## OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals, for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

H. R. EMMERSON  
F. B. CARVEILL  
O. TURGEON

The treasurer for York County will be Mr. C. Fred. Chestnut of this city, Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

## TORY EXTRAVAGANCE IN I. C. R. MANAGEMENT

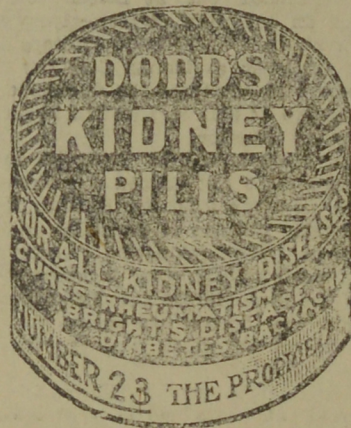

(Moncton Transcript)

The business men and residents along the line of the Intercolonial Railway in the Maritime Provinces especially have little ground for anticipating favorable treatment from the Borden administration. The Fredericton Gleaner, which is just now feeding at two troughs, is so contented in its sleekness, that it views with amazement as unreasonable the possibility of discontent existing elsewhere. It publishes a "canned" correspondence from Ottawa, during the course of which it undertakes to defend Hon. Mr. Cochrane's attitude. The Gleaner would have its readers believe that all the "noise and bluster" to which it refers simply emanate from Liberal journals, but what about the Colchester Sun, The Truro Citizen, The New Glasgow News and others of that ilk? Not one of these is sympathetic with the Liberal cause but on the contrary they are all dyed in the wool Bourbon Tories. This is how the Gleaner justifies the grievance voiced by the Tory newspapers named:—

He has probably removed some of the useless officials appointed by the Laurier administration and in all likelihood purposes raising rates here and reducing them there, a process of trimming up which every railroad resorts to from time to time, according to the course of traffic or in the tolls levied by other companies.

But is it simply a reduction of expenses as the preceding paragraph intimates that has caused the uproar? The article says that some changes are merely made to correct abuses that have crept in under Liberal rule, and that some Liberal officials have been dismissed. The first official removed is Mr. D. Pottinger, who has been a fairly impartial official, with no pronounced party political leanings. If he had leanings at all, they were with the government of the day, whichever it was. The next one removed was Mr. Tiffin, who certainly was not a partizan and it is doubtful if he had any politics at all, excepting looking after the interest of the road and then Mr. Brady retains his office. Now, the combined salaries paid under Liberal rule to these three officials was \$19,000 a year. The economy and retrenchment practiced to undo the abuses which crept in under Liberal rule, according to The
