**TY COBB COMES
BACK WITH SHARP
REPLY TO NAVIN**

Says all He Has Been Offered is
Same Salary as He Received Last
Year

Augusta, Ga., April 16—"Mr. Navin's opening statement, in which he says discipline and not money is the important question at issue between us, is enough to queer his whole vicious attack upon me."

Outfielder Tyrus Cobb made this declaration tonight in reply to a statement by the president of the Detroit Club today. In the written statement Cobb terms as "final" his answer regarding his differences with the Detroit Club. Cobb's statement continues in part as follows:

"It seems that Navin has shifted around in his position. For several weeks past it has been a matter of money, of not being able to pay what I ask. All Navin has offered me is a contract calling for the same amount I received last year."

"He has certainly made me no other offers. In this connection, I wish to deny the statement that I am the best paid ballplayer in the world."

In regard to his failure to report for Spring practice, Cobb says: "Navin told me not to report for Spring practice, as I was a 'holdout.' Had I reported, I would have been required to pay all my expenses on the training trip."

**"HONUS" WAGNER
MUST UNDERGO
SECOND OPERATION**

Pittsburg, April 16—Manager Fred Clarke of the Pirates went to Youngstown, O., tonight with "Honus" Wagner, who must undergo another operation on his sore knee. This means that the Dutchman will not play in the opener here tomorrow, nor is it likely that he will be seen for a week at least. The crippling of Wagner is discouraging to Clarke. Wagner was very lame today and was unable to continue practicing. The possibility of the permanent retirement of Wagner has the Pittsburg fans just about as badly worried as Clarke is. The operation tomorrow may fix him up temporarily but it is feared that the Flying Dutchman will never be able to get wholly rid of the bad knee.

Boston, Mass., April 18—Tomorrow the seventeenth annual American Marathon race, over the twenty-five-mile course from Ashland to Boston, will be run under the auspices of the Boston Athletic Association. The race will be over the same course as in previous years and one of the largest fields that ever participated

in a distance run is expected to start.

Ever since the first of the B.A.A. Marathons the event has grown steadily in importance until now it is recognized as the premier contest of its kind in America. When the Olympic team, representing the United States, went to Athens in 1896, Americans knew little or nothing concerning distance running and were beaten decisively. The Boston Athletic Association noticed that there was a chance to have Marathon running come into prominence and its first event came April 19, 1897, which went to J. J. McDermott, a New Yorker.

Of late years the race has attracted runners from many sections of the country. In 1900 the event attracted the attention of Canadians and every successive year since then there has been an increased number of entries from across the border. J. J. Caffrey of Hamilton, Ont., was the winner in 1900. He turned the trick again the next year and is the only runner who ever repeated his victory in the classic event. Tom Longboat, wearing the colors of the West End Y.M.C.A. of Toronto, was the winner in 1907. Three years later Canada scored another victory, when Fred L. Cameron of Amherst, N.S., was the first to cross the tape. The fastest time ever made in the race was last year, when Mike Ryan, the famous long-distance runner of the Irish-American A. C. of New York, covered the distance in 2 hours, 21 minutes and 18 1-5 seconds.

Pitcher Jack Coombs, sent home from Washington sick with the grippe is slightly improved, but he does not expect to be able to pitch for a week at least.
