may be few this year. Don't waste any of them tinkering with worn out machines.

Deering Mowers cut close, are exceedingly light draft, handle easily, are very strong and are built to give long years of service.

Deering Rakes are the most easily operated. The teeth are close and they will get all the hay.

Ask your neighbors about Deering Machines. They will tell you that there are none better.

St. John Won Yesterday 8 to 7 in Eleven Innings--Some Ball-Game--St. Croix Took Another From Bangor--Greks Beat Fredericton by Timely Hitting

St. John, July 24--There was enough excitement on the Marathon grounds yesterday afternoon when after a long drawn out battle of eleven innings with Fredericton, the Marathons managed to pull out a victory by a score of eight to seven. It was a game that was pleasing to the eight hundred or more spectators who were present although the Marathon infield played rather loose at times. Charles was the pitcher for the Greeks and while he was rather wild on a couple of occasions he managed to pull out of a number of bad holes, especially in the eleventh inning, when after giving a base on balls and Pinkerton making a bad throw and Fredericton had a man on third base and another on second with no one out, the chances looked rather blue for the Marathons. Fredericton were almost certain that they were going to score and perhaps win the game but here is where the uncertainty of baseball comes in. Charles proved a power of strength at this critical moment for he tightened up as the saying goes and the next batter up could do nothing more than hit one to Charles who threw him out at first. Charles was certainly on his mettle for the next two men to bat were struck out and the pitcher was cheered to the echo.

In Pools

Buffalo, July 23--Childs, the driver of Leita J., winner of the 2.14 pace, the first event on the card of the Grand Circuit, at Fort Erie this afternoon was fined \$250 and the judges declared off all pools on the races.

The Assessor and Blue Line were made equal favorites in the race pools and Pop Geers won the first heat handily. Blue Line captured the second heat from the Assessor. The third heat went to the "Silent Reinsman" with Blue Line and Leita J. following closely. After Leita J. captured the fourth, fifth and sixth heats Driver Childs was called into the stand and the judges announced the fine and the declaring off of pools, claiming that the driver did not try in the early heats.

The feature event of the card, the King George V. stake \$10,000 purse for 2.16 trotters was won by the Lexington mare, Tenara, driven by Benyon. Tenara sold a rank outsider in the pools, the public installing Uncle Biff favorite. Benyon had no trouble with the daughter of Moko and won the big race in straight heats. Walter Cox's Judson Girl, fancied for the race, landed the place, Uncle Biff getting third money by running second in the final heat.

The Queen City stake for 2.08 trotters, resulted in another upset, Cheeney taking two heats and first money Cascade was the favorite, but was very erratic and refused to remain on his feet.

Dago F. had no trouble in disposing of his field in the 2.15 trot, winning easily in straight heats. Frances Graham, driven by Geers, was the contender. Dago F. ruled favorite in the race.

RING NOTES

Waterbury and Hartford, Conn., have been running summer boxing shows and have met with considerable success.

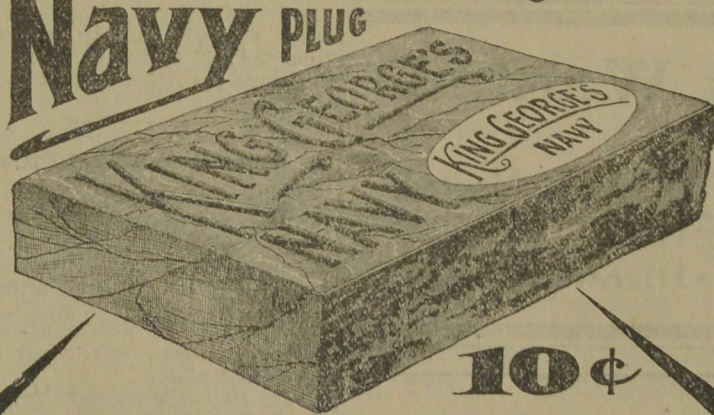

Bill Benyon, the new bantam champion of England, hopes to arrange bouts with some of our little fellows when he comes over next month.

20-year-old son of Manager "Whoa Bill" Phillips is working out with his father's Indianapolis team in the Federal league.

Winning ten of the fourteen games with a cellar team behind him is the record of Pitcher Yount of the New Bedford team in the New England league.

Les McGee of the St. Louis Cardinals is a pretty nifty ball player to have at hand in an emergency. He can perform in either the outfield or the infield and get away with it.
