### UNIFORM RULE FOR BASEBALL CONTRACTS TO BE ADOPTED

Decision of National Board of Minor League Reversed—Manning Case Brought Matters to Head

Cincinnati, Jan. 10—In reversing a decision of the National Board of Minor Leagues here today, the National Baseball Commission gave notice that at its annual meeting in Chicago next Thursday it would advocate the adoption of a uniform contract for both major and minor leagues.

The case today was an appeal by player Manning from a decision of the National Board. The latter had refused his claim for salary against the York, Pa., Club of the Tri-State League from June 1 to the end of the tri-state season. Manning was injured in a championship game and after coming from the hospital was suspended by the York club for disability. A stipulation in his contract held that the club was only bound to pay him for one month after his release from the hospital. The commission held that in case the club did not release the player outright at the expiration of a month it would be forced to pay him the salary as it was against the letter and spirit of the national agreement to suspend a player for disability when that disability was sustained on the ball field. Player Manning was declared a free agent, unless the York Club pays the player his claim within ten days.

The Commission then stated that uniform contracts alone would eliminate this evil.

### YOUNG WOMEN TO BACK KEOKUK BASEBALL CLUB

Keokuk, Ia., Jan. 9—Local Young Women's Christian Association members today agreed to finance a local club in the Central Association, providing the baseball enthusiasts of the city will agree to dispense with Sunday games.

Miss Edna O'Hara, secretary of the Y.W.C.A., said today that the idea of the Y.W.C.A. members conducting a campaign for baseball funds were conceived when the men of the city lost interest in backing the local team for a berth in the Central Association this year.

"We can get the \$3000 necessary to begin the season without difficulty," said Miss O'Hara. "These men haven't enough spirit to do anything. If the directors want us to, we can begin raising funds at any time. We won't stand for Sunday baseball, however."

### DUFFY LEWIS WILL TRAIN IN LOS ANGELES

Los Angeles, Calif., Jan. 9—Duffy Lewis, outfielder for the champion Red Sox, told "Charley" Weber of the Los Angeles Club today that he intended to do most of his training in Los Angeles.

He has requested permission to work out the first few weeks with the Los Angeles Club in Southern California. Lewis expects to escape the bad weather of the South and thereby get into better shape. At present he is heavy, but he thinks the surplus flesh will come off easily.

### Five Classes Selected by Committee of Management of Driving Club—First Race to Take Place Tuesday Afternoon—Track Below I. C. R. Bridge to be Prepared

The board of management of the Celestial City Driving Club met last night at the office of Dr. McCoy and classified the horses which are entered for the matinee races which the club is to conduct during the winter. The track is a quarter mile straightway on the river below the I. C. R. bridge. The track is rather rough at the present, but will be scraped and put in condition.

As it was impossible to see all the horsemen the horses have been classified as well as possible for the preliminary races.

#### OFFICIALS

The first races are to take place next Tuesday afternoon beginning at 2 p. m. The officials chosen are as follows:

tarter—H. O'Neill.

### HIGHLANDERS LEASE HOTEL IN BERMUDA

New York, Jan. 9—An entire hotel at Hamilton, Bermuda, has been leased for the use of the New York American League Club during the spring training season. Business Manager, Arthur Irwin of the Highlanders acting with Manager Frank Chance's approval closed by cable today the option he had secured on the hotel, which is no less than five minutes walk from the cricket field where the team will practice.

The club will send several cooks from this city and a training table will be established. It is expected that the party will include 50 men, players, trainers, club officials, newspaper writers and others.

The club today received the signed contract of pitcher Jack Warhop, who is spending the winter in Freeport, Ill.

### RING NOTES

Frank Klaus and Jimmy Clabby will meet in Milwaukee late next month.

Pat Moore and Harry Thomas, the English lightweight, will appear in one of the bouts at the New York A. C. Jan. 25.

Dave Smith, the Australian middle-weight champion, has arrived home and is telling some tough stories about the game in New York.

Abe Attell, Al Kaufman and the other boxers who have been declared in the "has been" class, so far as long distance bouts are concerned, will not be allowed to compete in the four-round contests in San Francisco.

Dave Desher of Cambridge has pulled out of his match with Tom Foley of South Boston in Manchester, N. H., tonight. Patsy DeLuca, the hard hitting welterweight, has been signed to take Desher's place.

DeLuca will give Foley a tough argument.

Luther McCarty's reason for asking \$30,000 to box Burns in Paris is not logical. McCarty says that was the amount that Burns demanded when he was champion. McCarty is not the holder of the title that Burns was when he made the demand.

The Australians say that the reports circulated in America by Joe Jeannette's manager that Jeannette has offered \$25,000, five round trip tickets and a gold belt to box in Australia with Langford. McVea and others was not correct. No one in Australia ever knew of such an offer being made.

The police supervisors of San Francisco, in a recent talk with the boxing promoters of that city, told the promoters they must stop stealing boxers away from each other. Also that none of the promoters can act as referees. The supervisors want the gains from the game split up in more ways.

Jack Eritton, the Chicago lightweight may go to England and clash with Freddie Welsh.

## MONCTON VICS BEAT CRESCENTS IN HARD GAME

Socials Were Swamped at New Glasgow—Score 10 to 3—Halifax Team Out of Condition

Halifax, N. S., Jan. 10—The two Halifax Hockey teams were defeated tonight, the Crescents losing to Moncton in this city, and the Socials being defeated by New Glasgow in that town.

For more than an hour the teams of hockeyists battled in the Arena here tonight, when the Moncton Victorias put over a deciding point that gave them the victory over the Crescents of Halifax.

It was a new Crescent team that came on the ice tonight attempting to reverse their defeat by the Vics. a few days ago.

A few minutes from the face-off, the Vics. scored No. 1. Then Dallaire netted No. 2 for the Crescents, and a few minutes later put over the third tally. Moncton soon tied the score in a shot from right wing. Dallaire scored for the Crescents, breaking the tie, and then a shot from McGregor again tied from McGregor again tied the score.

When the end of the hour came play was resumed and after about eight minutes play the Vics. got another past Wortman and the game was 7 to 6 in favor of Moncton.

The penalties were many and referees Pickering and Weaver were kept busy keeping tab.

At New Glasgow the Cubs of that town defeated the Socials of Halifax by a score of ten to three. The Socials had just come from Sydney, where they had played a hard game the night before, and the journey and the strenuous playing of last evening had doubtless their feet.

Peter will go to Austria and join other American trotters taken over this winter, among them Dave Hall, trained here.

Another movement has been started in St. Paul for the purpose of building a labor temple.

## I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give you with some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 840 Franklin Building, Toronto, Ont. You promise me nothing, you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

DR. T. FRANK LYNOTT who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I will willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.
