GRAND FALLS WANTS THE VALLEY RAILWAY

Grand Falls, June 14—The monthly meeting of the Grand Falls Board of Trade was held in the town council chamber on Thursday evening last. The president, F. W. Hechler, occupied the chair, and there was an average attendance of members. Several important matters were discussed. Dr. Lorenzo Chapman, on behalf of the committee appointed to memorialize the town council to appoint a night watchman, reported that the committee had attended the meeting of the council and that such body had complied with the resolution of the board and appointed a night watchman whose duties commenced forthwith.

A general discussion anent the change in the plans with regard to the construction of the St. John Valley Railway which a despatch from Ottawa states is not to be extended to Grand Falls, participated in by Dr. Lorenzo Chapman, G. M. Taylor, D. J. Collins, Joseph O'Regan, the president and others, then followed, and on motion of Dr. L. Chapman, seconded by D. J. Collins, a special meeting of the board will be held on Thursday evening, June 13, and all citizens are invited to attend such meeting and voice their protest against the non-building of the St. John Valley Railway to Grand Falls.

FOUR HOURS IN DEATH BATTLE

New Haven, June 17—John Goglik, 16 years old, stared death in the face for four hours tonight, in an unusual battle with the swift incoming tide in West River under the Congress-av bridge.

He had been swimming and his leg was caught in one of the great tide gates that prevent the water from overflowing the meadows. Desperate efforts were made to release him, but without avail. The Fire and Police Departments were called out and a crowd of more than 3000 gathered. A rubber tube was inserted in the boy's mouth as the water passed over his head, that he might breathe. The last rites of the Catholic Church were administered by a priest.

A trolley wrecked succeeded in smashing one of the six tide gates and this allowed the water to rush over the meadows so that the boy's head was again out of water. A special apparatus was then rigged up and the gate forced just enough to release the leg. He was brought up on the bridge by a fireman while the crowd cheered. He collapsed but was revived and taken to his home. Despite the great pressure on his leg it was not broken.

In Chancery of New Jersey

In the matter of application of The Prudential Insurance Company of America for the acquisition of its capital stock for the benefit of its policyholders.

Order fixing hearing
on Application for
Appointment of
Appraisers.

It appearing to the Court that The Prudential Insurance Company of America has heretofore filed its duly verified petition from which it appears that the said petitioner is a stock life insurance corporation, incorporated by the State of New Jersey and that the Board of Directors of said Company have determined that it would be conducive to the welfare of the corporation and in the interests of the policyholders thereof to change the corporation from a stock life insurance corporation to a mutual life insurance corporation and said corporation now applying to the Chancellor to appoint two or more disinterested persons to appraise the value of the capital stock of the said corporation and also to appoint one or more counsel to represent the policyholders before such appraisers and in such further proceedings as may be taken under or in pursuance of said petition.

It is, therefore, on this twenty-second day of April A. D. 1913, on motion of Edward D. Duffield, Solicitor of said petitioner, ORDERED that said application be heard by the Chancellor at the State House in the City of Trenton on the tenth day of June 1913, at ten thirty o'clock in the forenoon, or as soon thereafter as counsel can be heard, at which time and place the Chancellor will hear all parties in interest who may then appear.

It is further ordered that notice of such hearing shall be given to the Commissioner of Banking and Insurance of this State by serving a copy of this order upon him within fifteen days from the making thereof, and that notice of said application be given to the stockholders of said corporation by mailing a copy of this order to each of said stockholders at his post-office address, as the same appears upon the books of the said corporation, within fifteen days of the date hereof; and that notice of said application be given to the policyholders of the said corporation by publishing a copy of this order in one or more newspapers printed and published in the capital of each and every State of the United States in which the corporation does business and in a newspaper printed and published in the cities of Edmonton, Alberta; Victoria, British Columbia; Winnipeg, Manitoba; Fredericton, New Brunswick; Halifax, Nova Scotia; Toronto, Ontario; Quebec, Quebec and Regina, Saskatchewan in the Dominion of Canada, once a week for at least four weeks, the first publication to be made within fifteen days from the date hereof. In case no newspaper is published in the capital of said States of the United States, then said publication may be made in a newspaper having a general circulation within said States.

OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

Ottawa, May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

The treasurer for York County will be Mr. C. Fred. Chesnut. In this city, Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.
