CURED MY COUGH
IN ONE NIGHTRelieved Me of a Throat Weakness
That Resisted Every Treatment

"SUFFERERS, FOLLOW MY PLAN"

"After being loaded down with a chronic hacking cough for months you can imagine my joy at finding even a relief from it," writes Mrs. O.A. Tooker, of Monsoon, Mass., U. S. A. "I was troubled with an irritable throat weakness and asthma that simply denied every medicine I ever used. I was discouraged until a friend recommended Catarrhzone so strongly that I bought a dollar outfit from my druggist. It breathed in the healing fumes of Catarrhzone very deeply—used the inhaler five minutes every hour. After the first day I was better, and next morning my cough was gone. My asthma is cured, my throat weakness is gone, and I am well. For two years indeed with the aid of Catarrhzone, I have kept perfectly well. I have also used Dr. Hamilton's Pills for constipation with grand results, and consider your remedies have done wonders for me."

Thousands of wonderful cures are reported every year. Catarrhzone does all that is claimed for it, and is certainly most efficient for colds, bronchitis, throat trouble, asthma and catarrh. The two months' treatment (large size) price \$1.00 is guaranteed, small size 50c., sample size 25c., at all storekeepers and druggists or The Catarrhzone Co., Buffalo, N.Y., and Kingston, Canada.

NEWS OF FREDERICTON
TWENTY-ONE YEARS AGO

(From the Weekly Herald of Saturday, July 9, 1892)

PATRIOTIC—F.B. Coleman the United States Consul had the stars and stripes floating on the Barker House Monday the Fourth.

NO ELECTRIC LIGHTING—After some telling speeches pro and con the City Council at Tuesday evening's meeting decided not at present to light the city by electric ty.

CHOCKED FULL—Butler's Journal chocked full of bon mots is issued today. It has reached the third volume. Martin has been over the C.E.R. and has much to say of his trip.

RUMORED—A popular clerk in one of our most extensive dry goods establishments and the daughter of a prominent lumberman, it is rumored are to be married next week.

STEAM PACKET—Brown & Grant's little steam packet for conveyance of freight to and from Southampton will be completed today. It is said by experts that the boat will sail fast and will be strong enough for any rapids on the river.

FIREMEN—Our fire ladders returned home from Charlottetown on Monday evening expressing themselves much pleased with the treatment accorded them in the Island Province. There was a rally at the Central Station, Thursday night.

RUNAWAY—On Wednesday afternoon a fine young team of colts belonging to Eden Waugh of Douglas took fright when standing at St. Mary's and ran away. The stampede scared Elias White's horse and off he went also. R. Staples stopped

ELECTRIC RACING—The Spectors of the Fredericton Trotting Association under their energetic president Mr. J. M. Wiley are making the park a very popular institution. Now they propose to light the track with electric light, about thirteen lamps being used and will hold a series of races under the artificial glow. Two bicycle and two horse races are talked of.

THE MAY QUEEN—A largely signed requisition by the merchants and business men of the city and surrounding districts has been forwarded to the managers of the steamer May Queen asking that the boat be placed on the route between this city and St. John.

GOLDEN WEDDING—Mr. A. D. Yerxa the popular registrar of deeds for York County and his wife celebrated their golden wedding on the 4th inst. The children and grandchildren were all present excepting one. Mr. Yerxa is without a doubt one of the most popular men in the country being known to all and Mrs. Yerxa is also very popular.

LARGER QUARTERS—Mr. F. B. Edgcombe who has for some years carried on a large dry good business has been compelled to enlarge his premises. He has taken over a store in the same building lately vacated by Mr. Thos. W. Smith. Combining this large building with his own he has now one of the largest establishments of its kind in the Maritime Provinces and by far the largest in the city. Fifteen clerks are employed while at busy seasons this number is increased to twenty. Nothing succeeds like success and it is better therefore to deal with a successful man such as Mr. F. B. Edgcombe.

RESIGNED—H. B. Kilburn who has so successfully carried on the Charlotte Street School has resigned to accept the position of assistant cashier of the Presque Isle Bank. Mr. Kilburn has been a very popular teacher and scholars and teacher are sorry to see him go.

AN ASSAULT—Henry Hopper, caretaker of the railway bridge was assaulted by two men and was severely beaten and bitten. His clothing was torn and he was roughly handled. The police arrived in time to stop the row but not to arrest the rowdies. It appears that one is a city man and the other an escaped convict from the penitentiary.

PERSONALS—R. A. Payne of the St. John Sun was here this week. Mr. and Mrs. A. Mitchell of Scotch Settlement are guests of A. H. Vaw-Wart. Mr. and Mrs. Bayard Fisher have returned from Toronto. Mrs. A. F. Street is visiting her father Sir Leonard Tilley at St. Andrews. Miss Jessie Hooper has returned from India on account of broken health. Major Loggie is salmon fishing on the Dungarvon. Mrs. Loggie has gone to Pictou, N.S. Mrs. T. C. Allen and family are rusticating at the Bay Shore. Mrs. W. T. Whitehead and family have gone to the Bay Shore. T. H. Colter, M.P.P. goes to Summerside next week as an I.O.F. gate. Mr. John Anderson, M.P.P. of the Barony was in town Tuesday. (Continued on page two)
