QUEEN STREET :: :: OPP. MAIL OFFICE

Of the 53 trotters that entered the 2.10 list in 1912, 32 trace back in the direct male line to George Wilkes, 2.22 and 23 are inbred to him. Ten of the newcomers are direct descendants of Electioneer and six are inbred to him. Sixteen of the fast ones represent the Wilkes-Electioneer cross. All but four are representatives of the Hambletonian family. Frank Ware, in a lengthy article in the "Trotter and Pacer," on the trotter for cavalry purposes, gives that type of horse the preference. Among his deductions are: "Only one grade of horse already proved satisfactory in quantity for army use—the trotter." "Only one which averages the level-head, hardiness, courage, docility, riding character and gaits and all other essentials—the trotter."

BOUT TOO TAME TO SUIT RECTOR OF NEW BEDFORD

Clergyman Attended to See if Any Brutality Existed and Was Very Much Disappointed

New Bedford, Jan. 1.—The scheduled twelve-round bout between Harry Stone and Johnny Moran of New York, before the Warren A.C. tonight proved a fizzle. Moran showed no prowess either as a boxer or fighter, and Stone rained punches on him for two rounds without any return.

In the second round the referee was directed to call the bout off unless the competitors showed more life and he took this action in the third round.

The really interesting feature was the presence at the ringside of Rev. Francis E. Boyer, rector of the St. James Episcopal church of this city, who had previously announced his intention of attending the bouts to see if they were brutal.

During the first round Dr. Boyer characterized the contest as a "gymnasium fight." The minister enjoyed the preliminary events, but after the fizzle of the main bout he expressed the opinion that it was not worth the trouble of going to see.

He found no brutality in the evening's program. Asked if there was any objection on the part of his congregation to his attending the exhibition, Mr. Boyer replied in the negative.

"Half of the congregation is here in the crowd, anyway," he remarked. "My junior warden and members of the vestry are out there."

In the preliminaries Kid Howard and Kid Costa boxed four rounds to a draw and "Battling" Ramos beat Young Barros in four rounds. Young Britt and Eddie Sweeney went eight rounds to a draw.

MUCH EXPECTED OF ZIMMERMAN OF BROOKLYN

Showed up Well in Newark Outfield --Bill Dohlen Thinks "Tim" Will do Well With Superbas

Bill, or Willie, Zimmerman, the outfielder Brooklyn got from Newark in the International League this winter, was a man of many abilities in the Newark outfield, as well as on the bases and at bat. He is noted for speed in fielding and base running, and fits right in with Manager Bill Dahlen's plans for next season. He batted .314 for 129 games in 1912, and fielded for .953. He had 18 sacrifice hits and 37 stolen bases.

All of his games were played in right field, in which place Bill will have to beat out John Hummel, so far the only candidate for the job. He is a resident of Newark.

Zimmerman was born in Germany on January 20, 1887, which makes him 25 years old. His first professional engagement was with Larry Sutton's Easton, Pa., club of the Atlantic League in 1908. He reported to the Jersey Skeeters in the fall of that year and again the following spring. He was farmed out to the Lynn, Mass. team during the summer of 1909 and again returned to the Insects in the fall of that year.

Zim was sold to Utica of the New York State League in 1910, where he stole 105 bases, besides hitting the ball at a .286 clip. Drafts were put in for the player by Newark, Oakland and Atlanta and the last named team won out. He played in 140 games and hung up a batting average of .275. He was purchased by the Chicago Cubs last fall and turned over to the Indians during the last week of the playing season. He is 5 feet 8 inches in height and weighs 175 pounds.

JOE JEANNETTE SHOWED SKILL BUT HAD HARD TIME

Battling Jim Johnson Put Him to Mat With Swing to Jaw---Hard Battle

New York, Jan. 1.—Joe Jeannette and Battling Jim Johnson of Philadelphia fought 10 rounds this afternoon at the Irving A. C. in Brooklyn Jeannette's ring generalship and clever boxing won the popular decision, but he had a hard time to turn the tide which set in against him in the first round.

Johnson scored the only knock-down. He did the trick in the first round with a swinging left that landed flush on Jeannette's jaw, Joe dropped but was up immediately.

Before he could clinch Johnson was on top of him and forced him to the ropes with a hard right to the neck. Joe clinched, steadied himself, stepped back and jabbed Johnson's face until the bell rang.

After that rough experience Jeannette was wary and fought at long range, using a stiff left jab to Johnson's face. With this punch he cut the Philadelphia's lips and wore him down with hard rights to the pit of the stomach.

In the semi-final Terry Mitchell had the better of Young Joe Gans. Mitchell had an effective straight left to the face and right cross which rarely missed fire. Heinie Thiel and Young Limbo fought 10 rounds to a draw in the opening 10-round bout.

DINING OF LONDON WON EDINBURGH MARATHON

Edinburgh, Scotland, Jan. 2.—Dining, a professional runner belonging to London, was first and William Queal of New York second in the fifteen mile professional race run today at the Powder Hill athletic grounds. The winner's time was one hour 21 minutes, 45 seconds.

Tom Longboat, when he won the same race last year took one hour, 20 minutes 4 2-5 seconds for the distance.

WHITE SOX SIGN MATTICK

Chicago, Jan. 2.—The signed contract of Walter (Chick) Mattick, a Chicago American outfielder was received at the club headquarters today.

CHANCE'S TROUBLE WITH NERVOUSNESS HAS ENTIRELY GONE

Treatment was Successful Says Surgeon Who Operated Upon Him---Hit Too Often by Pitchers

New York, Jan. 2.—Frank Chance was subjected to an operation by Dr. W. G. Frolich, of 23 East Sixtieth street, on Sept. 16. Dr. Frolich has made the following statement, which is timely:

"I will stake my reputation in asserting that Frank Chance is in better health than for years. The operation I performed in September completely cured him of a nervous trouble which had caused frequent headaches and compelled him to give up ball playing. This ailment had been caused by being hit on the head by pitched balls. Chance was not treated for mental troubles. He recovered from the operation rapidly and before he left me he promised to come back if there was a return of the ailment. As Chance's health continued to improve he notified me while in Chicago in October that he felt so well that he decided to go to his home in California. I have heard stories possibly circulated to injure Chance but you can quite me as saying that they are entirely without foundation and have been prompted by malice. Chance is not only able to manage the Highlanders with all of his former skill but I believe he will be playing ball again next season. He has a rugged constitution and a remarkable will power. His ailment was never serious and I have treated many similar cases successfully. In justice to Chance I make this statement, absolutely free of my ground."

This opinion coincides with that of several specialists who have examined Chance in California. President Farrell has received positive assurance that the Peerless Leader is once more the same robust man who led the Cubs to victory in four pennant races and two world's championship series.

MCGILL TEAM BEATEN

Boston, Jan. 2.—The Boston Athletic Association hockey team defeated McGill University at the Arena tonight, 7 to 4. Eighteen penalties were inflicted, most of them upon McGill.

SPORTS OF ALL KINDS

College and School hockey bid fair to be the only brands which Fredericton will see this year. Both High School and U.N.B. players were out yesterday morning for practice at the Arctic Rink. The majority of the U.N.B. players are at their homes for the vacation and the real practice will not begin till next week.

Eureka Baseball has taken the fans by storm. A bunch of 33rd degree fans hung over the cigar counter at the Queen Hotel yesterday and last night whirling the indicators and imagining that they were at Scully's Grove in the good old summer time.

St. John seems to be as tickled on account of the Y.M.C.A. basketball five beating a picked up bunch of U.N.B. men as if it had the actual college team. Wait! There will be a chance to tackle the first Red and Black team soon.

It is understood that U.N.B. will have some new material for hockey this year which should make a big difference in the team as the new men have both experience and ability.

GIANT RECRUIT SUE FOR BREACH OF PROMISE

Detroit, Jan. 1.—Suit for \$25,000 for breach of promise was filed today in St. Johns, Mich., against La Rue Kirby, the star player of the Traverse City Club of the Michigan State League last summer and now a recruit of the New York Giants, by Miss Anna Rauschenberger of Detroit Kirby married Miss Kate Goemann of Holland, Mich., Nov. 2 last. Kirby will fight the case.

RUGBY REFEREE IS MOBBED IN PARIS

Paris, Jan. 1.—For the first time in France a football riot occurred today. It was at the Parc des Princes, after a Scottish rugby team defeated a French team by a score of 21 to 3. The mob broke down the barriers and assailed the referee, J. W. Baker, with sticks and stones. It required the united efforts of players, police and mounted officers to break up the disturbance and rescue the official.

On returning to Paris a large crowd of spectators of the game paraded the boulevards shouting "Down with the referee." Afterward they made a demonstration in front of the offices of a sporting newspaper.

HOOF PRINTS

Before leaving for an extended trip which will include a visit to the Panama Canal the veteran trotting horse breeder, John H. Shults, said that he will send \$50 to the American Trotting Horse Register Association and have the name of the yearling Peter the Great colt, Junior Stokes, for which he paid \$2600, changed to Lawn Mower Pete. When the colt was bought Shults was asked by all his friends what he would do with him, and his answer was that he wanted a well-bred colt to draw a machine on his lawn and hence the change of name.

I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable

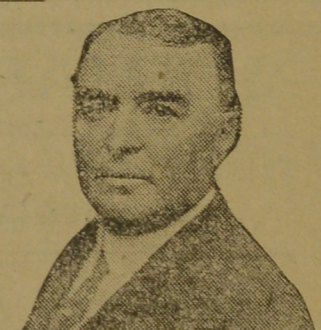

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 810 Franklin Building, Toronto, Ont. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

DR. T. FRANK LYNOTT
who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

These Are the Symptoms:

- 1-Pain in the back.
- 2-Too frequent desire to urinate.
- 3-Burning or obstruction of urine.
- 4-Pain or soreness in the bladder.
- 5-Prostatic trouble.
- 6-Gas or pain in the stomach.
- 7-General debility, weakness, dizziness.
- 8-Pain or soreness under right rib.
- 9-Swelling in any part of the body.
- 10-Constipation or liver trouble.
- 11-Palpitation or pain under the heart.
- 12-Pain in the hip joint.
- 13-Pain in the neck or head.
- 14-Pain or soreness in the kidneys.
- 15-Pain or swelling of the joints.
- 16-Pain or swelling of the muscles.
- 17-Pain and soreness in nerves.
- 18-Acute or chronic rheumatism.
