### In Chancery of New Jersey

In the matter of the application of The Prudential Insurance Company of America for the acquirement of its capital stock for the benefit of its policyholders.

Order fixing hearing on Application for Appointment of

Appraisers. appearing to the Court that The Prudential Insurance Company of America has heretofore filed its duly verified petition, from which it appears that the said petitioner is a stock life insurance corporation, incorporated by the State of New Jersey and that the Board of Directors of said Company have determined that it would be conducive to the welfare of the corporation and the interests of the policyholders thereof to change the corporation from a stock life insurance corporation to a mutual life insurance corporation, and said corporation now applying to the Chancellor to appoint two or .more disinterested persons co appraise the value of the capital stock of the said corporation and also to appoint one or more counsel to represent the policyholdpolicyholders before such appraisers and in such further proceedings as may be taken under or in pursuance of said petition

It is, therefore, on this twenty-second day of April, A.D. 1913, on motion of Edward D. Duffield, Solicitor of said petitioner, ORDERED that said application be heard by the Chancellor at the State House in the City of Trenton on the tenth day of June 1913, at ten thirty o'clock the forenoon, or as soon thereafter as counsel can be heard, at which time and place the Chancellor will hear all parties in interest who may

then appear. It is further ordered that notice of such hearing shall be given to the Commissioner of Banking and Insurance of this State by serving a copy of this order upon him within fifteen days from the making thereof, and that notice of said application given to the stockholders of said corporation by mailing a copy of this order to each of said stockhold-ers at his post-office address, as the same appears upon the books of the said corporation, within fifteen days of the date hereof; and that notice of the date hereof; and that notice of said application be given to the policyholders of the said corporation by profishing a copy of this order in one or more newspapers printed and published in the capital of each and every State of the United States in which the corporation does business. the corporation does business, and in a newspaper printed and published in the cities of Edmonton, Alberta Victoria, British Columbia, Winnipez Manitoba, Fredericton, New Bruns wick; Halifax, Nova Scotia; Toronto Ontario; Quebec, Quebec; and Regina Saskatchewan, in the Dominion Canada, once a week for at least four weeks, the first publication to be made within fifteen days from the date hereof. In case no newspaper is published in the capital of said States of the United States, then said publication may be made in a newspaper having a general circulation within said States.

# CLASSIFIED ADOPTION OF CLOSI

(Special Correspondence)

Ottawa, April 26-With the passing of the closure resolutions on the evening of April 23rd, has opened a new era of Parliamentary life in Canada; an era the result of which upon the nation's history can only be judged by the course of events. Closure was carried by a solid Government vote—as would be the case in every proposition fathered by Mr. Borden and by the many differences of opinion Government to stifle discussion amendment before the scheme he and impossible.

Further, Mr. Borden in his anxiety to get this unpleasant gag business over, offered to call an extra session of Parliament in September when the new rules could be considered in a constitutional manner, by committ es presided over by the Speaker. The obvious inference was that the new to enable the Government to dragoon Parliament on the Naval Bill and any other measure upon which they desired to stifle opposition, and also to acquire power by which they could drive the estimates through Parliament in bulk and prevent the airing of scandals.

So far as rules can accomplish this, they have succeeded; but no rules can be devised capable of preventing an active and able Opposition from bringing to the notice of Parliament and the people those matters which demand such publicity. The manner in which the Liberal Leaders have succeeded in loosening
