A. MURRAY & COMPANY

For Two Years SUFFERED SEVERE PAIN IN THE BACK.

Many people fail to understand the
significance of a lame, weak, sore or aching
back.

When the back aches or becomes weak
it is a warning that the kidneys are
affected in some way.

Take notice to the warning and cure
the backache on the first sign, for if you
don't do this, serious complications are
sure to arise, and perhaps develop into
Dropsy, Diabetes or Bright's Disease, the
three most deadly forms of kidney
trouble.

Doan's Kidney Pills go right to the
seat of the trouble, cure the back and
prevent any further trouble from the
kidneys.

Mrs. D. J. McInnis, Carleton, P.E.I.,
writes:—"For two years I had a severe
pain in my back. I was so bad that
when I would stoop down I could not
straighten up for quite a time. I got a
box of Doan's Kidney Pills and they help-
ed me so I kept on using them until I
had used three boxes, and now I am
completely cured. I think they are the
only remedy for disordered kidneys."

Doan's Kidney Pills are 50 cents a box,
3 boxes for \$1.25, at all dealers, or mailed
direct on receipt of price by The T. Mil-
burn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

MODERN RUSSIA LOOKED BACKWARD 300 YEARS

St. Petersburg, March 6.—Modern
Russia looked backward 300 years
today and bowed low to the mem-
ory of Michael Feodorovitch, the
first of the Romanoffs to occupy the
imperial throne. Today was the three
hundredth anniversary of his acces-
sion and it was observed with im-
pressive religious services through-
out the empire. Later in the year
the tercentary is to be celebrated
with elaborate fetes. The imperial
family will make a pilgrimage to
Kostroma, where the imperial crown
was tendered to Michael in 1613,
and to Nizhni-Novgorod, Yaroslavl,
Moscow and several other cities and
towns intimately associated with
the early history of Russia.

GRANDSON OF SIR HUGH ALLEN WEDS

London, March 5.—A wedding today
of interest to Anglo-Canadian So-
ciety was that of Miss Margery
Bruce, daughter of the late Captain
Bruce of Waterlooville, Hampshire,
and Captain H. H. Gibson, who
is a grandson of the late Sir
Hugh Allan of Montreal, founder of
the Allan Steamship Company. The
wedding took place in the old and
picturesque Denmead Church in Hamp-
shire.

Notice of Legislation

Notice is hereby given that appli-
cation will be made at the next
session of the Legislative Assembly
(A. D. 1913) for the passage of an
Act to amend the Act 2 George V,
Chapter 109, incorporating the St.
John River Hydro-Electric Company
(a) increasing the bonding privileges
from \$3,000,000 to \$4,500,000 (b) en-
larging the time by one year for
the commencement and completion of
the Company's works and for other
purposes.

FADS AND FASHIONS

(Continued from page two.)

shoulder seam on top but run down
to a point at the belt. In other
cases an overblouse, cut very low
back and front, falls from the shoul-
der in a wide open armhole all the
way to the hips. The underblouse
worn with this is of a different mat-
erial and has its own armhole about
three inches below the usual shoulder
seam. Chinese sleeves are also shown
in certain rather sensational models
of an extreme type.

Broadcloth is finding a place in the
season's new designs in combination
with silk or satin. Several of the
short jackets shown are in broad-
cloth. One model has a skirt of
oyster satin trimmed with the broad-
cloth. This order is reversed in an-
other model. In still another model
the coat is of blue broadcloth trim-
med with brick-red, one of the con-
spicuous new shades, while the skirt
is of blue radium pompadour silk,
printed with designs in which the
brick-red predominates. The skirt
has a triple flounce of the silk and a
long panel of the cloth.

This radium pompadour is really a
new finish of foulard. It is supple
in quality, comes in the new color-
ings, and is well adapted to the
draping so universal in silk costum-
es.

Crepe de Chine underwear is prac-
tical as well as pretty, for a good
quality of Crepe de Chine washes as
well as muslin. There is a growing
use of this sort of underwear. It
is sold now in pink, blue and white.
It is all trimmed with lace, some of
it elaborately. Crepe de Chine petti-
coats are ideal because of their light
weight and clinging softnesses. They
are generally finished at the bottom
with a pleated flounce of wide lace.
Some of them show an insertion of
lace five or six inches wide and a
hem of the crepe below the insertion.
The more elaborate petticoats are
trimmed with ribbon and chiffon
rosettes and tiny artificial flowers.
Some of the combinations and chem-
ises of Crepe de Chine are simply
made, and these are especially ser-
viceable. For the woman who is
traveling they are a boon indeed, for
they can be worn without being iron-
ed. Hung up damp, their own weight
smooths them from wrinkles.

Striking Bulgarian effects are seen
in buttons, as well as other trimm-
ings. The rich colors show off to
special advantage in contrast with
clear crystal. The new styles are
strikingly original in shape, color
and combination. In addition to the
Bulgarian effects there are crystals
with Pompadour floral decorations,
clear and delicately colored crystals
with quaint settings of rhinestones
and some cup-shaped crystals in col-
ors with clear crystal centers and
black and white striped effects. A
striking novelty in a flat four-holed
clear crystal has a black center, from
which radiate tiny bead-like spokes.
A gold rim surrounds the black por-
tion and decorates the edge.

Bulgarian crochets in ball and
semi-ball designs are worked in novel
knot stitch with a central floral de-
coration in rich Bulgarian colors. A
button of this kind would transform
the plainest gown into one of dis-
tinction. Cotton crochets in white
and champagne will be used on dres-
ses of linen, ratine and similar mat-
erials. A novel ratine button which
is made of atine arranged in sec-
tions and joined together, will also
be used on ratine dresses.

Rhinestone stud buttons in cluster
effects of three, either in bar or
triangle shape, and also rhinestone
in combination with pearl will be
widely used.

Among the novelties are painted
china buttons in designs of minia-
ture roses, pansies, forget-me-nots
and lilies of the valley. Delft blue
and heliotrope are among the favored
color combinations. Another inter-
esting novelty button which springs
from the oriental fashion is an old
gold or silver ball button in filigree
work.

Skin Diseases ARE PAINFUL AND UNSIGHTLY.

Among the most prevalent are Salt
Rheum, Eczema, Tetter, Rash, Boils,
Pimples and Itching Skin Eruptions.

These troubles always arise from the
blood being in a bad condition and it is
absolutely impossible to eradicate them
from the system unless you put your
blood into good shape. This you can do
without the slightest trouble by using
Burdock Blood Bitters.

It drives out all the humor from the
blood, and makes it pure and rich. Thou-
sands of people have used it during the
last thirty-five years and have been cured.
Mr. Robert Gamble, Jones Falls, Ont.,
says:—"I write with the greatest of
pleasure to recommend your great blood
purifier, Burdock Blood Bitters. My
wife and I had itching sores on our face
and ears, and tried everything to help
them, but found no relief. We saw your
B.B.B. advertised and got a bottle, and
before it was half gone we both were
getting better, and when it was all gone
we were cured."

Burdock Blood Bitters is manufactured
only by The T. Miburn Co., Limited,
Toronto, Ont.

YES

A few minutes after Zam-Buk is applied to a cut, a
burn, a scratch, or any sore place, the pain is stopped.
Mothers should never forget this, because it is one
reason why Zam-Buk is the best thing for children's in-
juries. It stops their crying and gives them ease. Right
from the instant of application healing begins, and
Zam-Buk heals quickly. Note these statements from
reliable persons, some of whom you may know.

Baby's Sore Healed.—

"My baby girl had a bad sore on her chin, which was very painful, and
caused her to be very restless. We put on some Zam-Buk, and in a wonderfully
short time it gave her ease. In a few days the sore was completely healed."
Mrs. E. COCKER,
Yorkton, Sask.

Rusty Nail Pierced Finger.—

"I ran a rusty nail under my thumb nail while at work. The pain was
terrible and I feared blood poisoning from the dirty, rusty nail. I melted some
Zam-Buk and ran it into the wound, and it stopped the pain almost instantly.
It kept away inflammation and in a few days the wound was quite healed."
MR. A. H. ORR,
Shipley, Ont.

A Bad Burn.—

"In moving some wood in the stove, I burned my thumb very badly. In a
few minutes it was covered with a big white blister, and the pain was very bad.
Zam-Buk was applied, and in quick time it gave me ease!"
H. E. JENNER, Organist, Carman, Man.

Take this Advice:

If you have some sore place, some skin disease, some cut, or burn or ulcer,
why continue to suffer pain? Every hour you suffer is an hour wasted. You
cannot do your best work in pain; you cannot enjoy your leisure. Zam-Buk
saves far more than it costs, by saving you time in this way.

Zam-Buk is a "short cut" to skin healing. There is nothing which acts so
quickly and so surely. Use it for all skin injuries and diseases, Eczema, Ulcers,
Blood Poison, etc., and for Piles. All druggists and stores, 50 cents a box, or
post free from ZAM-BUK Co., Toronto, for price. Refuse harmful imitations.
