TOMMY BURNS AND PELKY FOUGHT DRAW AT CALGARY

Jeff Smith Knocked Out Adrian Hogan
at Paris---"Gunboat" Smith Won
From McKay

Calgary, April 2--The Burns-Pelky
fight here tonight resulted in a
draw.

NATIONAL BOWLING TOURNEY OPENED

Rochester, N. Y., April 3--The annual championship tournament of the National Bowling Association was formally opened in Rochester today under conditions that promise the most successful tournament in the history of the association. The entry list comprises several hundred teams and individual bowlers from points as far west as Toledo, Chicago and Cincinnati. Canada also is sending some representatives. The contests will continue over a period of three weeks.

SPORTS OF ALL KINDS

The St. John Y.M.C.A. will play the U.N.B. basketball team at the college gym at 8.30 tonight. The Provincial Normal School and the Freshmen will put on a curtain-raiser. Interest in senior basketball seems to have fallen off as far as Fredericton is concerned, but tonight's game should be a hummer.

Freddie Welsh, champion lightweight pugilist of England, was a passenger on board the Mauretania at New York Friday. He says that he is there to take any good fighters who may dispute the title with him.

A new record for fungo hitting was established by Walter Johnson, the remarkable pitcher of the Washington Senators. He drove the ball 481 feet 8 inches at Charlottesville, the training camp of the Senators, beating the mark of 419 feet 6 inches set by Ed Walsh, of the White Sox, in 1911.

William Hantehan, the young pitcher from Troy, who was taken to Augusta by Manager Dahlen of Brooklyn, to give him a chance to show his paces, has been sent home. Hantehan is lacking in years and experience, and has nothing to be ashamed of in the fact that he has been canned. It was never expected that he would show major league form right off the bat.

Christy Mathewson is up to his old tricks. Birmingham hit him for 16 hits Monday and yet he won his game on 10 hits.

When a ball player who is barred from a college nine on account of professionalism leaves college at once to join a professional league team, it is plain enough why he went to college. The case in point is that of Stewart, the Washington and Lee catcher.

When Eddie Mensor, the young Pirate, met Monte Attell at Hot Springs the other day it became known that Mensor once attempted to shine as a boxer. Attell said Mensor gave him a good fight. It was three years ago, said Monte.

Manager Fred Clarke has a stovepipe hat in his trunk at Hot Springs. The news has spread among the players and they dare him to wear it. He has not accepted the challenge as yet.

Manager Gray of the Lowell Club of the New England League, announces the engagement of the following players: Pitchers, Weaver, Maybohm, "Dug" Smith, Ro- Smith, Zeiser and Le Morit. Catchers: Monahan, Daly, Murphy, Devine, Beamendafer. Infield: Halstein, first base, Miller, second base; Seymoier, shortstop; Starr, third base. Outfield: Magee, left field; Holt and Baker, centre field; DeGriff, right field.

Word comes from Pittsburgh that Tommy Leach, the famous outfielder of the Chicago National Club, will manage the St. Louis Club in the new Federal League.

Edwin Arden will replace Frank Keenan in the Favorsham production of "Julius Caesar."

Tim Murphy will appear next season in a new play under the management of Henry W. Savage.

HAVERHILL CLUB MAY TRANSFER TO MANCHESTER

BRANT JOINS TORONTO

Memphis, Tenn., April 1--The Boston team left here for Champaign at 8.15 tonight, Brant leaving for Atlanta to join the Toronto team.

INTERSCHOLASTIC MEET AT BERKELEY

Berkeley, Cal., April 3--Several hundred young athletes are expected here tomorrow to participate in the annual Pacific Coast interscholastic track and field meet. The meet will be held under the auspices of the athletic organization of the University of California. The preliminary events on the program will be pulled off tomorrow and the finals will be contested Saturday. High schools and "prep" schools throughout California, Oregon, Washington, Idaho and Nevada are represented among the entries.

HOOF PRINTS

All Style, 2.10 by Stam B, 2.11; Jam Zaya by Bay Bird, son of Jay Bird; second dam Mary Lou, 2.17 (dam of Kinney Lou, 2.07) by Tom Benton has been sold to the United States Government according to report. All Style is seven years old and was one of the new 2.10 performers of 1912.

The men who predicted that 1912 would mark the end of racing in the East are requested to look over the entry to the Hanks meetings in the Maine, the early closing cards of the Eastern members of the Grand Circuit and the \$100,000 program of the Metropolitan chain of Greater New York. Ralph W. Forbes is following the footsteps of his uncle, the late J. Malcolm Forbes in the matter of admiration for trotters. He now owns the most extensive band of broodmares in the vicinity of Boston. His breeding establishment is Neponset Farm, Dedham, where Don Frazier, 2.27 1/2 a son of Cohato, 2.11 1/2 heads the stud.

The news regarding Baden, 2.05 1/2 is very disquieting to his American admirers. Will Caton thinks that he would have died if he wasn't one of the toughest and gamest horses that ever lived. His condition is still precarious, and if he is saved for stud purposes it will be about all that can be hoped, as it hardly seems possible that he will ever be able to race again.

FRENCHMAN BEATEN

Paris, April 2--Jeff Smith, American lightweight, tonight practically knocked out the Frenchman, Adrian Hogan, at the Cirque de Paris. The end came in the eleventh round. When Hogan was helpless on the ropes his seconds sprang into the ring and carried him out.

The bout was scheduled for twenty rounds. Smith outclassed Hogan and dropped him to the floor several times with heavy swings. In the eleventh Smith landed a terrific right which literally stunned the Frenchman, who stood swaying with his arms hanging at his sides unable to offer any defence to the rain of blows. Then his seconds came to his rescue, while the spectators hooted the referee for not stopping the fight.

GIVES A DENIAL TO SIDDALL'S STORY

Ottawa, April 1--No man had been supplied with any such information as was alleged by M. G. Siddall, defeated Conservative candidate for Westmorland, in addressing the Conservative club at Moncton, when he declared that the present Intercolonial Railway board of management would be dissolved and a new man placed in charge. Such was the emphatic statement of Premier Borden at the close of a brief debate on the matter in parliament tonight as a result of questions concerning the truth of Mr. Siddall's announcement by Hon. Mr. Emmerson.

When the former minister made his inquiry, Hon. Mr. Cochrane replied briefly that the board was in existence and any future information to be given would be brought down as soon as possible.

"That answer is hardly satisfactory," commented Mr. Emmerson, who renewed his question when the House was moved into supply on the ground that the information given was

New England League Organization with which "Red" Wildes Signed is in Financial Difficulties ---Players of 1912 were not Paid---Clohecy and Kendall now own Franchise

Manchester, N. H., April 1--The Haverhill team of the New England League is to leave that city and seek a home elsewhere. This information comes direct from the management, Dan Clohecy and Sherman H. Kendall. They would like to transfer the team to Manchester and state emphatically that they will do so, provided equitable arrangements can be made for the use of Textile Field. Messrs. Clohecy and Kendall have offers from Salem and Fall River, Mass., the one from the latter city including the guarantee of the sale of 250 season tickets. Salem will furnish inclosed grounds for three years free of expense to the management.

Despite these assurances from Salem and Fall River, Manchester is regarded as the best prospect and Mr. Clohecy says he wants to take the team here and will do so if satisfactory arrangements are promised.

CONFIRMS REPORT.

Haverhill, April 1--Daniel F. Clohecy, one of the owners of the Haverhill franchise in the New England League, tonight confirmed the report that this city may not have a club next season and that the team may be transferred to some other city. "Haverhill," said he, "when the New England League met in annual session, was in the same predicament as Fall River. The league was owed dues by the Haverhill club and the players on the nine last season were owed salaries."

"The Haverhill Club stood to lose its franchise and James Gray of Lowell, wanted to assume the burden and take the franchise, just the same at Hugh Duffy got control of the Fall River Club by assuming the debts of that club."

"Sherman H. Marshall and myself, however, made good to the league for what was owed, and the league at its annual meeting gave us the franchise because we paid out what money was owed the league and the players."

"The stockholders of the Haverhill Baseball and Athletic Association turned us down at their annual meeting by electing other officials after we had refused to go out and get proxies to secure re-election."

"On January 21, before twenty men, Mr. Marshall and myself offered to turn over the club and the franchise to the new directors of the Athletic Association, provided they paid us what we had paid out and we gave them twenty days in which to do it. The twenty days elapsed, and they did not come across with the money; we then gave them twenty days additional and no attempt was made to pay us."

"Now it looks as though Athletic Park was liable to be involved in litigation by injunctions all summer, so that unless an agreement or peaceable settlement is reached, there will not be any Haverhill nine next season, as we do not intend to be mixed up in it."

"We paid out money to the league and the players and rather than engage in any dispute we are prepared to take the club to some other city. The trouble here can easily be settled, but the directors of the association do not seem inclined to do so. It is up to them to say whether Haverhill wants a club or not and if they don't soon, then the franchise will go elsewhere."

neither adequate nor a proper answer to the question.

Speaker Sproule ruled that the question could not be dealt with twice on the same day.

Sir Wilfrid Laurier pointed out that any member who had a grievance could bring it before the House on resolution to go into supply.

Premier Borden admitted this to be the case. He urged, however, that no discourtesy had been intended by the minister of railways.

"It was quite true," said the premier, "that if any such change were contemplated it must be first communicated to the House, but," he added, "I am satisfied that no man outside the House has been supplied with any such information as has been alleged."

SUPERBAS HAVE THREE PITCHERS READY FOR THE OPENING

Rucker Allen and Ragan are the First
String Twirlers---Began Training
Early in Spring

The Brooklyn Eagle says:--According to the dope on the exhibition games and the statements of the newspaper men with the Brooklyn team, Bill Dahlen has three pitchers ready for the opening of the National League campaign. They are Rucker, Allen and Ragan, precisely the three athletes who went to Hot Springs, Ark., for two weeks preparation before the main squad reported at Augusta. That would indicate that this column was right in persisting that the proper caper for a major manager is to have his pitchers almost ready to cut loose before the other men start work. That not only helps the pitchers, but gives their playmates better batting practice from the go off. By the time the kinks are out of the fielders' arms the fingers are ready to put on a full head of steam and the batting practice amounts to something. Otherwise, the batters are ready before the pitchers and the waste valuable whacking at deliveries which have nothing on the ball.

GUNBOAT SMITH WON

New York, April 2--"Gunboat" Smith, the California heavyweight, knocked out Fred Mackay, of Winnipeg, in the second round of a scheduled ten-round bout here tonight.

Mackay had the better of the opening round, Smith finding it difficult to reach his opponent, who was taller and twenty-nine pounds heavier. Smith weighed 185 pounds.

The Californian took the aggressive in the second round and managed to get within the Canadian's guard, landing several telling blows to the body. A left hook to the jaw and a right cross to the same place ended the contest after one minute and forty seconds' fighting.

ROOSEVELT'S DAUGHTER TO WED TOMORROW

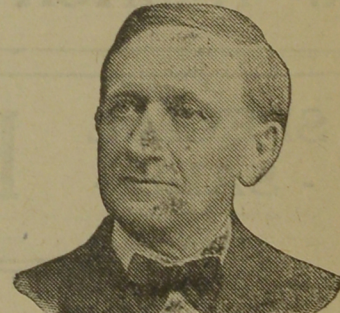

New York, April 3--Everything is in readiness for the wedding tomorrow of Miss Ethel Roosevelt, daughter of Colonel and Mrs. Theodore Roosevelt, and Dr. Richard Derby of this city. The ceremony will be performed at noon in the Episcopal Church at Oyster Bay and will be followed by a breakfast at Sagamore Hill. Although no attempt will be made to have an elaborate wedding the guests will be numerous and the musical features unusually attractive. The bride will have five attendants. Mr. Roger A. Derby will be his brother's best man and Archie Roosevelt, brother of the bride, will be one of the ushers.
