

ENJOYING THE BEST OF HEALTH

"Fruit-a-lives" Cured His Rheumatism

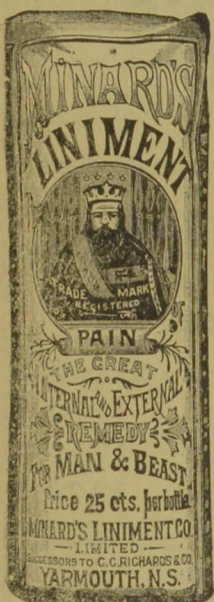

Prof. J. F. Davis
563 Church St., Toronto.

I want to say to the people of Toronto and elsewhere that "Fruit-a-lives" is my only medicine and has been for the last four years. Previous to that, I had been very much troubled with Rheumatism and Kidney Disease, and had taken many remedies as well as employing hot applications of salt bags etc., without getting satisfactory results. Noticing the advertisement of "Fruit-a-lives", I adopted this treatment altogether and, as everybody knows, since taking "Fruit-a-lives", I have been enjoying the very best health and find it a pleasure to follow my vocation of Dancing and Department Instruction.

Prof. J. F. Davis, the celebrated teacher of dancing and deportment in Toronto, is quite frank in stating that "Fruit-a-lives" alone cured him of distressing Rheumatism and Kidney Trouble. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

"Everywoman" has been breaking all the records in the south.

INDIANTOWN RUMORS OF THE RIVER SERVICE

(St. John Globe.)

Although there is little or no activity apparent around Indian town, the steamship men are making preparations for the opening of navigation on the river. Several changes will in all probability take place before that time.

At a meeting of the Kennebecasis Steamship Company, held in Hampton a few days ago, it was decided to sell the steamer Hampton at public auction. The sale will take place around the latter part of this month.

Several offers have been made by steamship men for the three steamers, namely, the Hampstead, Elaine and Victoria, owned by the St. John River Steamship Company. Up to the present time none have been accepted. If any of the offers are accepted, it is very likely that it will mean the advent of a new company on the river, as they are being made by men representing syndicates.

Considerable progress is being made with the steamer Oonce, which was sawed in half and is being lengthened. The owners also intend to install a larger and better boiler. There is some talk of her being put on the Fredericton-Gagetown route next spring.

Many of the steamship men about Indian town are of the opinion that a fast boat would be a good paying proposition on the St. John-Fredericton route. It is reported that the Crystal Stream Steamship Company contemplate purchasing such a steamer and will have her here before navigation opens.

HONORED MEMORY OF CHARLES DICKENS

London, Feb. 7.—The grave of Charles Dickens in Westminster Abbey was elaborately decorated with flowers today in commemoration of the 101st anniversary of the author's birth. Many pilgrims visited the tomb and the numerous Dickens societies throughout the United Kingdom celebrated the day.

A yearly salary of \$7,500 is paid to the president of the Teamsters' International Union.

"CASCARETS" FOR A SICK, SOUR STOMACH

Gently Cleanse and Regulate Your
Stomach, Liver and Bowels
While You Sleep

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little sides need a good, gentle cleansing, too.

WHITLOCK'S CASE HAS BEEN ADJOURNED

St. Stephen, N. B., Feb. 6.—Owing to the illness of the attorney for the prosecution, J. B. M. Baxter of St. John, the case of the shareholders of the defunct St. Stephen bank against Julius T. Whitlock, former cashier, charging him with making false returns on two separate occasions to the government, was adjourned until Thursday morning, Feb. 13, at ten o'clock.

NEWS OF FREDERICTON TWENTY-ONE YEARS AGO

(From The Weekly Herald of February 6, 1892.)

WILL LECTURE—Mr. Edward Jack, C.E., will deliver a lecture on North Carolina in the hall at Marysville in the near future. Mr. Jack spent some time in that state exploring the lands and the lecture will be very instructive. (Mr. Jack was a well known civil engineer who made his home in this city. He died about fifteen years ago.)

THE WOOD TRADE—Owing to the fixed and high rate for the carrying of wood on the railways to this city the business has fallen off to a great extent. Parties who a few years ago imported 600 to 800 cords now buy what they can find near the city and have it hauled by teams. The price per cord ranges from \$2.75 to \$4.00. Good dry hard-wood brings the latter figure.

PRINCE WILLIAM RAILWAY—Many along the river are beginning to inquire if there is anything to be done respecting the Prince William Railway in the coming spring or if there is to be a complete shut down on this important route. Both sides of the river want the road and both are equally anxious that it should be built. There does not appear to be any prospect that work will be done on it this year but the road is not altogether a dead letter.

HOUSE CAT KNOCKED OUT—A peculiar fight took place at the premises of a Keswick farmer Tuesday evening. A wild-cat apparently starved out, came to the shed and attacked a large house-cat that was apparently sleeping there. After a struggle of five minutes the cat of civilization was literally torn to pieces. The young man who heard the row reached the scene in time to kill the forest denizen with a sled-stake.

SLEIGHING PARTY—A sleighing party captained by George Winter, went up to Capt. Hammond's, Kingsclear, Thursday night. They report a jolly time.

DRIVING PARTY—Master John Hatt gave his boy friends of Marysville and some of the Celestial youths a sleigh-drive on Saturday afternoon last. They made the city ring with their shouts as Wheeler's big four whirled them around the corner.

SMALL SALARY—It appears to be the general opinion that the salary of \$100 voted to the principal assessor is absurdly small. The statement is made that the work cannot be done for the wages and that the council at a subsequent meeting will reconsider the resolution and raise the salary to last year's figure.

CITY COUNCIL MEETING—The new city council held its first meeting on Tuesday evening and displayed a vast amount of energy, although many think they would do well to suppress it or turn it in a new beneficial direction. Aldermen Gilman and Vandine were absent on account of illness. Matters moved along in a general pleasant course until Ald. Macpherson jumped upon the salary of the assessor by moving that it be cut down to \$100. The motion passed in a twinkling. Then came the motion for appointment of principal assessor. W. J. Crewdson was appointed. Ald. Duffie nominated James Farrell but withdrew his nomination when told by Ald. Farrell he would not accept the office at the salary. Ald. Macnutt nominated A. S. Murray and the vote resulted in a tie, the mayor deciding in Mr. Crewdson's favor. G. A. Cliff, D. B. Barker and Michael Cooney were nominated assistant assessors and the two former were appointed at \$25 each.

HORSEMEN AFRAID—There are so many good horses in the city at present that there is very little speeding, all apparently being afraid of the two or three dark horses that have lately arrived. It may be as well to know that the Black Ghost, so far from being out of it, is being fitted especially for first place and the boys had better recognize at once that he is just as young as he used to be.

OUR BOYS DOING WELL—Robert Rushbrook of St. Mary's, who returned last week from Missoula, Mont., speaks in flattering terms of the success achieved by Fredericton boys in that town. He mentions particularly Wilfrid Burden and Peter Owens, the former of whom he says is averaging twenty-five dollars per week at the tonsorial business.

BURGLARS AROUND—The city has been entirely free from anything in the burglary line for the past six months but on Wednesday morning the butcher shop of Stanley Chase of King street, was found to have been entered and meats to the value of twenty dollars stolen. An entry had been made also into the blacksmith shop of Chas. Scully and taps, dies and bits taken. The tools were found Thursday morning at the York Street School, hidden away in the basement.

THE DEATH ROLL—It is with deep regret that we chronicle the death at Wolfville, N.S., on Thursday last of Goodridge Bliss Roberts, second son of the Rev. G. G. Roberts of this city. The young man, who was a universal favorite, had reached the age of twenty-two. Rev. Mr. and Mrs. Roberts went to Wolfville to see him but he died before they reached there. The body was brought home for interment.

PERSONAL—Dr. Moore of Stanley was in the city on Tuesday last. Rev. Mr. Payson returned from Upper St. Francis on Wednesday last. Wm. Richards of Boiestown, on Thursday last passed through the city en route to St. John. Joseph W. Bailey, son of Dr. Bailey of the U.N.B., is here on a visit from Boston. Robert Donaldson has had to step down from his locomotive for a few days, being ill with la grippe. Charles Gatecombe, hotel-keeper of Keswick, has been called to Grand Manan by the illness of his mother. Dr. McLeod is addressing meetings in St. John County in the interests of the temperance party prior to the Scott Act election.

OBITUARY—The Attorney General and Mrs. Blair were called to Halifax on Monday to attend the funeral of Rev. A. L. Wylie, Mr. Blair's brother-in-law. Mr. Wylie came to Nova Scotia in 1840 and was settled in the pastoral charge of London-derry Presbyterian Church. He at one time was stationed at Dorchester, N.B. He was three times married.

The receipts of the American Federation of Labor have grown from \$174 in 1881, to \$2207,373.60 in 1912. A modern Chinese trade union has recently been formed in Shanghai by about 3,000 goldsmiths and silver-smiths.

\$25.00 FOR A LETTER

CAN YOU WRITE ONE?

Thirteen Prizes To be Awarded in a Letter Writing Competition

Some years ago the Dr. Williams' Medicine Co., of Brockville, Ont., offered a series of prizes to residents of the Maritime Provinces for the best letters describing cures wrought by the use of Dr. Williams' Pink Pills for Pale People. Hundreds of letters were submitted in this competition, and yet there must have been thousands of other users of the pills who did not avail themselves of the opportunity to win a prize. To all these another letter writing competition is offered. Thousands of cures through the use of Dr. Williams' Pink Pills have never been reported. These will furnish the material for the letter to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

THE PRIZES.

The Dr. Williams' Medicine Co., of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 15th day of March, 1913, from residents of the Maritime Provinces, on the subject, "Why I recommend Dr. Williams' Pink Pills." A prize of \$10.00 will be awarded for the second best letter received; a prize of \$5.00 for the third best letter and ten prizes of \$2.00 each for the next best ten letters.

THE CONDITIONS.

The cure or benefit from the use of Dr. Williams' Pink Pills described in the letter may be in the writer's own case or one that has come under his or her personal observation. More than one cure may be described in the letter but every statement must be literally and absolutely true.

The letter should be no longer than is necessary to relate the benefit obtained from the remedy in the case described.

Every letter must be signed by the full name and correct address of the person sending it. If it describes the cure of some person other than the writer of the letter, it must also be signed by the person whose cure is described as a guarantee of the truth of the statement made.

The writer of each letter must state the name and date of the paper in which he or she saw this announcement.

Fine writing will not win the prize unless you have a good case to describe. The strength of the recommendation and not the style of the letter will be the basis of the award.

It is understood that The Dr. Williams' Medicine Co. shall have the right to publish any letter entered in this contest if they desire to do so whether it wins a prize or not.

The contest will close on March 15th, 1913, and the prizes will be awarded as soon as possible thereafter. Do not delay. If you know of a cure write your letter NOW. Observe the above conditions carefully or your letter may be thrown out.

Address all letters as follows:
THE DR. WILLIAMS' MEDICINE CO., BROCKVILLE, ONT.
Letter Contest Department.

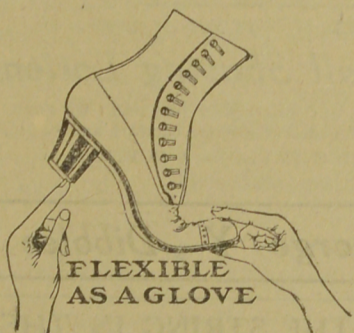

A total membership exceeding seventy-five thousand is claimed now by the Painters, Decorators' and Paper-hangers' Union.

The Dearest Watch To Own

Is the one you cannot depend upon.

A person without a watch at all might be happy—but not a person with a now fast, now slow, now stopped watch.

The point we wish to make is this:—When you decide to buy a watch, first of all decide to get it here.

Then decide to pay at least \$15.00 for it so that it will do you as long as you need a watch.

It's by far the cheapest.
