"LIKE MAGIC"

NEW FOOD MAKES WONDERFUL CHANGES

When a man has suffered from dyspepsia so many years that he can't remember when he had a natural appetite and then hits on a way out of trouble he may be excused for saying "it acts like magic."

When it is a simple, wholesome food instead of any one of a large number of so-called remedies in the form of drugs, he is more than ever likely to feel as though a sort of miracle had been performed.

A Western man in the delight of restored digestion, puts it in this way: ...

"Like magic, fittingly describes the manner in which Grape-Nuts relieved me of poor digestion, coated tongue and loss of appetite, of many years standing."

"I tried about every medicine that was recommended to me, without relief. Then I tried Grape-Nuts on the suggestion of a friend. By the time I had finished the fourth package, my stomach was all right and for the past two months, I have been eating with a relish anything set before me, that is something I had been unable to do previously for years."

"I am stronger than ever and I consider the effects of Grape-Nuts on a weak stomach as something really wonderful. It builds up the entire body as well as the brain and nerves." Name given by the Canadian Postum Co., Windsor, Ont.

"There's a reason" and it is explained in the little book, "The Road to Well-being," in pkgs.

Ever read the above letter? A new one appears from time to time. They are genuine, true and full of human interest.

of a well-known and respected farmer. The horse was bought and paid for cash down in this city a year ago, being sold by a former well-known resident now in the Northwest. The farmer knew nothing about there being a bill of sale on the animal and, received no notice, the first intimation he had being the arrival of the police.

SHIP-BUILDING—John Gibson has men at work at the mouth of the Nashwaak laying the keel of the largest schooner yet started by him. It will be 133 feet keel being ten feet longer than the last one he built. She will have three masts. A small schooner will be put up also so this place will be quite busy during the summer. John Tennant of St. John is the builder. His former efforts in this line have been much appreciated by Mr. Gibson. (The schooner referred to was the Fred H. Gibson which for some years was engaged in the Atlantic coasting trade. She was the last vessel built in this vicinity.)

SNAKE DANCE—There was a snake dance at the Normal School last week that was not on the timetable. A snake wriggled out of a case as Mr. Brittain was handling some plants. Although Mr. B. did not yell, the pupils took his snake ship to be an intruder.

HORSE RACES—A large crowd attended the Queen's Birthday races at the Trotting Park, where some good sport was witnessed. The first race was between N. Kierstead's Morris pacer, Charles White's Columbus, Joseph Kierstead's Lee Robbie and George Gunter's Frank. This was a good race all through and it was for blood from the start. N. Kierstead and Charles White drove their pets while George Ross guided Lee Robbie and for the first heat Hugh Calder sat behind Frank. Columbus won the first low heats, closely followed by Lee Robbie. D. J. Stockford then got behind Frank and shoved him up well to the front but N. Kierstead had got tired of fooling and put his pacer ahead in the next three heats, taking the race. The race was in half-mile heats but three in five, and the time 1:26. Jas. Farrell's pacer, driven by the owner, defeated D. F. George's Allright in three straight heats, best time 1:17. In the third race J. M. Wiley's Claymo defeated Alex. Gibson's Nellie, after five heats had been trotted. Wm. Dunbar revived the old ringer with his record of 2:27, while D. J. Stockford drove Nellie. Messrs. Thompson, H. McKee, Flewelling, M. Tennant and Tibbitts occupied the judge's stand and gave every satisfaction.

POPULAR CATERER—The Ottawa Citizen says respecting the House of Commons Restaurant that since the opening of the present session the restaurant has been under the control of F. B. Coleman the popular proprietor of the Barker House, Fredericton, N. B., Mr. Coleman has decided to give up the position of caterer to the members and the course of a few days he will leave for home. Mr. Coleman's newly formed Ottawa friends will wish him all possible success in the future.

SAMUEL NAPIER—An Edmundston correspondent writes—"Samuel H. Napier was here a few days last week. Mr. Napier and brother were the ones who in May 1858 unearthed the great gold nugget in the Bendiz District, Australia. The said nugget weighed 140lbs, 5oz., 3 dwt., 23 carats. (The story of Mr. Napier and his famous nugget is familiar to many residents of this locality. Mr. Napier after exhibiting his find in England disposed of it to the Bank of England for a good figure. It supplied the gold for 10,000 sovereigns. On returning to New Brunswick Mr. Napier was elected to the legislature for Gloucester. He later had financial reverses. Up to the time of his tragic death in a lumber camp on the Gatineau River some years ago he travelled in hard luck."

TWELVE YEARS HORRIBLE TORTURE

Ontario Lady Suffered Tortures for 12 Years with Burning Eczema. "Fruit-a-tives" and "Sootha-Salva" Completely Cured Her.

MISS LAURA E. MATTICE

NEWINGTON ONT., Jan. 21st, 1913.

"I was a dreadful sufferer from that awful complaint Eczema, or Salt Rheum, and this trouble bothered me for about 12 years. My hands and arms were chiefly attacked, and the pain and irritation were terrible. I consulted several doctors and tried every remedy I heard of, but nothing did me any good. Last June, when in Ottawa, a friend asked me to try 'Sootha-Salva' Ointment and to take 'Fruit-a-tives' at the same time. I had little hopes that this would be any better than the other remedies, but after I had taken two boxes of 'Fruit-a-tives' and used one box of 'Sootha-Salva', I was entirely cured and all the irritation and annoyance left me. My hands have been, ever since, perfectly free from the Salt Rheum, and I have had no return of the disease. I look upon the cure as wonderful, inasmuch as no physician was able to cure me, and I had tried every remedy that I had been told about, yet without the slightest benefit, until I used 'Sootha-Salva' Ointment and took 'Fruit-a-tives'. 'Fruit-a-tives' cooled the blood, and practically relieved the disease and the Ointment completed the cure. I cannot sufficiently thank the proprietors of these medicines for my relief and I make this statement with the hope that some sufferers from Chronic Eczema or Salt Rheum, will read my testimony and try this wonderful ointment and 'Fruit-a-tives', and get well. No one can estimate the torture of this terrible disease who has not suffered from it, and I want the good news, that a remedy has been found, to be known everywhere."

(Miss) LAURA E. MATTICE

"Fruit-a-tives" and "Sootha-Salva" will cure any case of Eczema, no matter how severe or how long you have suffered. Eczema is caused by impure blood, chronic indigestion, constipation and nervousness, but there is usually a tiny parasite or germ which attacks the skin and causes the burning and itching. "Fruit-a-tives" removes all impurities from the blood, tones up the stomach, improves digestion, and regulates the bowels. "Sootha-Salva" kills the germs of Eczema, allays the burning and inflammation, and stops the intense itching. If you are suffering with Eczema, no matter what you have tried for it, take the advice of Miss Mattice and use the wonderful combination of "Fruit-a-tives" and "Sootha-Salva".

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50, trial size, 25c. "Sootha-Salva" is 50c box. Sent on receipt of price by Fruit-a-tives Limited, Ottawa.

NO BULLDINGDON BLIND FOR PRINCE OF WALES

London, May 27—The young Prince of Wales has just received a reminder that although as Oxford's student he rejoices in the appellation of a man, his mother at least looks upon him as subject to material rules. When the Prince went to the Varsity he was anxious to join one of the other clubs which confer a certain sort of distinction to a favored undergraduate. One of the most famous of these is the Bullingdon Club, in which the membership indicates exceptional popularity among the youths of Varsity. Of course, this was open to the Prince as any other would be.

He had a certain amount of difficulty in getting his parents' permission to join the Bullingdon Club, and eventually only to obtain it on the understanding that he never would join in what is known as a Bullingdon blind, (a euphemistic phrase for an evening of drink and song. Unluckily the Prince was persuaded to participate in one of these blinds a few weeks ago, and the report of his having succumbed to temptation was not long in reaching his Royal parents, with the result that the Prince was directed by telegram to remove his name from the Bullingdon list. The telegram came from Queen Mary.

Probably the Prince will find consolation in the fact that he is now the owner of a motor car. He has long cherished the wish to possess one. The King only assented on condition that he first become a thoroughly efficient driver and acquired a sound knowledge of the mechanism of automobiles.

The Prince has now proved his proficiency and a large power car was delivered to him at Oxford last week. He drove it to London and took Princess Mary on a trip on Sunday. Several times he opened the throttle and went at full speed, to his sister's delight. The Prince afterwards motored back to Oxford.

Had Weak AND Dizzy Spells.

Those feelings of weakness, those dizzy spells and "all gone" sinking sensations, which come over some people from time to time, are warnings that must not go unheeded.

They indicate an extremely weakened condition of the heart and a disordered state of the nerves.

One dizzy spell may pass off, but the next may be more serious.

Those who are wise will start taking Milburn's Heart and Nerve Pills, before their case becomes hopeless. They have no equal for reviving and strengthening the heart, and invigorating the nerves.

Mrs. A. E. Martell, Rockdale, N.S., writes:—"I was troubled for a long time with my heart, had weak and dizzy spells, could not sleep, and would have to sit up the greater part of the night. At last I got a box of Milburn's Heart and Nerve Pills and they did me so much good I got another, and after taking it I could sleep as well as before I was taken sick. They are the best medicine I ever heard of for heart or nerve trouble."

Price, 50 cents a box; 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
