

## A MAN WHO KNOWS

Says GIN PILLS Are Good For Pain In The Back

WHEN your grocer tells you he uses a certain tea in his own home, you feel pretty sure it's good tea.

And when a prominent druggist takes GIN PILLS for his own Back-ache, you can feel quite sure there is nothing else quite so good.

Winnipeg, May 10th, 1912.

"In the autumn of 1911, I suffered with a continual pain in the back. As a druggist, I tried various remedies without any apparent results. Having sold GIN PILLS for a number of years, I thought there must be good in them, otherwise the sales would not increase so fast. I gave them a fair trial and the results I find to be good."

GEO. E. ROGERS.

GIN PILLS have well earned the confidence which druggists, as well as the public, have in them. For years they have been relieving the pain of Rheumatism, Lumbago and Kidney Troubles generally, and changing tortured cripples into strong, supple men and women.

Why should you go on suffering when there is a remedy so easily obtained and so reliable? GIN PILLS cost but six cents a box, 6 for \$2.50. Money back if they do not help you. Sample free if you write National Drug and Chemical Co. of Canada, Limited, Toronto.

When a 12-year-old boy, in a Pennsylvania town found a roll of bills amounting to \$1,000 he returned it to the owner. The latter thanked him and gave him five cents as a reward.

## NEWS FORECAST FOR THE COMING WEEK

Washington, D. C., March 1.—The Presidential inauguration will be the big event of the week, overshadowing all else in interest and importance so far as the American public is concerned. The national capital is counting upon 150,000 visitors next Tuesday, when Woodrow Wilson, Democrat, will succeed William H. Taft, Republican, as President of the United States and Thomas R. Marshall will take the office of Vice President.

The program arranged for the pageant and ceremony is virtually the same as that of other inaugurations of recent years. The two big features of the day will be the induction of the President and the Vice President into office at the Capitol and the parade that will follow these ceremonies.

The program for the ceremonies that are to accompany the swearing in of the President and Vice President starts the day's ceremonies with the inauguration of the Vice President in the Senate chamber. Immediately Mr. Marshall takes on the title Vice President, the persons admitted to the Senate chamber will proceed to the outdoor stand on the east front of the Capitol, where Mr. Wilson will take the oath of office and from which he will deliver his inaugural address. Then the marchers will fall in line and the parade up Pennsylvania avenue will begin.

### SUFFRAGE PARADE

Rivaling in public interest the inauguration parade of Tuesday will be the Suffrage parade and pageant on the preceding day. Committees that have been at work for weeks on arrangements for the suffrage parade believe that the demonstration will be the most remarkable ever seen in any country in advancement of a cause. The parade down Pennsylvania avenue will be in five divisions and will include representatives of equal suffrage organizations in every state. Many floats and picturesque features will be included. While the parade is passing there will be given an elaborate pageant on the steps of the Treasury building, illustrating the birth and progress of the battle of women for the franchise.

In the Federal court in Chicago Albert C. Frost and eight associates will be placed on trial Monday on a charge of conspiracy to defraud the United States government out of Alaska coal lands valued at \$10,000,000. The case has been pending five years.

## NEWS OF FREDERICTON TWENTY-ONE YEARS AGO

(From the Weekly Herald of Saturday, February 27, 1892)

MAULED BY BEAR—Thomas Troop the Infantry School man recently provoked Dick the soldiers' pet bear until it attacked him inflicting serious injuries. He was thrown to the ground and bitten about the legs. Another soldier with a stick drove the bear into his den and pulled Troop out of harm's way. The injured man is in hospital and is receiving every care.

FROM THE WOODS—Several men who have been working for John A. Morrison in the woods came down on the Gibson train Wednesday evening. They report good doings on Black River and that Mr. Morrison is putting in the cedars very fast. There is three feet of snow in the woods.

READY FOR OPENING—The work at the Parliament Buildings is about completed and will be ready by the time the legislation meets. All will be pleased with the changes made especially with the decorative work and to the means of ingress to the gallery.

SHALL WOMEN VOTE—It appears that this question will have to be answered in the affirmative shortly as petitions to that effect are being circulated in the city and vicinity and are being largely signed and will be laid before the legislature.

DAILY MAIL SERVICE—Arrangements have been completed with the C.P.R. so that mails will be carried over the Gibson-Woodstock Branch thus giving Keswick, Cardigan, Zealand Station and places adjoining these stations daily mails. It is expected to begin shortly.

NEW TELEPHONE LINE—Emery Sewell who is one of the progressive men of Gibson has decided upon having telephone connection between his store at Mauderville and this city. He has William Magee of this city and Edward Perley getting out the poles.

Returned Westerner—John Essena formerly of Newmarket has come home from Montana and is visiting friends. He is a relative of David and Andrew Essena and like them is always ready for work. He has amassed a fortune in the west.

HE DOES HIS DUTY—Deputy Sheriff Hawthorn although engaged in a calling that in the hands of most men makes more enemies than friends does his duty in a way that gives as little offense as possible at the same time securing the ends of justice. When he goes to take a man, he takes him but he does it in a manly way. He has thus gained hosts of friends and is the most popular official in the province.

STARCH BUSINESS—D. F. George besides his large business in bark shingles and sleepers, does a heavy trade in starch. It is brought in bond from Aroostook County and carried down to Gibson where it is held till the opening of navigation when schooners carry it to Boston and New York.

MARSHAL RICHEY'S DEATH—News of the death of Mr. Marshal Richey was a shock to the citizens. In his dual capacity as a business man and an alderman of the city he had become known to most of our citizens and was highly respected by all. Born in Fredericton in the house in which he died, he always had a deep interest in the city's welfare and was always ready to help along any project for the benefit of the general public. He was elected alderman in 1864 and was re-elected fourteen times. He held the seat for eight successive years.

THE PLAIN DEALER—"The Plain Dealer" a weekly journal published in Moncton by C. Bruce MacDougall is the latest aspirant for literary honors. It has lots of vim about it.

and is evidently destined to animate some old bones about that town especially about the Times office. Bruce intends to strike out from the shoulder and hit hard. (More recently the same man published "Free Speech" in Moncton. He was killed in Sydney, N. S., some time ago by falling down stairs.)

MEDICAL SOCIETY—The York County Medical Society was formed here last night and the following officers were elected. President Dr. T. C. Brown; Vice-Pres., Dr. D. R. Moore; Sec.-Treas., Dr. F. N. Brown; Executive Committee, Doctors Coulthard, Currie, Coburn and McLearn. (Of the above Dr. Moore is the only one now practising his profession in this county. Doctors Coulthard, T. C. Babbitt, James Tibbitts and A. H. F. Randolph, directors. Two dividends of four per cent. were paid during the year.

CLAN GORDON'S FORAY—Two large four-horsed sleighs loaded with canny Scots set out from the corner of York and Queen Streets on Tuesday evening for an outing at Springhill. It was the foray of Clan Gordon. Among the braw chiefs who made most of the music were Chief A. S. Murray, James Tennant, Eben Miller and Robert C. Macredie. With songs and jokes the time passed merrily, and about half past nine the Springhill Hotel was reached, where Austin met them at the door. The party soon got settled down to enjoyment and to the strains of Mr. Seggie's violin some real old-style tripping took place. Although Mr. Seggie has reached an age over eighty when the fingers are supposed to have lost their cunning, yet the music was hard to surpass. Highland flings and reels were gone through in a way that showed the ancient spirit is not dead. Several very lively and appropriate addresses were made one by Robert Ashford being particularly worthy of notice. As the "wee sma' hours" began to chime the clansmen gathered up their belongings and were soon back to the city.

### A STAUNCH FRIEND

Did you ever think what your ad. in the newspaper is doing for you? When you close your store in the evening and go home to your family and fireside, not thinking about your business at all, then it is that the paper is being pored over in hundreds of homes—the homes from which your trade is drawn. And there is your ad. doing its work silently, but surely, and if you have taken the pains to make it attractive its work will be all the more attractive. This is repeated over and over again, and is no doubt what inspired some writer to call newspaper advertising a "silent drummer."

## HAD A DREADFUL COUGH FOR OVER SIX MONTHS.

Thought It Would Turn Into Consumption.

Miss Jane Dousette, Point a la Garde, Que., writes:—"Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough, for over six months, and tried everything but in vain. I thought it was going to turn into consumption. A friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicines I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit.

I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me. See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. Price, 25 and 50 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
