OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

The treasurer for York County will be Mr. C. Fred. Cheesnut of this city. Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

ARKANSAS HAS HAD FIVE GOVERNORS IN YEAR

Little Rock, Ark., July 22.—The State campaign in Arkansas closed today. Tomorrow the voters will select a governor to succeed J. M. Futrell, who has been filling the vacancy caused by the resignation of Governor Joseph T. Robinson, now United States senator.

The Democratic candidate for the governorship is Judge W. Hays of Camden, and his election is generally conceded. Judge Hays is opposed by Harry H. Myers, the Republican candidate, and George W. Murphy, the nominee of the Progressive party.

Tomorrow's election will give Arkansas the rather unique distinction of having five governors in 1913. The unusually large number of executives is due to the fact that heretofore Arkansas has had no lieutenant governor to succeed to the governorship in case of a vacancy. The president of the State senate has been called upon to serve in the gubernatorial chair until a governor is regularly elected. The recent session of the legislature took steps to provide for the election of a lieutenant governor at the same time a governor is elected, which is expected to obviate the complications that have occurred this year.

MAKING LAZY HUSBANDS WORK

Among the uplift legislation of the year none promises larger results than a law enacted in Washington to put lazy husbands to work for the support of their wives. A report from Seattle says the District Attorney of that county has been bombarded with inquiries from anxious wives as to when the law goes into effect. The Sheriff and County Commissioners believe it is likely to increase the number of county prisoners. Club women are taking a keen interest in it and are trying to arrange matters so that the imprisoned husbands may derive from the law the triple benefit of outdoor work, physical health and moral improvement.

If the law succeeds in making husbands work there will be insistent demand for a like law to improve idle wives. She who neglects home and husband to go to matinees or play bridge or crowd the bargain stores can then be sent to the country for a change without expense to the family income. Thus another problem of life will be solved by legislation. Seattle may yet be the radiant center of a social movement that will eclipse the fame of Los Angeles. —New York World.
