## Fredericton Again is At Top of League

Pets Beat Bangor Maroons Here Yesterday 6 to 2--  
St. John Won From St. Croix at Calais 5 to 4 in  
Ten Innings--Exciting Game

Fredericton trimmed Bangor 6 to 2 here yesterday on that team's first appearance on the local diamond. At the same time the St. John Maroons beat St. Croix in a ten inning game and the net result is that the Fredericton team is at the top of the league, with St. John pressing hard.

Yesterday's game was largely without interesting features and neither team put much steam on. Bangor lived matters up at times, particularly in the last inning, when they filled the bases with one out. Ahearn who pitched steady, effective ball for the Pets, climbed out of the hole, however, striking out Blackbird and Mayo went out to Sullivan.

Umpire McCann was too ill to officiate and Player Hersom of Bangor, and Player Bart Flynn of Fredericton, were pressed into service and the absence of the real "ump" was not noticed.

"Porky" Flynn, the Pets' utility man, was tried out at third base by Manager Ganley but needs a lot of grooming before he can fit in permanently. Bert White was the big noise of the box score. He had five put-outs with no errors and in four times at bat hit safely three times and scored twice. In the field Fredericton backed Ahearn up well. Blackbird pitched fairly good ball but was not well supported. The Maroons' infield did not look particularly good.

### THE SCORING.

Bangor scored both runs in the fifth inning, three hits, a sacrifice and a base on balls producing that result.

Fredericton made two in the second inning on two singles, Blackbird's error and a two-bagger by Murphy. In the sixth a couple of singles brought in another, but further scoring was stopped by a double play. In the seventh, an error, sacrifice, and two-bagger scored another. The fifth and sixth runs came in the eighth, when the Bangor infield went bad and threw the ball around the lot indiscriminately. Three errors, a

sacrifice and two hits came in a bunch.

The box score was:

ST. JOHN 5; ST. CROIX, 4.

Calais, Me., June 10—In a decidedly spectacular contest here this afternoon the Marathons of St. John, defeated the St. Croix nine in a hotly contested ten-inning game by a score of 5 to 4.

Lee pitched for St. Croix and in a short time the visitors had three runs to their credit, all in one inning. They scored again in the second, but never saw home after-

## UNITED STATES POLO TEAM WON FIRST CUP MATCH

English Team Was Much off Color  
and Failed to Show Good Combination--Score 7 to 3

Meadowbrook, June 10—Outriding and outplaying the English polo challengers, the American cup defending team today won the opening game of the sixth international match by a score of 51 goals to 3. A better idea of the actual difference in the playing of two teams is shown by the gross score, which was 7 to 3 in favor of the defending four.

Much to the surprise of the spectators and polo experts, the English players did not show the team play which had been credited to them before the game. Neither did their ponies outclass the American mounts. In fact, the reverse was quite the case in almost every run down field the American players either held their own or outrode their competitors in the race for the ball.

The combination of the American four with Larry Waterbury at No. 1, J. M. Waterbury, jr., and L. E. Stoddard at No. 2, Capt. H. P. Whitney at No. 3, and Devereux Milburn at back, was superb. The other team consisting of Captain L. St. G. Cheape at No. 1, Capt. A. Noel Edwards at No. 2, Capt. S. R. G. Ritson at No. 3, and Capt. Vivian Lockett at back, appeared unable to work together consistently, due, in all probability, to the close "covering" of the Americans.

Hardly had the game begun before it was seen that the waging odds of 8 to 5 on the English team were not warranted, for the "big four" carried the play into the English end of the field and kept the cavalry officers so busy defending their goal that offensive tactics on the part of the challengers were temporarily out of the question.

The drives of the Americans were made with both excellent direction and length, and they never appeared to have difficulty in hooking the ball out of scrimmage. The Englishmen were apparently stunned by the fierceness of the cup defenders' attack and failed to hold together in team work.

The three goals scored in the first period went to the United States and it was not until the second period that the English four got going. Ritson and Cheape cut loose with some remarkable long drives and the invaders began to team up in a fashion that proved threatening.

## SPORTS OF ALL KINDS

There is too much similarity among club uniforms in the N. B.-Maine League. Fredericton, Bangor and Calais-St. Stephen all are wearing gray. The facings are different but the difference is not sufficiently marked.

The Cape Breton teams are said to be paying better money than the N. B.-Maine Clubs, although the company is not so fast. The result is that players not landing berths in this section are drifting down there.

St. John is to play here tomorrow and prospects for a rattling good game are bright.

Frank Hughes talked with Manager Magoon of the Bangor team yesterday and asked for a try out in the outfield. Magoon said he did not want to break up the outfield he had which was satisfactory to him. The spectators however, did not have a high opinion of the manner in which the maroon outfielders apportioned the ground between them and unless he has gone back remarkably Hughes could hold down a place with that trio.

The arrangement of having players act as umpires worked very well. There was less cause for complaint than if McCann had been there in person.

There has been a slight clash of authority between President Hooper and Secretary Donald in the matter of allotting umpires in the N. B.-Maine League this week. The trouble is not serious, according to the statement of those concerned and will not cause any disturbance.

Joe Jackson of the Cleveland club has made 17 doubles, 13 triples and two home runs this season, and many of his hits for extra bases have come when the Naps had runners on and they needed the runs to win.

The Athletics have now won 16 straight, and the game pitched by

Bender Monday was one of the best he has shown this season.

### JIMMY DYGERT RELEASED

Chattanooga, Tenn., June 9—Veteran Jimmy Dygert, former spitball wizard of the Athletics, was given an unconditional release tonight by Manager Elberfeld of the local club.

### BASEBALL NOTES

Catcher Ed Sweeney of the Yankees, has been off his stride of late and in consequence is being panned by the New York fans.

Harry Lumley, the old fence-busting gardener of the Brooklyn Superbas, has signed with the Scranton team of the New York State League.

Evidently Manager Joe Tinker did not make a mistake when he copped Leon Ames from the Giants, Leon is pitching winning ball for the Reds.

Nearly all the big league clubs in the country are trying to land Pitcher "Rube" Schauer, the star finger of the Superior Northern League team.

The New York Americans have offered \$5000 for the immediate release of Frank Hosp, shortstop of the Venice team of the Pacific Coast League.

Harry Lord has recovered from an injury to his arm, which put him out of the fray for several days and is now putting up a swell game for the White Sox.

The Boston Red Sox have defeated the Yankees in eighteen straight games in New York. The Yankees have not won from the Red Sox in New York since June 22, 1911.

E. Zimmerman of the Cubs, has a rival in the way of being the "only guy of the Bronx." Dick Rudolph of the Braves, also comes from beyond the Harlem River.

Names taken from the line-up of the Chicago Federal League team, as printed in a Chicago newspaper: la., team.

## "PHILADELPHIA" JACK O'BRIEN IS BANKRUPT

Philadelphia, June 10—"Philadelphia" Jack O'Brien, pugilist and prize fight promoter, filed a petition in bankruptcy in the United States court here today. He places his liabilities at \$101,934, and his assets at \$10,027.

The petition was filed under the name of Joseph F. A. Hagan, which is the real name of the pugilist. Several years ago Hagan built a large hall in West Philadelphia, in which to stage six-round bouts, but the venture was unsuccessful. Among the creditors is J. Drexel Biddle, prominent in society, who, with "Philadelphia Jack" has a number of times given boxing shows to which a select few were invited. They were given in a room of the handsome home of Mr. Biddle. Mr. Biddle's claim is for \$4800.

O'Leary, Stan'y, K'nagh, K'ding, G'rich, M'Don and M'G'ire.

Pitcher Tom Seaton of the Phillies, has his turkey-trotting ball down to perfection this season. Tom had rolled up seven straight victories when the Giants landed on him for a game.

Chapman, who stands eighth, is the only Cleveland Nao among the dozen leading base-stealers in the American League. Good pitching and an array of great sluggers are keeping the Naps up in the chase.

Walizer, Connors, Holcomb, Kelley and Devine of the St. Anselms College (Manchester, N.H.) basketball nine have quit the college team and joined the professional ranks. All five players have landed berths with minor league teams.

Not much doubt about the Athletics having the Red Sox and Washington teams' number. The series with the Red Sox stands 5 to 1 in favor of the Athletics, while the Mackmen have copped 7 of the 9 games played with Washington.

The major league clubs have started to gather the 1913 crop of minor league wonders. Detroit was one of the first big league clubs on the job, having signed Pitcher Grimes and First Baseman Burns of the Ottumwa la., team.
