OPPORTUNITY FOR LIBERALS  
TO HELP ALONG THE CAUSE

May 7, 1913.

## TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

Dr. Fowler's  
EXTRACT OF  
Wild Strawberry  
Soon Relieved Their Sufferings.  
THEIR TROUBLE WAS  
DIARRHOEA.

Mrs. EDWARD KINGSTON, Mirror, Alta., writes: "Coming to the North West from B.C. in the summer of 1910, we were face to face with the serious problem of being able to secure good drinking water; this we could not get, so we were obliged to drink water containing a great deal of alkali, with the result that we were all troubled with Diarrhoea. Fortunately we had a bottle of Dr. Fowler's Extract of Wild Strawberry in the house, which soon relieved our sufferings. I have always kept a bottle in the house since obtaining such beneficial result from its use when my boy, as a baby, was similarly troubled."

"It has always proved a friend in need."

Make up your mind to insist on getting "Dr. Fowler's," when you go to your local dealer. Don't accept some of the "phony" preparations that some of the unscrupulous dealers try to pass off as "Dr. Fowler's."
