

# OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

## IS MARRIAGE FEE SPECIES OF "GRAFT"?

The marriage fee has been denounced as graft, not by one smarting under the necessity of paying it, but by one accustomed to receiving it, says Leslie's Weekly. The Rev. Almer Pennewell, rector of the Euclid Avenue Episcopal Church, of Oak Park, Ill., more fees for such service, holding that since the Church insists that marriage is a church rite it should make it free to all. The minister who does not need a fee, he thinks, should be ashamed to take it, while if he really needs such help it is the turn of the church to be ashamed and promptly to raise his salary.

But is he altogether just to his fellow clergymen when he says they stand at weddings with an open hand behind them? There is no compulsion in the matter of wedding fees. If a high, fixed price were established which discouraged marriage and encouraged immortality, it would be another question altogether. Such is not the case. Every one pays what wishes, and sometimes nothing at all. It may be asked, Are clergymen competent to pass upon a matter of this sort? As everyone knows, marriage fees in many churches go to the minister's wife. Has the dominie a right to give up what doesn't belong to him? Provided he is a single man, the Rev. Mr. Pennewell is quite competent to say that he will no longer take wedding fees, but let him not encroach upon the time-honored privilege of the mistress of the manse.

## TOURISTS HAD TROUBLE GETTING TO FREDERICTON

(St. John Times)

Five young ladies who left their homes in the United States to enjoy the cool breezes of the St. John river for a few weeks, boarded the Prince Rupert this morning and just before the steamer left her wharf got up sufficient courage to ask a fellow passenger of the opposite sex, how long it would take to cross to Fredericton.

Being informed that they were on the wrong boat, the fair group left the steamer and boarded a street car. On arriving at the head of King street they alighted from the car and asked the conductor what car to take going to the Fredericton boat. He, supposing they wanted to take in the beauties of the square and knowing they would have ample time, told them to take the next car coming in the same direction. They arrived at Indian town in plenty of time and boarded the steamer D. J. Purdy bound for the celestial city. The Purdy however met with a slight accident about the middle of Grand Bay this morning when a steam valve on the engine blew out and the boat had to return to her wharf where she is now being repaired and it is hoped she will be able to make the trip tonight. Meanwhile Fredericton is yet a pleasure unrealized for the fair tourists.
