HERE IS RELIEF!

You Can Enrich Your Worn-out Blood and Quickly Renew Your Health
Dr. Hamilton's Pills

"I can't remember any time during the past twenty years when my heart wasn't aching. If I bent over, dark specks would come before my eyes and it seemed as if all the blood in my body wanted to rush to my head."

Thus opens the letter of Mrs. Enoch S. Spry of Putnam, P.Q., and continuing her interesting statement she says: "Work or exertion made my heart beat terrible, and going upstairs caused such shortness of breath that it fairly frightened me. I tell you how I feel today and you can understand what a great cure Dr. Hamilton's Pills have made. I feel strong enough now to work like a man, as for going up stairs on the run it doesn't bother me at all. I eat and sleep as any well person ought, and as for dizziness which used to frighten me so much, it has entirely disappeared. Dr. Hamilton's Pills are a wonderful medicine. They helped me and I know every woman that uses them will have comfort and good health. Refuse anything offered you instead of Dr. Hamilton's Pills of Mandrake and Butternut, 25c per box at druggists and storekeepers, or the Catarrhzone Co., Buffalo, N.Y., and Kingston, Canada."

I Am Willing To Prove I Can Cure You

To That End I Am Giving Away \$10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars' worth of this medicine, and anyone suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of it or all of it and pay me if cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Urine Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept it now or later if you sent it. It's free in the real meaning of the word.

For twenty-five years—a quarter of a century—I have been trying to convince the public that I have something genuine, something better than others have for the cure of stubborn, chronic rheumatism, for torturing kidney backache, for annoying calls to urinate. But it is hard to convince people—they try a few things unsuccessfully and give up all hope and refuse to listen to anyone thereafter. Happily, I am in a position now to demonstrate to sufferers at my own expense that I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me, nor even to take the word of reliable people, but all I ask is that they allow me to send them the medicine at my own cost. That is surely fair.

To this end I have set aside ten thousand dollars, which will be used to compound my medicine. Each of it is ready now to be sent out, all of it fresh and standard. There will be enough for all sufferers, though there be thousands of them. I am devoting to this cause, for the purpose of medicine I send you will be fully prepaid at my expense. From any standpoint you view it, YOU incur no expense or obligation. Just tell others who you know are suffering who sent you the medicine that cured you.

I am promising to give away ten thousand dollars' worth of medicine and I will do it. I am promising to send any sufferer who writes me a box of this medicine and full directions free of charge, and I will do that.

THE PATHETIC END OF A SPECTACULAR CAREER

(Continued from page one)

more lavish offices in New York and early in 1907 he began the publication of the Boston Daily Tribune. The New York office proved unprofitable, and the paper was discontinued after it had been run for several months at an expense estimated at half a million dollars.

Early in 1908 King's customers began to complain that listed stocks for which they had sent him money had not been delivered. A little later it was announced that King had placed all his property and affairs in the hands of two trustees. A meeting of creditors followed, King was declared a bankrupt, and an investigation by the trustees in bankruptcy showed liabilities of \$300,000 and assets less than \$14,000.

King was traced to Paris and finally to Colombo, Ceylon. He returned to Boston and surrendered himself at police headquarters June 12, 1908. His trial began on Dec. 4 and on Dec. 29 he was convicted on 27 of 31 counts, charging larceny and embezzlement.

Two weeks after his conviction, King was sentenced by Judge Schofield to hard labor in the State prison. The sentence followed a most dramatic recital in which King reviewed his life, his flight from Boston and his travels in Europe and Asia. He declared that he was innocent of any wrong intent in any of his acts, and he closed by accusing Thomas W. Lawton, the Boston financier, of secretly fighting him and bringing him to financial ruin. Later he made repeated attempts to obtain a pardon.
