For himself Mr. Coldwell declared that the muchdiscussed amendments to the school CROWD DEMANDED EXPLANAaw had given the Roman Catholics notking, and that before separate schools were introduced in Manitoba ne would resign his position.

AN EXPLANATION DEMANDED

The question was forced upon the Minister by Provincial Grand Master James Willoughby, backed up by the undivided support of four thousand Orangemen from all parts of Manioba.

The Grand Master demanded an explanation and a clear statement as to the meaning of the amendments of order. 1912. In spite of Mr. Coldwell's statement that nobody had asked

During June the crops throughout Canada maintained generally the favorable average of a month ago. On June 30, the condition, expressed in percentage of the usual standard of 100, taken as representing the prom-ise of a full crop, was as follows: oats 87.71, barley 88.39, fye 85.95, peas 87.43, mixed grains 87.12, hay and clover 71.52, alfalfa 77.23 and pasture 82.31. By provinces the condition is between 80 and 90 for the Maritime Provinces, Quebec, Ontario aod Manitoba. In Saskatchewan and Alberta the outlook at the end of June appeared to be especially promising, as the condition was above 90 in all cases excepting Fall wheat, the condition of which in AlbtIta was

These represent increases over the esrimates published last year cattle." The estimates are based upon the final figures of the Census 1911 for all the provinces except Saskatchewan, Alberta and British Columbia; so that the totals are still subject to final revision upon completion of the census results. The condition of all classes of live stock was reported as especially favorable on June 30, being 100 or above for horses, milch cows, sheep and swine and 97 for cattle other than milch ARCHIBALD BLUE, Chief Officer.
