The Kidneys Are To Blame WHEN A WOMAN'S BACK IS NOT STRONG.

Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys.

The kidneys are overtaxed, given more work than they can possibly do—then they cry out in protest through the pain in the back.

When the back aches and pains it is almost impossible to do her housework, for every move and turn means pain.

On the first sign of backache Doan's Kidney Pills should be taken so as to avoid all this suffering.

Mrs. Harvey W. Brownell, Northport, N.S., writes:—"I now take pleasure in writing you, stating the benefit I received by using Doan's Kidney Pills. About a year ago I was terribly afflicted with lame back, and was so bad at times I could not sweep my own floor. While looking through B.B.B. Almanac, I saw Doan's Kidney Pills were a great kidney remedy, so thought I would try a box or two. I did so and found great relief. After using five boxes I was completely cured, and I am very thankful to have found so speedy a cure."

Price, 50 cents a box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct, specify "Doan's."

Cyril Maude, the noted English actor, will make his first appearance in the United States next Fall under the management of the Liebman Co.

Next Fall Mrs. Patrick Campbell and Sir John Hare are to appear together in London in Mr. Barrie's new comedy, "The Legend of Leonora."

Warner Oland has been engaged by Robert Campbell to play Robert Hilliard's role in "A Fool There Was," when that play is sent on tour next August.

Charles Fronan has engaged H. V. Esmond and Miss Eva Moore for an American and Canadian tour in will be given its first American "Eliza Comes to Stay." The play production in New York some time in December.

Kidneys Wrong?

If they are you are in danger. When through weakness or disease the kidneys fail to filter the impurities from the blood, trouble comes at once. Backache, Rheumatism, Sciatica, Gravel, Diabetes, Gall Stones and the deadly Bright's Disease are some of the results of neglected kidneys. Dr. Morse's Indian Root Pills contain a most effective diuretic which strengthens and stimulates the kidneys so that they do their work thoroughly and well. Try

ARE YOU MAKING GOOD?

In the game of making good there's a time limit, writes J. R. Worden in The Business Philosopher.

When we were 17 the future to us was a world unexplored, with time unlimited.

But at 37 or 47 our perspective has changed.

We look into the future through wiser eyes and are startled—time has acquired boundary lines.

We look back at opportunities lost—at things done which we ought not to have done—at things left undone which we ought to have done—at long hours and well-meant labor which proved profitless.

And it shows in our score.

We stand at the crest of the hill—the game is half over—to win we must capitalize the future with experience gathered from the past.

But we cannot afford to put off till tomorrow.

We cannot afford to miss even one opportunity.

There is a limit—a time limit—and every day, every hour, every minute is reducing just that much our chance of rolling up a good score in the game of making good.

We can't afford to go through the year not knowing whether we are winning, playing even or going behind.

A year is 365 precious days—8,760 hours—the best days and hours of our life—and we can't coax them back.

If we are losing we want to know today, so that tomorrow we can "change the trump."

And next week we want to know how much we profited by the change.

If we investigate we find that a large percentage of all failures are due, not to lack of ambition, ability or hard work, but rather to each man's ignorance of the actual condition of his own particular business.

Further investigation convinces us that the great majority of small retailers are capable, hard-working business men, working in the dark, waiting for the end of the year to find out if their score has gone up or down in the game of making good.

But we find the man who is making a "killing"—the man with the best score—is the man who labors less and thinks more, the man who systematizes, who installs a proper accounting system, the man who knows which clerk deserves a raise and which should be fired, who knows which lines should be discontinued and which pushed.

He is the man who knows this week what he made last week.

He is managing.

We have the same opportunity.

What he is doing we can do; we have the same ambition, ability and energy.

But we must be up and doing; we've reached the crest of the hill, and—

In the game of making good. There's a time limit.

CONSTIPATION Can Be Cured.

You cannot expect to be well if you allow your bowels to become clogged.

What is necessary is to have a free motion of them every day, and to keep them in this condition all the time if you wish to be strong and healthy. If you don't keep them open the system will become clogged up with poisonous matter and produce constipation, headache, dyspepsia, bad blood, etc.

Keep the bowels in good condition by using Burdock Blood Bitters; the remedy that has built up an unrivalled reputation, during the past thirty-six years, as a cure for all troubles arising from a constipated condition of the bowels.

Mrs. Thomas Calder, East Lower Fort Garry, writes:—"I am writing you to let you know what Burdock Blood Bitters has done for me. I suffered very much from constipation and none of the medicines I took agreed with me. Now I am glad to say that there is nothing like B.B.B. Since taking it I have not been troubled."

Burdock Blood Bitters is manufactured by The T. Milburn Co., Limited, Toronto, Ont.
