MISS MORGAN - York St.

For Two Years SUFFERED SEVERE PAIN IN THE BACK.

Many people fail to under and the significance of a lame, weak, sore or aching

affected in some way.

Take notice to the warning and cure the backache on the first sign, for if you don't do this, serious complications are sure to arise, and perhaps develop into Dropsy, Diabetes or Bright's Disease, the three most deadly forms of kidney trouble

Doan's Kidney Pills go right to the seat of the trouble, cure the back and prevent any further trouble from the kidneys.

Mrs. D. J. McInnis, Carleton, P.E.I., writes:—"For two years I had a severe pain in my back. I was so bad that when I would stoop down I could not straighten up for quite a time. I got a box of Doan's Kidney Pills and they helped me so I kept or using them until I had used three boxes, and now I am completely cured. I think they are the only remedy for disordered kidneys."

Doan's Kidney Pills are 50 cents a box, 3 boxes for \$1.25, at all dealers, or mailed lirect on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

Drapery is a feature; of all gowns and is very beautiful, that following the diagonal lines being most used. Trains of different shapes and lengths are still a part of the conventional dinner gown. The newest train is cut square, although there are also many pointed trains. Dumay has invented an ingenious way of hooking up the train when dancing, so that it seems naturally draped in a cascade effect, as a part of the gown. The old method of having a loop on the end of the train is both 'ugly and troublesome.

Once upon a time the sleeve ruled the world of fashion; today it is ignored. The sleeveless gown or wrap is spoken of, which means that if a piece of lace or drapery somewhere in th? vicinity of the shoulder should resemble the sleeve it is accepted as such, but trouble is not even taken to make the two sleeves of the same gown alike. enough one arm boasts of a sleeve, while the other has none.

"What a Charming Surprise"

You will say when you see our New Wall Papers for 1913.

A surprise because we can show you some decorative effects,

which you could hardly realize could be produced from Wall

Papers. A surprise to learn how very small the cost of such deco-

rations would be. A still greater surprise when these papers are

hung and you find what a beautiful home they have made for you.
