OPPORTUNITY FOR LIBERALS  
TO HELP ALONG THE CAUSE

May 7, 1913.

## TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

H. R. EMMERSON  
F. B. CARVELL  
O. TURGEON

The treasurer for York County will be Mr. C. Fred. Chesnut of this city. Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

**FAST WORK**—One of our speedy bicyclists made the trip from this city to Marysville in eighteen minutes. This included crossing the bridge.

**UPSET**—Mayor Beckwith was thrown from his carriage on Wednesday evening his horse taking fright at the Gypsy Camps below town. He was not seriously injured. The buggy has to be sent up for repairs.

**ONE OF OURS**—Fred Hatt of this city made a good showing at the Moncton bicycle races on the 12th, being second. First place was taken by Jack Kirkpatrick of St. John.

**RIVER BOATS**—A promise has been made that the steamer David Weston will be put on between this city and St. John next week while the Soulages will come on in August. Many appear to be doubtful, but it is hoped for the benefit of the city that the boats will be put on.

**POOR RESULTS**—The Southampton packet, the little towboat steamer built to ply between this city and Southampton did not make a very successful trip. She had to be hauled by a horse through the Bear Island Rapids and did not go above Nackawick. She is now above the waterworks undergoing repairs.

**PERSONAL**—George C. Hatt is home from a visit to Montreal. Mr. and Mrs. C.H.B. Fisher, Martin Lemont and William Lemont returned on Saturday from a trip to the Island province. Dr. and Mrs. Bailey have gone to Digby. Mr. N.A. Chiff has arrived from Florida. C.H. Giles wife and family of Springhill have gone to Montreal en route to England. Thomas Purvis, merchant of Millville was in town on Thursday.

**THE ASSESSMENT**—All the boys are having more or less argument over the assessment and the amount of taxes they have to pay. It is the opinion of all that this city is too highly taxed, but it must be taken into consideration that the residents of Fredericton have many luxuries and all the necessities of city life, and they must pay for what they get. Some may say that we can get along with less expense and perhaps we can, but we cannot enjoy all the privileges without footing up the cost.

**NEW STEAMER**—It has been decided to build a light draught steamer to take the place of the Florenceville on the up river route. This boat is in need of repairs and is not suited to up river service, her carrying capacity and speed being suited to the lower river. The new boat will be under the supervision of D.F. George and will be so constructed that she can run most of the season and go beneath the bridges.
