

I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove
That You Are Curable

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample" or "test" medicine, nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is indicated, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

DR. T. FRANK LYNOTT
who will send medicine to anyone
free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

These Are the Symptoms:

- 1-Pain in the back.
- 2-Too frequent desire to urinate.
- 3-Burning or obstruction of urine.
- 4-Pain or soreness in the bladder.
- 5-Prostatic trouble.

MORDECAI BROWN TO BE OPERATED UPON

Chicago, Feb. 6.—Mordecai Brown former star pitcher of the Chicago National League club and now of the Cincinnati team, will have his right knee placed in a plaster cast tomorrow in the hope of curing an injury sustained last summer in sliding to second base at the West Side Park. Examination of X-ray photographs of the joint showed that there is a rathering of water in that joint under the knee-cap. It is said the operation will not be a serious one and the pitcher has been assured that the joint will be in shape before the season begins.

RING NOTES

Harry Lewis will meet Jack Harrison, middleweight champion of England in London next month. Young Shugrue jumped into the top ranks among the lightweight boxers when he outpointed Leach Cross recently. March 7 is the latest date that has been named for the proposed bout between Packey McFarland and Jack Britton.

SHAKE-UP IN COLLEGE TEAM FOR CHATPAW GAME

U. N. B. to Play Again Monday—
Changes and Possible Changes in
Team—On Tour Next Week

The U.N.B. team which will go up against Chatham of the Arctic Rink Monday night will differ considerably from that which was beaten here by St. John a short time ago. A big shake up has been decided upon. Some new material will be put into the line-up and the players who remain on it will be shifted.

POSSIBILITIES FOR TEAM

The team probably will be selected today. The players who are in line on positions on it are as follows:—
Right wing, Pugh.
Left wing, Machum.
Centre, Hipwell or Lockary.
Rover, Barry.
Cover-point, Melanson.
Point, Bellevue or Feeney.
Goal, Jago or McGibbon.

The shift of Machum from point to wing will strengthen the forward line a division of the team which was weak in the last game. Either Bellevue or Feeney should put up a good game at point. For centre and goal there is pretty keen competition.

NOVA SCOTIA TONS

The team leaves on Tuesday night next on a tour in Nova Scotia on which King's and Acadia will be played in the Intercollegiate League. The team is to play King's at Windsor on Wednesday the 12th and at Wolfville against Acadia the next night. There has been some talk of making a change in the dates which would admit of one day coming between the two games but nothing toward that has been decided.

SOCIALS AND CUBS WON LAST NIGHT

Halifax, N. S., Feb. 7.—The Socials speed boys came back strong in Halifax tonight, defeating Moncton 10 to 5. The game was closely contested for two periods, the score at the end of the second being 5 to 5. The third session was all the Socials and the losing "Ves" never let up for a second but the Socials would not be denied. A large number of penalties were handed out, but there were no glaring offenses. NEW GLASGOW 8; CRESCENTS, 0. The "Cubs" administered an eight to nothing beating on the Halifax Crescents who were without the services of Scott, their fast centre man at New Glasgow. A great effort was made to keep the game clean by the officials, and only a few penalties were handed out, both teams avoiding rough work. The Crescents' chances of overhauling the leaders are now very slim.

Pitcher Walter Johnson will not take the training trip with the Washington team, but will report a couple of days before the regular season opens. Johnson never beads any preliminary training for he is always in the best of condition.

Krincille, H. J. Morgan, Fredericton.
Prince Louis, J. W. Smith, St. Croix.
Breezy Jane, Byron Brewer, Fredericton.
Star Todd, Roy W. Smith, Fredericton.
