HORSE NEWS OF
THIRTY YEARS AGO
HAS INTERESTING ITEM

Little Maud, Dam of Minotta Which
Raced Here Several Times, In
Race at Amherst

(Amherst News)

The Maritime Sentinel of May 27th, 1880 is rather a bright newsy paper and contains a number of very interesting items of thirty-three years ago.

The Queen's Birthday had been just celebrated in Amherst and the chief attraction of the day was "the horse racing at the driving park." The track, the Sentinel reports, "was in first class condition, the judges were Rollo Ford of Kings County, N. B.; James A. Dickey and Amos B. Etter and Charles W. Moffatt acted as the distance judge. In the three minute race Harry Baker, owned by Dr. Baker, won in three straight heats. J. R. Lamy's "Little Maud" won the second prize and George Ford's "Black Bess" captured the third prize. In the trotting race for three-year-old colts, "General Knox," owned by Nathan Anderson, won first money; E. Baker's "Startle" took the second money and A. B. Etter's "Telescope" took third place. In the race for three year old colts, best two out of three, half mile heats, "Palmer Boy," owned by Albert Dickson took first money; Jas. A. Dickey's "Minnie" took second and Robert Sharpe's "Parole" took third. There were from eight hundred to one thousand people present."

Little Maud was one of the fastest mares of the day. She was dam of Minotta which mare took part in a number of races on the Fredericton track. Minotta's driver was Wilcox.

FITCHBURG MAY GET
HAVERHILL FRANCHISE

Fitchburg, April 4—Daniel F. Clohecy, who holds the Haverhill franchise in the New England League, was in conference with Wesley W. Sargent, president and superintendent of the Fitchburg & Leominster and Fitchburg, Shirley & Ayer Companies, today over the telephone in regard to having the franchise transferred to this city.

Mr. Sargent, who is a real baseball fan, is eager to have the Haverhill team come here, and stands ready to offer some good inducements. He said this afternoon that he had offered the use of the grounds at the driving park for a term of years free if the team is transferred here and he saw no reason why a large number of season tickets could not be disposed of.

MONTREAL SUBSTITUTES
BIRCH FOR JACK FROST

(Montreal Herald.)

There's something in a name after all.

Pitcher Jack Frost, the lanky boxman who the Royals bought from Cincinnati a few days ago, has already been let go. The reason given is that he is nowhere near condition. The vacancy has been filled, however, by the purchase of Pitcher Birch from the same club that furnished Frost—Cincinnati.

Birch is a right-hander. He has been playing outside somewhere on a Cincinnati lease.

President Lichtenhein said this morning that the waiver difficulty over Miller would probably be settled shortly and that he was practically certain to come to Montreal.

Frank reports today that Taylor and Sullivan have both turned up and look good and that Averett and Leclair are on the way in, so that the Royals' troubles are pretty well settled. President Lichtenhein predicts that we have "a regular ball team." He estimates that he has bought more new men this year than any club in the International.

NOYES JOINS SENATORS

Washington, April 4—Noyes, the Northwestern League pitcher, will join the Boston Nationals in Baltimore Monday. He has finished his examinations at Northwestern University in Chicago. He has been getting into condition there and is said to be in shape to go into the box.

Bob Neil is back at Memphis looking after the business details of the Gers stable.
A \$10,000 purse for pacers over a half-mile track is the latest.

CUBS' TRAINER RESIGNS
WITH JOLT TO EVERS' JAW

Blow is Climax of Contentious Training Trip, Semmons Resenting Manager's Insult—Johnny Has Been Showing Ill Temper All Spring, It is Reported

Chicago, April 4—Alleged dissension between Manager John Evers and members of the Chicago National League Club came to a head with the return of the team here today after a seven weeks' training trip, when trainer Semmons presented his resignation in the form of a blow to the manager's jaw.

The fight occurred just as the train was pulling into this city from Kansas City. The Journal this afternoon declares that the training trip has not been as harmonious as has been reported. Evers the Journal learns from persons who took the trip, has not been able to control his temper and there have been numerous minor squabbles.

The new manager is said to have been rather sharp in his criticisms and has engaged in feuds with newspaper correspondents as well as with members of his squad. While there were no open outbreaks the resentment was obvious, and Semmons brought the affair to a crisis today.

The fight started when Evers asked Semmons if he had ordered the

team to report for practice this afternoon. The trainer replied that he gave such instructions when instructed to do so by the manager.

At this Evers lost his temper and applied foul language to the trainer, and the latter replied with his fist. Evers fell over into a seat and the players ended the fray and prevented further damage.

Evers was not knocked out but was pretty well shaken up by the punch. He admitted using the language to which Semmons objected, but said that he did not mean it in the way the trainer took it.

Semmons left the squad at the railway station. He said Manager Tinker wanted him at Cincinnati and that he would sign a contract to train that team.

The Chicago club was scheduled to play a series of four games here with Indianapolis, beginning today, but today's game was postponed on account of wet grounds.

ATHLETICS AND PHILLIES IN
EIGHTEEN INNING DRAW

Brooklyn, April 5—Ethiopia Field the new \$750,000 home of the Brooklyn National League team, was formally opened today with a game won by the home team from the New York American Leaguers by the score of 3 to 2, in the presence of probably the largest crowd that ever saw an exhibition game. The spacious stands, with seating accommodation for nearly 25,000 persons, were packed to their capacity and there were many standers.

Both the rejuvenated leaguers under Frank Chance and Manager Dahlen's men fought hard all the way. Chance himself was in great form. Hal Chase, who made his big league debut as a second baseman, had little to do in the field. Home runs by Stengel and Daubert gave Brooklyn a 2 to 0 lead. In the ninth, with Allen pitching, the visitors tied the score on a pass, two hits and a wild throw. Smith's hits scored the winning run for Brooklyn.

Score: R.H.E.
New York Am. 0 0 0 0 0 0 0 0—2 8 1
Brooklyn Nat. 0 0 0 1 1 0 0 1—3 8 3
Batteries—Caldwell, Fisher and Sweeney; Rucker, Allen and Miller.

EIGHTEEN INNING DRAW
Philadelphia, April 5—The Philadelphia Americans and Nationals today played the longest inter-league baseball game in the history of the two major organizations. The contest was called at the end of the eighteenth inning on account of darkness, with the score standing 2 to 2.

Brown's Athletics' young right-hander, pitched the entire game and was hit safely only thirteen times. The Phillies used Alexander for

five innings, Chalmers two, and Brennan eleven. They allowed the former world champions a total of only ten hits.

Counting today's contest the teams have played five games, the Americans winning the first four. Manager Doolin left the game at the end of the seventh inning having been notified that his brother had died at Muncie, Ind.

Nationals—0000000020000000—2 13 1

GIANTS 12; BALTIMORE 3.
Baltimore, April 5—The New York Giants easily defeated the Baltimore Nationals today by a score of 12 to 3. In the five innings Tesreau pitched he struck out seven men and did not allow a run. Roth also struck out seven men in five innings.

Lester was anxious for a longer go, but as his first desire is to make a showing he took what he could get.

CHAMPS, PAST
AND PRESENT, TOOK
PART IN BENEFIT

Flood Sufferers' Fund Helped by Many
Ring Artists at New York Friday
Night

New York, N.Y., April 5—A crowd of 2,000 persons, several hundreds of whom were women, attended the flood sufferers' benefit Friday night, at the 22nd Regiment Armory, held by the New York State Athletic Commission and besides helping to swell the fund, they saw many boxers, champions of the past and champions of the present and old-timers who have long since forgotten all they ever knew about boxing gloves, perform in the ring.

There was Jack McAuliffe and Freddie Welsh boxing three short rounds, and "Brooklyn Jimmy Carroll" beat the rumor that he was dead by refereeing the bout. Kid McCoy took on Frank Moran and Tom Sharkey edged them on, trying to make it a real battle. Tom was referee. Terry McGovern and Young Corbett shaped up in three rounds, Abe Attell refereeing. Bob Vernon was third man while George Munroe and Patsy Haley exchanged wallops.

Ernest Roeber wrestled Tom Jenkins and Billy Muldoon refereed. Peter Maher strove strenuously to put one over on Fred McKay without success, Warren Barbour refereeing. Jack Britton and Young Otto with Jim Buckley as arbitrator, put up a bo that was a real sizzler.

Joe Rivers, the little Mexican, sparred three one-minute rounds with Abdul the Turk. Luther McCarthy appeared in the ring with Al Norton his sparring partner. Gunboat Smith was introduced as the heavyweight champion of the world and if any dispute his claim he is willing to meet him. Smith boxed with Billy Leach, the ex-cop.

Joe Jeannette appeared with Bob Armstrong. This bout was refereed by Martin Julian, the former brother-in-law of Bob Fitzsimmons. Joe Bernstein and Kid Grillo did their usual act.

SPORTS OF
ALL KINDS

When Tom O'Rourke starts back from Paris this week he will bring with him and Al Palzer a French middleweight named Jules Duborg. The veteran manager of boxes believes that after Duborg has had a few scraps in this country, he can go back to Paris and trim all the middleweights in that country.

No wonder Charley Doolin has sent out a hurry call for Eppa Rixey. The Phillies are acting much worse than they look on paper.

When Al Palzer returns to this country he probably will be matched to box "Gunboat" Smith in New York.

A French promoter offers a \$9000 purse for a bout between Frank Klaus and Jeff Smith but the boxers cannot agree on the weight.

J. F. Pineo has been elected Captain and H. McG. Stewart business manager of Dalhousie's football team for the season of 1912.

Coach Stagg of Chicago University is having a concrete curb put around the new cinder path at Marshall Field. Including the new concrete grandstand, \$200,000 is being expended on the Varsity athletic field.

It has been remarked that John McGraw has been mellowing in recent years. One sign has been his improved standards of sportsmanship in ball games, and another was his making up with Ban Johnson after a period of serious enmity. Now we have another instance, "Mac" and Charley Frank of New Orleans have patched up a truce after a seven-year war. The pipe of peace was smoked when the Giants and the Pelicans played an exhibition game recently in New Orleans.

HOOF PRINTS

Word comes from the Hudson River Valley that R. T. C. will get to the races this year.

Major Mallow, 2,031, has started in 102 races and in only 13 has finished behind the money.

John H. Shults has sent the 2-year-old brother to Miss Stokes, 2,081, to Johnny Dickerson. Billy Andrews will remain in Georgia until late in the Spring and will then ship to Cleveland.
