THE DANGER OF ANAEMIA

Consumption May Follow Unless Its
Ravages are Checked

There is danger to every girl and every woman who falls a victim to anaemia—that is bloodlessness. They become listless, feel too weak, too wretched and too hopeless to take prompt steps to stop the trouble. Too often, through neglect, they drift into a worse condition, forgetting that anaemia frequently leads on to consumption. If you are anaemic in the least degree you should lose no time in beginning treatment, to increase and enrich the blood supply. To do this there is no other medicine so good as Dr. Williams' Pink Pills. Every dose helps make rich, red blood, which drives out disease and brings again the bloom of health to pale and sallow cheeks. There are thousands of women and growing girls in Canada who owe their present good health to the timely use of Dr. Williams' Pink Pills. Among those who have been restored to health by this great medicine is Miss Rose Neville, Mount Forest, Ont., who says: "Dr. Williams' Pink Pills performed almost a miracle in my case. I was a victim of anaemia, in what my friends considered a dangerous form. I was very pale, always felt tired out, suffered from severe headaches, and had no appetite. I was taking doctor's medicine for a long time—in fact I tried two doctors—but instead of improving I seemed to be growing worse. My parents were at a loss to know what to do for me and thought I would not recover. Then a friend advised Dr. Williams' Pink Pills and I had only taken them a few weeks when I began to feel better. This greatly encouraged me and I continued taking the Pills for some time longer, and found my health again as good as ever it had been. In fact I am stronger than ever I was before. I have advised the use of Dr. Williams' Pink Pills to other girls who have found the results equally beneficial."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

REJECTED SUITOR KILLS YOUNG BRIDE AND OTHERS

Philadelphia, June 23—A rejected suitor tonight shot and killed a young bride and a man who attempted to save her, while three others, one woman and two men, were probably fatally injured at a wedding celebration in the northern part of the city.

The dead are Mrs. Nicholas Bozella 18 years old, and Vincent Spirti of Landsdowne, Pa.

Selice Spirti of Morton, Del., was stabbed near the heart, an unidentified woman about 25 years shot through the breast, and Angelo Goecino, who is accused of doing the shooting, was slashed about the throat. None of the wounded is expected to recover.

Mrs. Bozella was married five months ago upon her arrival here from Italy. Her husband and she were childhood sweethearts, but during his absence in this country she had been courted by Angelo Goecino, whose attentions she is said to have spurned. Goecino, it is alleged, followed her to America, but did not cause her any annoyance until tonight, when he appeared at the celebration, at which more than a score of guests were present, and opened fire.

When he had exhausted the supply of bullets in his revolver the crowd surged upon him, and someone slashed him through the neck with a knife.

Had Weak AND Dizzy Spells.

Those feelings of weakness, those dizzy spells and "all gone" sinking sensations, which come over some people from time to time, are warnings that must not go unheeded.

They indicate an extremely weakened condition of the heart and a disordered state of the nerves.

One dizzy spell may pass off, but the next may be more serious.

Those who are wise will start taking Milburn's Heart and Nerve Pills, before their case becomes hopeless. They have no equal for reviving and strengthening the heart, and invigorating the nerves.

Mrs. A. E. Martell, Rockdale, N.S., writes: "I was troubled for a long time with my heart, had weak and dizzy spells, could not sleep, and would have to sit up the greater part of the night. At last I got a box of Milburn's Heart and Nerve Pills and they did me so much good I got another, and after taking it I could sleep as well as before I was taken sick. They are the best medicine I ever heard of for heart or nerve trouble."

Price, 50 cents a box; 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

LICENSE TO WED REFUSED THEM

Poughkeepsie, N.Y., June 24—Mrs. Meta Sinclair, the divorced wife of Upton Sinclair, and Herbert Halliwell of this city, whose rumored engagement was reported a few days ago, were yesterday refused a marriage license by City Chamberlain J. J. Graham of Poughkeepsie, on the ground that they have been living at Dr. Sahler's Sanitarium at Woodstock and because Mrs. Sinclair gave her residence as New York City.

After they were refused a license, Mr. Halliwell and his fiancée went to the home of Mr. Halliwell's mother in this city. They made no effort to avoid the crowds that endeavored to get a glimpse of the woman who has created such sensation by her peculiar marriage ideas.

Mr. Halliwell admitted that he would be married within a week but by whom or where he refused to state. Both are strongly determined to be married, regardless of any opposition that might develop, according to the statement of Mr. Halliwell.

Mrs. Sinclair was becomingly attired in a cream-colored yachting suit with a broad-brimmed Gibson hat, with wide streamers tied under her chin. Mr. Halliwell wore a cream-colored flannel suit. It is believed that the couple will leave here tomorrow morning for New York City, where they will apply for a license, and will probably be married there.

LADY IN 80th YEAR TRIPPING TO SCOTLAND

Montreal, June 24—Although she ladies have ceased from using rail-has arrived at an age when most way trains and steamships, Mrs. Matthews Clark of Osborne, Ont., evidently retains a love for travel. This lady, on the eve of celebrating her eightieth birthday, spryly dismounted from the Toronto train today and inquired for a comfortable spot in which to spend a few hours previous to embarking on a liner for her girlhood home in Scotland. Mrs. Clark is taking the long journey unattended, but she makes light of it, for she belongs to a race of hardy Scottish pioneers.

CATARRH OR COLDS NEVER QUICKLY CURED BY SWALLOWING DRUGS

Cough Syrup, Tablets, etc., go to the Stomach, Perhaps Sicken It, But Don't Kill the Germs of Catarrh

THE DIRECT BREATHING CURE IS BEST

To cure an ailment in the throat or chest, to rout out Catarrh or Asthma, it is essential that the medicine be conveyed direct to the affected parts. This is why no other remedy has achieved such world-wide success as Catarrhzone, which alone can be breathed in one second to every air cell in the breathing organs. The healing vapors of Catarrhzone mix with the breath and descend through the throat, down the bronchial tubes, to the deepest air cells in the lungs—all parts are saturated with the rich piney essences that ease, heal and cure.

"No one ever contracted a more obstinate attack of nasal catarrh than I suffered a month ago," writes Mr. G. E. Root, a well-known resident of Bridgetown, W.I. "My head ached terribly, I sneezed about every three minutes but still my nostrils were entirely closed and I couldn't breathe through them. Ten minutes inhaling Catarrhzone gave me a little relief so I continued to use Catarrhzone every hour and before the day was out I was improved. Catarrhzone quickly cured me. I am well ever since."

There is no remedy so certain and safe as Catarrhzone but being a good remedy it is imitated. Beware of the substitutor. Large Catarrhzone lasts two months, price \$1.00, smaller sized 25c. and 50c. At all storekeepers and druggists or The Catarrhzone Co., Buffalo, N.Y., and Kingston, Canada.
