## IMMIGRATION STATISTICS

### Two and a Half Million New Settlers Here in Thirteen Years

The Maritime Provinces are Alleged to have got Over One Hundred Thousand

Ottawa, Aug. 7.—A statistical report issued by the immigration department, gives some interesting figures as to the nationality and distribution of the 2,521,144 immigrants who have come to Canada during the thirteen fiscal years ended March 31 last. It is worthy of note that Eastern Canada got nearly half, or 1,110,461, of these new citizens, as compared with 1,410,683 who went to the prairie provinces and to British Columbia.

Ontario took the lion's share, the total reported as settling in that province being 626,924.

The three Maritime Provinces got 109,280, Quebec, 374,257; Manitoba, 396,913; British Columbia, 298,374, and Alberta and Saskatchewan between them 702,185.

During the last fiscal year, out of a total of 402,432 immigrants, Ontario got 122,798, the Maritime Provinces 19,806, Quebec 64,835, Manitoba 43,813, Saskatchewan 45,147, Alberta 43,073 and British Columbia 57,960. It will be noted that last year over half the total number of immigrants arriving were destined to the eastern provinces.

Of the two and one-half millions immigrants who have arrived since 1900, nearly one million, or 873,730, have been from the British Isles. The influx from the United States has totalled 891,129, while from non-English speaking countries the arrivals have totalled 656,235. The latter include 164,527 Austro-Hungarians, 88,008 Italians, 61,384 Hebrews, 67,378 Roumanians, 30,762 Germans, 25,016 Chinese, 24,220 Swedish, 21,085 French, 24,396 Polish, 17,535 Russians, 17,130 Newfoundlanders, 17,322 Norwegians, 14,617 Japanese, 12,010 Belgians, 12,395 Bulgarians, 6,080 Greeks, 5,605 Syrians, 5,208 Hindoos, 3,858 Turks and 4,025 Icelanders. Negro immigrants for the period totalled 732 and 211 of these came in last year.

The 19,000 Chinese who have come to Canada during the past three years, have contributed to the public revenue via the \$500 poll tax on them, no less a sum than \$8,661,020 or almost half the total estimated cost of the Hudson Bay Railway. Practically half of this total has gone to the treasury of British Columbia. Deportations of immigrants for various causes, during the thirteen years have totalled 6,907, the number for the last fiscal year being 1,281. There were deported last year 334 for criminality, 220 for insanity, 292 for being public charges and 107 for vagrancy.

## YOUNG BOY HAD NARROW ESCAPE

### St. John Yachtsmen Pul'd Him from River just in time—Seized by Cramp while Swimming

George McDonald, a young boy, employed by Lemont & Son, had a narrow escape from drowning in the river last evening. His rescue by some St. John yachtsmen, whose yacht was at anchor nearby, was most timely, as young McDonald had been seized by cramps and could swim no further. Today he is little worse for his experience.

The boy with others was swimming from the wharf above the Temple landing to a couple of scows anchored about one hundred yards from shore. He was coming back from the scows when the cramp seized him. His danger was noticed by several persons about the A. and B. club house and along the shore. Several boats put off and rowed to where he was in the water, and he was picked up. A large crowd was attracted by the accident.

## NATIVE OF NASHWAAK COMMITS SUICIDE

### Mrs. Allan T. Smiley Formerly Miss Ruth Woodworth, Found Dead at Point of Pines, Mass.--Had Been Suffering from Nervous Trouble for Some Time and was under Doctor's Care--The Body Identified

Boston, Aug. 7.—The body of Mrs. Allan T. Smiley, formerly Miss Ruth Woodworth of Nashwaak, N.B., was found today on the sands of the beach at Point of Pines, Revere. As the woman had been suffering from nervous trouble there is little doubt she committed suicide.

Mrs. Smiley was forty years of age and the wife of a trowman on the Boston Electric Street Railway. She had been missing from her home, 24 Bowers avenue, Malden, since Wednesday afternoon. The mystery in the case is the fact that no trace has yet been found of the outer clothing of Mrs. Smiley, who when found was dressed in her underclothes and stockings, with corsets and a shirtwaist. Her shoes, hat and dress are still unaccounted for.

Mrs. C. A. Morgan of Portland, Me., a sister, who is visiting the family, said today that her sister's act of suicide must have been the result of a momentary impulse.

"Ruth has been sick for a long time with nervous troubles," she said, "and she was under the doctor's care. For the past week she has been out of her head but yesterday the doctor said she was rational again and that we need not keep so close a watch upon her. So I went upstairs to take a nap just after noon and left her in the kitchen. When I came down later she was gone. I think she left the house about three o'clock."

"As soon as I discovered that she was missing I at once started a search for her which we kept up nearly all night through the cemeteries, Pink Banks Park and the Fells, the police helping us in the search."

The identification of the dead woman was made difficult because of the appearance of her maiden name, Ruth M. Woodworth, upon her underclothes and stockings. Two years ago she married Mr. Smiley of Portland, Me., and the couple came to Malden to live. She leaves a step-daughter, Dorothy, aged fifteen. Fred and Hartlow Woodworth of Nashwaak, are brothers.

SPOILED MARRIAGE PLANS.

Miss Lena Loney, a seventeen-year-old girl of Milltown, Me., near St. Stephen, was taken home from Lewiston last night by her mother, who traced her after the daughter fled to get married. She disappeared Monday, leaving word that her whereabouts could not be found. Letters were found, however, which caused her mother to think she might have gone to Lewiston to marry Charles Keith.

Mrs. Tracey, the Lewiston police matron, found the girl at the home of Keith in Barkerville, where she had been staying with Mrs. Keith, the mother of Charles, since coming to town.

The girl insisted she wished to marry Keith, but the mother objected on the ground of her youth. Mrs. Loney said she had no objection to Keith except that both he and the girl were too young. Keith met Miss Loney while working at Calais about a year ago.

GIBSON Baptist and Church of England Picnics Were Held--Personal Notes of Interest

Gibson, Aug. 8.—The annual picnic of the United Baptist Church was held on the beautifully situated grounds of Mrs. M. L. Bailey yesterday afternoon and last evening and was largely attended throughout the day. The Marysville Brass Band furnished excellent music which added wonderfully to the enjoyment of the occasion. The gate prize of five dollars in cash was won by Mrs. Fowler with ticket No. 13. Mr. Ford Bailey won the hammock as first prize for the bean toss, James Bolster winning the hand bag as second prize. Mitchell Donohue won the pole guessing contest, as well as the number of beans in a bottle getting two valuable prizes. The usual picnic games and sports were provided and refreshments offered for sale. Supper was also served on the grounds. The whole affair was certainly very successful and enjoyable.

The Church of England picnic at the Douglas Boom yesterday was attended by a large number of the congregation and their friends. The outing was indeed a delightful one. Baseball and other games were played and a jolly good time spent by all present.

Rev. R. W. Ferguson of Blackstone, Mass., is visiting his brother, Rev. H. H. Ferguson at the Baptist Parsonage.

Rev. R. W. Ferguson expects to occupy the pulpit of the Leinster Street Baptist Church at St. John Sunday while Rev. Geo. Bolster who is visiting friends in Gibson will preach at the Victoria Street Church, St. John, Sunday.

Miss Gillies of Springfield, Kings County, who has been visiting her uncle, Rev. H. H. Ferguson, has accepted a position on the teaching staff of a St. John School.

Mr. George Foss bought two dwelling houses at Barker's Point, one of which he intends fixing up to occupy himself. He will likely rent the other.

## THE MARKET IS UNSTEADY

### Union Pacific and Amalgamated Copper are Going Strong

Canadian Pacific has been Showing Weakness for Several Days on Berlin Bourse

New York, Aug. 8.—If any force other than favorable technical conditions were discernable in yesterday's stock market, it was the attitude of the Secretary of the Treasury in the matter of the government of deposits with interior banks. This action was indirectly reflected by an ample supply of call money and a disposition on the part of banking interest to make slight concessions in the matter of time loans. Whether this is the best thing that could happen at this juncture is a matter upon which opinion is widely divided by speculative interests, are indifferent to any consideration beyond the immediate future and have not been slow to seize the opportunity to bid up their favorite stocks. According to newspaper advices the diplomatic relations between this country and the Mexican republic are distinctly strained, and the whole situation contains some very unpleasant possibilities.

## BIG SHIPMENT OF CATTLE

New Orleans, La., Aug. 8.—Arrangements are being made to handle the largest shipment of cattle ever brought to this, and probably to any American port. The first shipload of a movement of 93,000 head will dock here tomorrow from Tampico, Mexico.

Forced by the continuance of the insurrections in the southern republic, the owners are going to this vast expense as the only means of saving any portion of their property. While the shipment is being made in the name of the Corralitos Ranch Company, an English concern, it is understood that General Luis Terrazas, Enrique C. Creel and other Mexican cattle owners are sending out some of their cattle with this movement. Thirty-one hundred stock cars will be required to carry the cattle from New Orleans to the various ranches to which they have been assigned.

## DENVER THE MECCA OF KNIGHTS TEMPLAR

### The Advance Guard has Already Arrived and the Entire City will Capitulate to them on Monday--Forty Thousand Plumed Knights Expected to Line up--Elaborate Preparations for Entertaining the Delegates

Denver, Colo., Aug. 8.—From east and west and from north and south armies of Knights Templars are converging on Denver today. The advance guard is already within the gates and the entire city will capitulate to the invaders before Sunday, when the thirty-second triennial convocation of the order will be formally opened.

It is more than twenty years since Denver was similarly honored, the last meeting of the grand commandery here having taken place in 1892. In the interval Chicago, Cleveland, Boston, Saratoga, Louisville and Pittsburg, among other cities, have entertained the triennial convocation. In the matter of attendance Washington D.C., holds the record, over twenty-five thousand templars, by actual count, having passed in review before President Harrison, but Denver hopes to eclipse this record, and to show at least forty thousand plumed knights in line next week.

For nearly two years the local committees of reception and entertainment have been preparing for the advent of the mighty hosts that will sojourn in this city during the next seven days and even thus early the hundreds of strangers are willing to admit that the work of the committees has been well done.

In the matter of decoration, it might be said that Solomon in all his glory was not arrayed as in Denver today. On every hand are to be seen the emblems of the order intertwined with the national colors. The electrical decorations are particularly rich and elaborate. When Grand Master Melish is escorted from the railroad station tomorrow by the Denver commanderies, numbering 1500 swords, he will pass along an avenue lined with more than 100 light poles, each bearing the national colors, represented in two flags. Between these will be the templar insignia of cross and crown and a maltese cross in black, besides which there will be festoons of colored lights.

## THE DECORATIONS.

The scheme of decoration includes an exact reproduction of the Mickle-
