"In the Case of MY Little Girl--"

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.

is certainly one of the most disagreeable ailments which flesh is heir to. Coated tongue—bitter taste in the mouth—nausea—dizziness—these combine to make life a burden. The cause is a disordered liver—the cure Dr. Morse's Indian Root Pills. They go straight to the root of the trouble, put the liver right, cleanse the stomach and bowels, clear the tongue and take away the bitter taste from the mouth. Could Not Sleep Well For Four Years.

HEART AND NERVES WERE BAD.

To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor with nerves unbinged, heart action wrong, and to whose eye sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound, refreshing slumber.

They restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart.

Mrs. Wm. Douglas, Thessalon, Ont., writes:—"I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me. I read of your Heart and Nerve Pills, and tried only a few boxes, and I can certainly say they did me a great amount of good. I can now sleep as well as ever, and can advise anyone who suffers from heart trouble to try them."

Milburn's Heart and Nerve Pills are 50 cents a box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

IMPORTANT JUDGMENT

(Continued from page five)

played in the City of Fredericton in government or county offices whose duties are necessarily performed in Fredericton, shall be exempt from taxation under this act." Sheriffs are appointed by the government, so are the justices of the peace. And in that sense both are government officers. The office of Sheriff is one of the important offices of the crown connected with the administration of justice. Sheriffs are however, not working for the government in the sense that a Clerk in the Crown land office is. Neither are Sheriffs County Officers, though their jurisdiction is limited as to area. The Municipality does not control or direct them in the discharge of their duties, unless they arise out of some contract, nor is it in any way responsible for their acts. They are not doing the work of the County as the County Treasurer or Auditor does who may properly be classed as County Officers. (Chap. 160, sec. 60) Neither are the duties of Sheriffs necessarily performed in Fredericton. It is very probable that a fair percentage of them are discharged without the City limits. It is I think clear that this provision of the Act was intended to meet the cases of members of the Government not residing in Fredericton and non-residents employed in the Government offices there and a similar class of County officials. The Sheriff of the County is not in my opinion, in either class.

APPLICATION REFUSED

This application must I think be refused with costs as provided in section 80 of the Assessment Act.

Before closing my remarks I deem it my duty to call attention to the careless, or at all events, the thoughtless manner in which the applicants affidavit has been drawn and for which the solicitor under whose supervision it was prepared cannot acquit the applicant himself cannot acquit the applicant himself of all blame. In an affidavit specially prepared for the purposes of this application, involving as it will be seen some nice questions as to the construction of a statute and the applicants liability, he is made to swear without any reservation, and without any necessity so far as I can see, that he never was at any time and was not then a resident or inhabitant of the City of Fredericton and that he never has been and was not then domiciled within that City within the meaning of "The City of Fredericton Assessment Act of 1907" or otherwise: that he had not changed his domicile and residence and that he had not become and did not intend to become a resident or inhabitant of Fredericton. This wholesale method of disposing of questions of law or of law and fact in an affidavit is so palpably improper that it carries its condemnation on its face. In addition to this, affidavits prepared and sworn to with so little care or consideration by those who ought to know better, are apt to be subjected to criticisms as to their reliability in reference to mere questions of fact, which under other circumstances no one would think of making.

The motion to quash the assessment will be refused with costs as provided in sec. 80 to be paid by the said William T. Howe and for the recovery of the same the Registrar will deliver the bond filed with him on obtaining the rule to the City Treasurer on request.

"What a Charming Surprise"

You will say when you see our New Wall Papers for 1913. A surprise because we can show you some decorative effects, which you could hardly realize could be produced from Wall Papers. A surprise to learn how very small the cost of such decorations would be. A still greater surprise when these papers are hung and you find what a beautiful home they have made for you.
