

# OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

H. R. EMMERSON  
F. B. CARVELL  
O. TURGEON

The treasurer for York County will be Mr. C. Fred. Chesnut of this city. Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

## PLAN TO FORTIFY CANADA'S PORTS

Ottawa July 8—Although the Rain bow at Esquimalt and the Niobe at Halifax are being practically put out of commission and their crews discharged, the government is going ahead with the naval defence policy "on land."

The headquarters naval staff is being retained here and the naval college at Halifax is still working. This is quite satisfactory to the Nationalists.

Another safe step which will not interfere with the political exigencies of the "Unholy Alliance" is to be taken soon. The government plans to greatly strengthen the defences of the Imperial naval basis at Esquimalt and Halifax and to protect with land defences the Canadian strategic ports of St. John, Sydney and Vancouver.

It is understood that General Sir Ian Hamilton's mission to Canada includes investigation on behalf of the war office of this phase of the Dominion's defence scheme.

A few days ago a careful inspection was made by General Hamilton at the defences at Esquimalt. This week the inspecting party will look over the defences at Halifax and will also study the problem of coast defence works at Sydney and St. John. Later in the summer Col. Hughes will go to England to again witness the British manoeuvres and it is understood that he will also confer with the war office and the admiralty in regard to joint action in securing adequate defence works at the ports above mentioned.

It is likely that a generous appropriation will be asked by the government at the next session of parliament to carry out the contemplated programme of land defence for Canada's principal seaports.

Bookbinders in Wilmington, N. C., have organized and received a charter from the International Brotherhood of Bookbinders.

The Canadian membership of the American Federation of Labor is about 93,000, or one-twentieth of the whole membership of that organization.

## PRACTICALLY GIVEN UP TO DIE

"Fruit-a-tives" Cured  
Kidneys and Bladder

WILLIAMSTOWN, ONT., July 27th, 1910

"I have much pleasure in testifying to the almost marvelous benefit I have derived from taking 'Fruit-a-tives'. I was a lifelong sufferer from Chronic Constipation, and the only medicine I ever secured to do me any real good was 'Fruit-a-tives'. This medicine cured me when everything else failed. Also, last spring, I had a severe attack of Bladder Trouble coupled with Kidney Trouble and 'Fruit-a-tives' cured these complaints for me, when the physicians attending me had practically given me up.

I am now over eighty years of age and I can strongly recommend 'Fruit-a-tives' for Chronic Constipation and Bladder and Kidney Troubles."

JAMES DINGWALL.

"Fruit-a-tives" is the only medicine in the world made of fruit juices—and is the greatest kidney, bladder and liver medicine ever put on the market.
