McMURRAY &amp; COMPANY

TROUBLED WITH KIDNEYS  
COULD NOT SWEEP FLOOR.

It is hard for a woman to look after her household duties when she is suffering from a weak and aching back, for no woman can be strong and well when the kidneys are out of order.

The weak, lame and aching back comes from sick kidneys and should be attended to at once so as to avoid years of suffering from the kidney trouble which is sure to follow if the back is neglected.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken. They go right to the seat of the trouble.

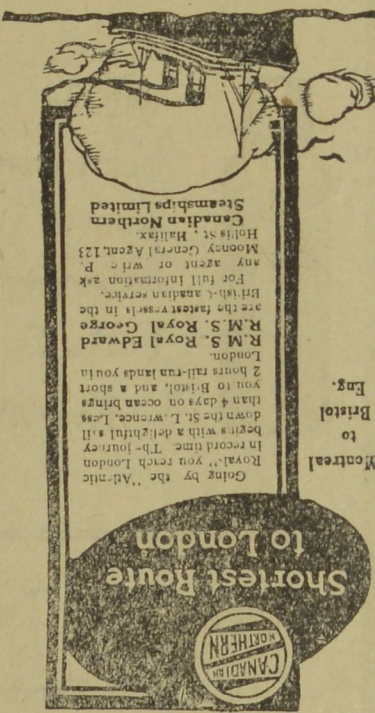

Mrs. Joseph Throop, Upper Point De Butte, N.B., writes:—"I cannot speak too well of Doan's Kidney Pills. For two years I was so tired, life was a burden and I got up more tired than when I went to bed, and my back was so lame I could hardly straighten up. I took different kinds of medicine, but none of them did me any good until a friend advised me to try Doan's Kidney Pills. I did so and to-day I don't know what it is to be tired and my lame back is all gone. I can recommend them to any person suffering with lame back and that terrible tired feeling."

Price, 50 cents a box, 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

E. A. Perkins, who has been made chief of the Bureau of Inspection of the State of Indiana, has resigned as president of the State Federation of Labor of that State, a position which he has held for several years. He also resigned as president of the Indianapolis Typographical Union.

This is the greatest building season in fifteen or twenty years, according to Frank Duffy, secretary of the United Brotherhood of Carpenters and Joiners of America. Mr. Duffy says there is more carpenter work in the country than there has been for years and less trouble between employers and employees.
