

OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

Ottawa, May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

The treasurer for York County will be Mr. C. Fred. Chesnut of this city. Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

CANADA IN THE HENLEY REGATTA

London, July 2.—The annual Healey regatta opened today and will continue through the remainder of the week. No oarsmen of the United States are entered in the regatta this year, but Canada is better represented than ever before and it would not be surprising if one of the coveted trophies was captured by the Canadians.

Most interest centres in the contest for the Grand Challenge Cup, which for seventy five years has been considered the "blue ribbon" of amateur rowing. The trophy is now held by an Australian crew from the Argonaut Rowing Club, of Toronto will endeavor once more to score a victory for the Dominion. The only foreign entry in the Grand Challenge event is that of the Paris Rowing Club.

An Argonaut four is entered for the Stewards' Challenge Cup, while in the Diamond Sculls competition the same club will be represented by their crack single sculler, Everard B. Butler.

The race for the Diamond Sculls will bring together many of the foremost amateur single scullers of the entire world. In addition to the entries from the United Kingdom the participants will include representatives of Canada, Tasmania, Germany, Russia, France, Italy and Monaco.

"Joseph and His Brethren" seen last fall in New York will be produced in London early in the fall.

Leila Hughes who gained fame by her work in "My Little Friend" is to be starred in a new light opera.

RHEUMATISM KEPT HIM IN BED

Suffered Tortures Until "Fruit-a-tives" Cured Him

McMILLAN'S CORNER, ONT.

"Your remedy, 'Fruit-a-tives' is a perfect panacea for Rheumatism. For years, I suffered distressing pain from Sciatica or Sciatic Rheumatism, being laid up several times a year for days at a time. I went to different doctors who told me there was no use doing anything—it would pass away. They gave me mustard plasters and other remedies that did no good. Plasters took no effect on me—except to blister me and make raw spots. I took many advertised remedies without benefit, but fortunately, about two years ago, I got 'Fruit-a-tives' and they cured me.

Since then, I take 'Fruit-a-tives' occasionally and keep free of pain. I am satisfied 'Fruit-a-tives' cured me of Rheumatism and they will cure anyone who takes them as directed. If this letter would be of value to you, publish it." JOHN B. McDONALD.

Indeed, this letter is of value to us and to the thousands of sufferers from Rheumatism, Sciatica, Lumbago and Neuralgia. It points the way to a certain cure. 50c a box, 6 for \$2.50 trial size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

CAPITAL PUTS

BAN ON DRUNKS

Washington, D. C., July 1.—If the provisions of the new Jones-Works excise law, which became operative today, are strictly enforced the national capital will probably become the most popular place on the map in the eyes of those who are in the habit of indulging too freely in liquors stronger than grape juice. Enforcement of the new law will put an end to the practice of the police, common to almost all American cities, of releasing persons arrested for drunkenness after they have sobered up. The act stipulates that a charge of misdemeanor must be made against a person arrested for drunkenness on the street or in any public place, and that upon conviction he shall be punished by a fine not less than ten dollars nor more than \$100, or by imprisonment for not less than five days nor more than thirty days. It is anticipated that the prospect of a public trial and a few days on the stone pile at Occoquan will cause regular New Year rush for the wagon now that the law has come into effect.
