I Will Stake This Medicine  
Against Your Time

A Few Days Will Be Sufficient to Prove  
That You Are Curable

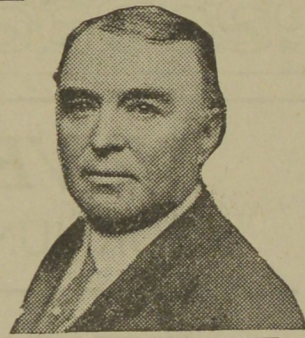

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age and your name and address. My address is Dr. T. Frank Lynott, 840 Franklin Building, Toronto, Ont. You promise me nothing; you pay nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can easily afford to spend a few minutes each day for a

DR. T. FRANK LYNOTT  
who will send medicine to anyone free of charge

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or importunate loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

## These Are the Symptoms:

St. Croix Won Game Which  
Abounded in Errors

Pets Now are Tied With St. John For Second Place--Teams will lay off Today and go to Calais Tomorrow--Both Fredericton and Calais-St. Stephen Fielded in Poor Style Yesterday

Fredricton dropped back to second place in the N. B.—Maine League yesterday, when the St. Croix team, largely through the Pets' own errors and poor base-running, won 5 to 3. The two teams had twelve errors between them, enough for three or four games. The Marathons winning at Bangor, they and the Pets are now tied for second place. As usual the visiting team scored first yesterday but contrary to custom the Pets did not pull up and win out in the last inning. A ninth inning rally was nipped by a one-handed stab by McPherson, who played the star game of the St. Croix infield. Mike Spring who has signed with Calais-St. Stephen, wore the Grey and Green in the outfield. Fredericton used two pitchers, Bart Flynn, the latest addition to the staff, relieving Lavesseur after the sixth inning. He made a impression.

Ahearn probably will pitch tomorrow, his hand being improved.

St. Croix scored in the third, Gross making a run on a base on balls, two sacrifices and a single. In the fourth, Tetrault reached third on a hit and two sacrifices. He died there Mike Spring, hitting to shortstop. Spring was released by Fredericton when Murphy joined the team and was taken up by St. Croix today. In the fifth the visitors made two more as the result of a two-bagger, a single, base on balls and two errors. They added another in the sixth, three errors and one hit producing the result.

Bart Flynn then went into the box. He was hit for two. Spring got a two-bagger in the eighth but got no farther than second. In the last inning St. Croix made another on McPherson's single, base on balls, wild pitch and sacrifice.

Fredricton let St. Croix take the lead and never regained it. In the first inning Gauley tried to score on a squeeze play but was thrown out at the plate.

In the third Duggan reached third but stayed there. In the fourth Sullivan scored the first run on an error by Wildes, two sacrifices and a safe hit. In the sixth two more were added as the result of two two-baggers a single and passed ball. With men on second and third Gauley hit to Wildes and retired the side. St. Croix gave the Pets little change after that.

DAVIS CUP TRIAL MATCHES  
ATTRACT TENNIS ENTHUSIASTS

Australian and United States Teams Playing at New York Today--England Now Holds Trophy--Has Been in Competition for Twelve Years--Australians Have Sent Strong Team After Cup

New York, June 6—Six thousand ardent devotees of the game if tennis filled the temporary amphitheatre built about the courts of the West Side Tennis Club this afternoon to witness the beginning of the blue-ribbon event of the year—the preliminary trial matches for the Dwight F. Davis International Challenge Cup. The matches will continue over Saturday and Monday.

The contesting teams represent Australia and the United States. The winning team will be called upon to play the winner of the Franco-German tie and the winner of the second matches will in turn enter the final round and be opposed by either Canada, South Africa or Belgium. The team that scores the victory in the final trial matches will have the honor of meeting the English team in the contests for the cup. England is now in possession of the coveted trophy by reason of her victory in Australia last year.

In the history of the cup contests, extending over a period of twelve years, the trophy never has been held outside of England, Australia and the United States. This fact adds to the importance of the trials between the United States and Australia, since it is generally assumed that either the one or the other of the two countries will meet the English team in the cup contests next fall.

## AUSTRALIAN TEAM.

The Australian and American teams are considered exceptionally well matched. The members of the Australian team are S. N. Doust, Horace Rise and A. B. Jones. All are seasoned matched players and therefore will not be troubled by nervousness or anxiety. Doust, who is the captain of the team, is rated as the best racket wielder in Australia and is a veteran of many championship competitions. Rise is a left-handed player and also a veteran at the game. He is a better singles player than doubles. Backhand drives are his speciality and it is said he is capable of passing any volley with these strokes either side. Jones, the third member of the team, is said to be the best all-round player ever produced in Australia. His style is very similar to that of H. L. Doherty.

## UNITED STATES TEAM.

The Americans selected to play the Australians are Maurice E. McLoughlin of California, R. Norris Williams of Philadelphia, and Harold H. Hackett and Raymond D. Little of New York. The teams considered exceptionally strong and well balanced. McLoughlin stands at No. 1 on the ranking list and holds the national championship in both singles and doubles, as well as other important titles. Williams, who is a stu-

dent at Harvard, was the sensation of the past season, ranking No. 2 to McLoughlin. His chief victory was the winning of the national clay court championship at Pittsburg. Hackett, the third member of the team, has a record as a doubles player that has never been duplicated on the American courts. He has held the national title and at times all of the important ones. Little, the fourth member of the American team, is one of the veterans of the game. He has figured in other international cup matches and was also rated in the doubles with Hackett, with whom he has been playing steadily this season.

## THE RECORD.

Following is the record of the Davis cup competition:

1900—Played in America, won by America.  
1901—No match.  
1902—Played in America, won by America.  
1903—Played in America, won by British Isles.  
1904—Played in England, won by British Isles.  
1905—Played in England, won by British Isles.  
1906—Played in England, won by British Isles.  
1907—Played in England, won by Australia.  
1908—Played in Australia, won by Australia.  
1910—No match.  
1911—Played in New Zealand, won by Australia.  
1912—Played in Australia, won by England.

## MAGOON'S TEAM

The Bangor News says the Maine town is to strengthen its team as soon as possible. The News has the following:  
"Lines are out for a number of new players and it won't be long before the weak places are strengthened and the Maroons will climb out of last place. With the present team none of the others have any cinch so with a little judicious bracing we will be in the running."  
One of the best Maine league teams Bangor ever had dropped ten games in a row and then climbed to the top, so that a streak of short-ends is nothing to worry about with the season hardly under way."

Bangor, Me., June 5—Driving Sarette from the box with a volley of hits in the third inning, the Marathons secured a lead that was thoroughly ample and they defeated Bangor with ease this afternoon by a score of 8 to 2. There was nothing to it but St. John after the third. Blackburn, who succeeded Sarette in the box for Bangor, was not difficult to the visitors.

There was no scoring until the third. Then Woodbury started the ball with a single. O'Brien drew a base on balls. Little drove out a rattling three-bagger and Black placed a safe one. Watt got an infielder choice and then Bien singled. During this batting bee four runs were scored.

Blackbird replaced Sarette and was helped out by a double play, when Waterhouse flied to second. Bien crossed the plate on the catch and could not get back. The Marathons picked up a run in the seventh and three in the eighth on some free hitting in which Woodbury, Little and Black participated, helped by some infield errors.

Bangor did not break into the tally column until the eighth, although Priestly would have scored in the fourth except that he omitted to touch third base. Bangor got its runs in the eighth on a base on balls and hits by Talcott and Mahoney. Woodbury pitched nice ball for the Marathons and was well supported.
