## I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable

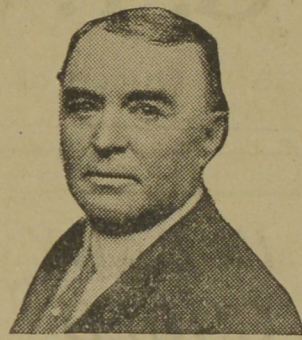

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample" proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give elsewhere some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 80 Franklin Building, Toronto, Ont. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure him or her, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

SMOTHERED OTTAWA  
SATURDAY NIGHT

Quebec Trimmed Canadiens 4 to 3---  
Torontos Lost to Tecumsehs---  
Big Surprise

Montreal, Jan. 11—Ottawa never had a chance to win. The Wanderers defeated them tonight at the Arena in the soundest manner of any club that has visited Montreal this winter. The locals outplayed the Senators at almost every division and more than doubled their score by netting the puck eleven times to the visitors five.

The match was played before a capacity house and although ice conditions in the last two periods were anything but conducive of fast hockey, the pace was fast enough to please the severest critic. The Wanderers played the puck at all stages and not the man. The forwards worked well together and checked back so fast that the defence was never in trouble. The play was well up to championship standard and almost free from roughness.

The line-up:

Wanderers	Ottawa
Goal	Boyd
Point	Ross
Cover Point	S. Cleghorn
Left Wing	Hyland
Centre	Russell
Right Wing	O. Cleghorn
Referee, Dr. W. G. Wood, Toronto.	Assistant, J. T. Brennan, Montreal.

QUEBEC, 4; CANADIENS, 3

Quebec, Jan. 11—In the presence of a record house and after the finest display of hockey seen in this city for a number of years, Quebec defeated the Canadiens last night by a score of four goals to three, and placed themselves leaders in the National Hockey Association series.

It was a battle of giants from the first sound of the whistle, and kept the spectators guessing all through the match, for until the gong sounded "time up" it was impossible to say who would win out.

Hall and Mummery were ruled off and were replaced by Crawford and Jeff Malone respectively.

At the conclusion of the game, the ice was becoming soft and was covered with water. The line-up:

Canadiens	Quebec
Goal	Vezina
Point	Duteau
Cover Point	Lavolette
Centre	Lalonde
Right Wing	Smith
Left Wing	Referee—Tom Melville; judge of play—Charles McNamara.

TECUMSEHS, 5; TORONTOS, 2

Toronto, Jan. 13—Giving at no time any symptoms of that splendid team play and aggression which beat the Wanderers here a week ago, the Torontos on Saturday night at the Arena went down to defeat before the Tecumsehs by the score of five to two. The Indians were always in the lead, being ahead two to one at the end of the first period and five to two at the end of the second period. The line-up:

Tecumsehs	Torontos
Goal	Nicholson
Point	G. McNamara
Cover	H. McNamara
Centre	Smith
Right Wing	Corbett
Left Wing	Throop
Referee, Lou Marsh; Judge of Play, A. Anglin.	

For the second time in his baseball career, Tommy McMillan has slipped from the big show back to the minors. Both the Cincinnati Reds and the Yankees have tried him out, but for some reason or other Tommy couldn't stick.

Eddie McGoorty and Freddie Hicks the Detroit middleweight, have been matched to box ten rounds in New York, Jan. 15.

SALARY QUESTION BIG  
PROBLEM OF BASEBALL

Receipts in Leagues of all Classes But Particularly Minor Organizations, Must be Increased Before Players Can be Paid any Great Amount--Some Staggering Figures

Cincinnati, O., Jan. 11—When professional baseball players make up their minds to concertedly demand bigger salaries, as they possibly may some time through the newly organized Players' Fraternity, it would be well for them to study some of the financial statistics of organized baseball and get some idea of how much money is now being handed out for players' salaries. It is possible that the figures would make a most effective strike-breaker. They will give a stagger, anyhow. According to Secretary Heydler's records, 283 players took part in National League games last season. A conservative average of salary for each player would be \$2500, probably it is nearly \$3000. But, taking the lesser amount.

## THE SUM FOR SALARIES

alone paid out by the parent organization was \$707,500. The American League can be put down as paying out to players fully as much as the National. This brings the salary list of the two big leagues up to the astounding figures of \$1,414,500, nearly a million and a half. But those are not all the figures by a long shot. The report of Secretary Farrell, presented at the recent meeting of the National Association of Minor Leagues, showed that \$997,000, only a shade less than a full million dollars, was paid out by the minor baseball leagues throughout the country in salaries. Now, taking this million with the nearly a million and a half the two big leagues disburse for playing talent, it will be seen that the professional players throughout the land are receiving \$2,500,000 in round numbers annually. This shows that the club owners are doing something toward

nates are "over their heads" in their endeavors to keep above water and pay salaries. The first three clubs in either the American or National League, and possibly a like number in the Class AA, make big money, and the two clubs that are fortunate in having teams that contest for the World's Championship make bigger money, but in the long run, when profit and losses are averaged up, it is found that the salaries of the players forms the "kitty" where the

## MOST OF THE MONEY

finally drifts. To enable the clubs of the National and American Leagues to pay the salaries of their players they must average \$590 per game for the 154 games scheduled. But salaries, while forming a big item, are only one of the many expensive ones the club owners have to face. Nothing can perhaps show better the wonderful growth of the national game than the enormous amount paid for salaries, but it also proves that the magnates are not "hogging it all," as some of the players of the past did foolishly believe, to their sorrow, and some of the players of the present imagine just as ridiculous things. And possibly it may be to their sorrow, too. There are individual cases where

have been underpaid, but the great big majority of the capable ones are paid according to their abilities and their salaries raised in accordance with the improvement they show and their increased value to their clubs. Ball players are fully entitled to all they can get, and they cannot be blamed for making demands for what they think they are worth, but ability should be the only criterion, not grossly exaggerated reports of gate receipts.

## SHERIFF SEIZES JACK JOHNSON'S PROPERTY

Chicago, Jan. 10—Jack Johnson's automobile, a safe and the fixtures of the saloon of which he was until recently the proprietor, were seized today by the sheriff to satisfy a judgment of \$5621, obtained against the negro pugilist by a brewing company. Manchester, N.H., Jan. 10—By outpointing his man in the last three rounds of a 15-round match, Tommy Foley of Boston, won a decision tonight over Patsey Delucca, also of Boston, in the Mechanics Hall Arena. It was an aggressive contest on the part of both boxers the entire distance, both being willing to mix it up hotly and each finding plenty of opportunity. Foley's blows were the cleaner and this earned him the decision.

LARRY McLEAN  
RESENTS BEING PLACED  
IN BUM CLASS

Says He is Going to Fool Joe Tinker by Catching Good Ball for Cardinals

St. Louis, Mo., January 11—Catcher "Long Larry" McLean, late of the Cincinnati Club, will not be relegated to the minors after all. The noted catcher, who recently was canned by Manager Joe Tinker, of the Reds, will receive another chance from the St. Louis Cardinals. Miller Huggins, the Cards' new manager, has refused to waive on McLean and the lan'ly backstop is happy. Huggins who is half as tall as "Long Larry," believes that he can keep the catcher as straight as a string this year. McLean for that matter has promised to walk a crack all season if Huggins will sign him. It was only two weeks ago that McLean with no overcoat and wearing Summer clothes was shivering in Cincinnati while Manager Tinker gave a banquet to Carry Herrmann and other base ball men. "It was a lesson to me," said McLean to Huggins few days later. "They didn't want me around because they said I was a bum. Now I'm going to fool Tinker, Herrmann and the others by catching the best ball I know for your team if you'll take me!" Huggins was favorably impressed and bought McLean a winter outfit.

St. Louis, Jan. 10—Jack Powell, the St. Louis Brown's veteran pitcher, was traded to Louisville today for Charlie Snyder, a pitcher.

New Orleans, Jan. 10—Jack Britton beat Joe Thomas, the local star, here tonight. The latter was outclassed all the way.

Efforts are being made now to match Britton with Mandot.

## BASEBALL NOTES

Jimmy Ryan, who was a star with Capt. Anson several years ago, is out to land a job as scout for the Chicago Cubs.

"Iron Man" Joe McGinnity has purchased the Tacoma Club of the Northwestern League, and will manage and pitch for his team next season.

Pitcher Ralph Swett, of Fall River, Mass., has been signed by the Kenawee Club of the Central Association. A pitcher with that name has no fear of hot water.

According to Manager Callahan no anti-drink clause is inserted in the White Sox contracts. Nothing like that in the Sox family, asserts Jim-Let the Cubs do it.

Manager Joe Tinker of the Cincinnati Reds, has great faith in the "come back" of Pitcher Mordecai Brown, and believes that the "Miner" will deliver the goods next season.

Charley Buslow, the old Cleveland player, who has been out of the game several years says that he is still there as a pastimer and wants a trial with the Cedar Rapids, Iowa, team.

There seems to be trouble ahead for President McAleer of the champion Red Sox. Only two regular members of his team Yerkes and Cady, have so far, affixed their moniker to 1913 contracts.

Bill Bergen, the Baltimore catcher and former backstop for the Brooklyn Superbas, has purchased a farm near Worcester, Mass., with the intention of leading the simple life when his baseball days are over.
