Calgary in November.

Mrs. Robert Cawdron and daughter Hazel made a trip to the city one day last week. Miss Hazel remained in Fredericton for a few days visiting her cousin Mrs. Walter Jennings.

The men are still working on the railroad the weather does not seem to prevent them from continuing their work. They have two steam shovels at work in this part of the country now.

Mr. Spencer Jewett who is here from Providence, R. I. spending the winter with his uncle Mr. Lewis Jewett was in Kingsclear last week spending a few days with his cousin Mrs. Hayward Kelly.

Mrs. Herbert Lawrence and niece Myrtle Jewett went to Fredericton a week ago last Saturday, after visiting their shopping they drove up to Doxias and spent Saturday night and part of the day Sunday with relatives living in that place.

Our school is progressing rapidly under the skillful management of our popular teacher Miss Mildred Kitchen.

The social that was to be held at Mr. Josiah Lawrence's last Friday night had to be postponed until Monday night on account of the rain. All are cordially invited.
