I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all" and I give help with some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, your age, and your name and address. My address is Dr. Frank Lynott, 30 Franklin Building, Toronto, Ont. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

DR. T. FRANK LYNOTT who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

These Are the Symptoms:

- 1-Pain in the back.
- 2-Too frequent desire to urinate.
- 3-Burning or obstruction of urine.
- 4-Pain or soreness in the bladder.
- 5-Prostatic trouble.
- 6-Gas or pain in the stomach.
- 7-General debility, weakness, dizziness.
- 8-Pain or soreness under right rib.
- 9-Swelling in any part of the body.
- 10-Constitution or liver trouble.
- 11-Palpitation or pain under the heart.
- 12-Pain in the hip joint.
- 13-Pain in the neck or head.
- 14-Pain or soreness in the kidneys.
- 15-Pain or swelling of the joints.
- 16-Pain or swelling of the muscles.
- 17-Pain and soreness in nerves.
- 18-Acute or chronic rheumatism.

TORONTO CLUBS

SPRANG SURPRISE

IN N. H. A. MATCHES

Tecumsehs Won at Quebec and Toronto Beat Wanderers--Ottawa Swamp-ed Canadiens at Montreal

TECUMSEHS, 5; QUEBEC, 3.
Quebec, Jan. 5—On Saturday evening the Tecumseh hockey team from Toronto defeated the Quebec aggregation by a score of five to three, and that gives a fair idea of the play of the both teams.

Owing to the drop in the thermometer which took place yesterday morning there was a splendid sheet of ice in the rink in the evening. The line up:

Goal	Tecumsehs
Moran	Nicholson
Point	
Hall	G. McNamara

T. Smith	Throop
Left Wing	
Marks	Corbeau

OTTAWA, 7; CANADIENS, 3.

Montreal, Jan. 5—Outplaying the Canadiens from start to finish Ottawa had little trouble in defeating the Frenchmen in a most decisive manner before a capacity audience at the Arena on Saturday by score of 7 to 3.

There was never any doubt as to which was the better team. From the commencement of play the Capitals started in with a rush, keeping the locals on the defensive at almost all stages. They showed superior condition by setting a killing pace in the first twenty minutes that took the French players of their feet and at the call of time most of the locals showed signs of being all in.

There was no excuse to be offered as the ice conditions were favorable and although there was only a goal scored in the opening period it was the clever work of the goal keepers that kept the score down.

During the play Pitre took a wallop at Broadbent and drew a second major fine which ruled him off for twenty minutes.

Goal	Canadiens
Leseur	Vezina
Point

Rouge	Pitre

TORONTO 5; WANDERERS 3

Toronto, Jan. 5—The Torontos scored their first victory of the season at the Arena on Saturday night, when they beat the Wanderers by a 5 to 3 score. A crowd of 4,000 witnessed the game. The visitors were bewildered by the speed and back-checking of the youngsters and could not get in any of their usual rushes.

The Wanderers were beaten in all departments of the game and have no excuse for their loss. They seldom got inside the local defence, most of the shots being from a distance.

Although a large number of fines were imposed, the game was not very rough, the officials being very strict.

VANCOUVER WON

Vancouver, B. C., Jan. 5—Vancouver went back into the lead in the Pacific Coast Hockey League championship race Saturday night, for the Terminals outplayed New Westminster, the cup holders, and finished on the long end of a 10 to 5 score, in the most strenuous match of the season on the local ice.

AMERICAN OFFICIALS USED AT TORONTO RACES

(Toronto Globe)
John King and Fred Upton will be judge and starter at the Delorimier Park ice races next month, both of them with Grand Circuit experience, and both residents of the States. Even Ald. Sam. McBride, who used to make the loudest noise about the engagement of racing officials from outside of Canada, went back on his policy immediately that the occasion presented itself. The Toronto Driving Club, of which he is president, employs "aliens" in all the most important positions for conducting both its winter and summer activities running and trotting.

CALENDAR OF SPORTS

MONDAY

Annual trials of United States Field Trial Club begin at Letohatchie Ala.

Alfred De Cro vs. James Maturo for pocket billiard championship, at New York.

Koji Yamada vs. George Slosson, 18.2 billiard match, 2,400 points, at Chicago.

Opening of annual show of Cleveland Automobile Dealers' Association

Opening of Mississippi Valley Motor Boat Show, at St. Louis.

TUESDAY

Opening of tenth annual midwinter golf tournament at Pinehurst, N. C.

Wrestling match between Henry Ordeman and Jesse Westeraard, at Minneapolis.

Meeting of the Wisconsin-Illinois Baseball League, at Milwaukee.

Annual championship tournament at Kansas Checker Association, at Manhattan, Kas.

Opening of annual automobile show in Madison Square Garden, New York

Annual meeting of the United States Golf Association, at New York.

Annual indoor track and field meet of the Xavier A. A., New York.

Patsy Callahan vs. Young Driscoll, 10 rounds, at Brooklyn.

LIVELY HOCKEY GAME PLAYED AT CLEVELAND

In the third and last game at Cleveland between that team and Ottawa College, there was a free fight. Father Stanton's boys had been roughly handled by the Clevelanders with the connivance, it is alleged, of Referee Schweitzer. In the last few minutes of the final game, they retaliated. Killaly and Broobanks were worsted in fist encounters with Ottawas, and the referee was knocked down twice with punches to the jaw. Schweitzer referees practically all of the Cleveland games and Canadian teams complain that visiting clubs must be fifty per cent. the best to win.

ATHLETICS GO

Philadelphia, Jan. 4—Connie Mack, manager of the Philadelphia Athletics, today announced that his squad of players will leave here for the southern training trip on February 24. The players will train at San Antonio and from March 1 to 14 games will be played every day between the regulars and the San Antonio team. The squad will be divided into two teams on the homeward journey and games will be played with the clubs in the south.

Some of us got vacuum cleaners for Christmas presents, but most of us have pocketbooks as if a vacuum cleaner had been to work on them.

Hands out Some Information to Sporting Life--Wants League Circuit More Centralized With Larger Towns--Thinks St. John and Fredericton Are Ready to go in Again--Joe Places Maritime Baseball on High Plane

Montreal Dec. 24—Editor "Sporting Life"—That baseball in Canada is at the present time the real national game, of the Canadian sport-loving public during the summer season there can be no doubt. In the far east, in the provinces of Cape Breton and Nova Scotia, the old England pastime of cricket has given way to the game of base ball, both in an amateur and a professional way. In the larger cities of Cape Breton a professional league, whose salary limit was considerably in excess of \$1200 a month has just finished the second year as a professional organization. Not only have they (the promoters),

MADE A FINANCIAL SUCCESS

which means further league prosperity with probably a larger circuit next year, but in addition they have placed the base ball game on such a footing that today base ball must be placed first when the popularity of summer games is in question. In Nova Scotia in the old garrison city of Halifax, where even today you cannot look up or down any street without seeing one or more Red Coats, base ball has received such a welcome within the last few years that the Wanderers' cricket grounds derive far more financial benefit from base ball than all other sports combined. Professional base ball holds sway here here as well as over other provinces and along with Westville, Stellarton and Halifax, a league has gone along with such strides that it is quite safe to say that a \$1500 limit would not have covered any one team.

THE GAMES PUT UP

throughout the season were in the main close and exciting and would have compared favorably with the majority of Class C. leagues throughout America. Several of the players in this league went to higher and faster company. Mike Berran an outfielder, a very fast man, and one who led the league with the fine average of .369 was in August last signed by the Chicago Americans, who sent him later to one of the western leagues for further development. Another last and good player who has accepted terms of this same club is Larry Mahoney, one of the best and fastest shortstops with a wallop and brain pan that will surely keep him in big company with very little coaching.

IN THE PITCHING LINE

were big Bill Duval, Warwick and Jack Barry, all New England talent and southpaw Stanley Bates, whose fine work at the close of the season earned him several good offers from major league clubs. Roy Isnor, another southpaw, a Halifax boy, who has speed, curves and control and also knows how to use them, would easily have made the majors, had it not been for a peculiar muscular ailment, which prevents him getting a quick start at times, so it is said by those who have watched his at-times wonderful box work. One reading the above and with the knowledge of the players will readily agree as to the quality of ball witnessed in Nova Scotia and when it is known that on numerous occasions the games are witnessed by an attendance of

OVER 3000 SPECTATORS

one can safely say the game is coming along rapidly and one can look to see, if not next year, the following year, a league under protection, with Halifax, Truro, Stellarton, Westville, Amherst, Sydney and possibly others. One thing sure, it is only a matter of a short time before the realization of a baseball league on these lines. Coming into New Brunswick, base ball, to a certain extent has always been if anything the favorite sport in the good old summer time. But it is only within the past couple of years, assuring the got back into league base ball after a number of years, assuring this leagues revival, which has not proven a financial success. But with a winning come-back baseball league in 1913 with thousands of enthusiastic fans throughout the province, one can well ask: Why was base ball a frost financially? For several reasons. One,

NOT A GOOD CIRCUIT

for the size of towns at each point. St. John, N.B., with a population of

50,600 or more at one end and with the exception of Fredericton which has a population of about 12,500 to 14,000, and is 70 miles away, the rest of the towns are from 125 to 150 miles away from St. John and are less than 5000 in population. Notwithstanding this fact, under the conditions on which the league was run, had the weather been at all favorable at all this past season, each and every club would have quit the season, far better than ever financially. Consider also the fact that the salary limit of \$1000 agreed on was

BY CONSENT CANCELLED

by all concerned, in consequence of which few, if any, Class C leagues in the country had as large monthly salaries and many in Class B would have looked wise at times, with big mileage circuit hard to get at, small towns with one exception, salary limit ignored. Despite this it had to take bad weather to create a financial loss. Getting to the playing of 'the game. In the New Brunswick and Maine League, from top to bottom, any one team would have made the going on a season performance mighty hard for any set of teams in the great majority of Class B. leagues to take a pennant away from them. On account of the league being independent some of the

FASTEST COLLEGE MEN

batteries, infielders and outfielders, were mates on the same team with players like Bob Ganley, Geo. Winter, Paddy Duffy, S. McMahon, Bidde lott and many others too numerous too mention. And when one takes into consideration that pitchers Corey, of Wilkes-Barre; Winter of Toronto; White of Washington; Jordan, of Chicago, and some few others were in the majority of cases lucky to win games, it is a safe bet that pitchers Harrington, Delano, Sweet, Hanley and Lynch, who have signed with big company will be pretty thoroughly tried out. Those in other positions who go or are signed up to big league clubs are outfielders Duggan, Black and Perley; infielders Callahan, Pinkerton, Fryon, B. Conley and New tune; catchers McGovern, Fitzgerald and Cannon. These men had

ALL BEEN LOOKED OVER

for some time last season by scouts such as Messrs. O'Brien, Seybold, Farrell, Burke, Mills and others, and their good and bad qualities have been pretty well sifted. The annual meeting of the N. B. & Maine League was postponed on account of sickness of the secretary, Mayor W. S. Hodder of Fredericton, president of the league, will, it is said, call it before the new year. Many rumors are afloat as to the formation of the league for next season. One thing is sure, St. John and Fredericton are all ready and willing. With this as a starter, the league should and no doubt will be in operation again and what's more under protection. One thing for the success of the league is

TO ORGANIZE FIRST

and too much time should not be allowed to slip by; as to my knowledge many people who like the game and are willing to go just as far financially may, if the organization of the league is left too long, be tied up in some other sport or venture, and before the various organizers know it they will be tied up, so far as a league is concerned, for the year to the disappointment of thousands and a setback to the game.

JOE PAGE.

OTTAWA COLLEGE DEFEATED MCGILL

New York, Jan. 5—Ottawa College defeated McGill University in a fast hockey game here last night by a score of 4 to 3. Nagel played a notable game, scoring two of Ottawa's tallies. Rankin, a 200-pounder, towered above everyone else on the ice, and was a veritable bulwark for McGill. Despite his enormous size, Rankin was fast and his shots had accuracy and terrific drive.

Toward the end he began to rip things up, but Billy Russell stopped him by sending him to the side lines for five minutes for slashing. When he returned he was much chastened. Hughes, the McGill point, was a frequent offender and brought down on himself two-minute penalties for tripping.
