## MARYSVILLE NEWS

School Meeting--Marysville to Have  
New School Building

school meeting held in the school house last evening His Worship Mayor Gray was elected chairman. The sum of \$4,095.64 was voted for school purposes for the ensuing year. It was decided to have the old school house moved back and have a new brick building erected on the old site for which a sum of money was voted. Mr. Samuel Hallett was re-elected as trustee for another term. The trustees now are Messrs Samuel Hallett, James Inch and Bradford Pond. Last year was a very successful one there being the sum of eight hundred dollars over which is a great credit not only to its secretary but to the rate payers as well.

## BETTER FARMING COACHES

Two baggage cars are being prepared at the C.P.R. station today for use as "Better Farming Coaches." One is devoted to live-stock and the other to seeds, fruit, etc. The coaches begin their itinerary through out the province tomorrow. J. B. Daggett Deputy Minister of Agriculture will be in charge.

## SUFFERED PARALYTIC STROKE

James Gilbert of St. Mary's, an aged and respected resident of that place has suffered a stroke of paralysis. His right side is affected and his condition is occasioning alarm to his many friends. Mr. Gilbert is upwards of eighty years of age and has been a life-long Liberal.

## BANDS FOR FESTIVAL

Both the 71st York Regt. Band and the Fredericton Brass Band have tendered their services freely to the Fredericton Baseball Club for the festival to be held at Scully's Grove Thursday night. The voting contest for the most popular lady fan has taken well and is exciting much interest. The festival promises to be the best ever.

## THIS DATE IN HISTORY

DirtCITY BOOSTERS  
IN CONFERENCE

Micoal Wells, Texas, July 15--"City boosters" as the members of the Texas Commercial Executive Association are called met here today and began their eighth annual institute. The address of President D. P. Johnson of Brownwood was the chief feature of the initial session this morning. After luncheon the members reassembled and discussed the best methods of securing the best kind of publicity and attracting immigrants and capital. At the subsequent sessions of the institute which will continue until Friday night, the principal subjects of consideration will be good roads, agricultural development and the efficiency of commercial clubs and other trade organizations.

Sold in Fredericton by A. J. Ryan.

"In the Case of MY Little Girl--"

in choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

## FAIRY SOAP

is white--pure--floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers--not better soap.

A Road Improved with Concrete

We've "Shown" Ontario  
Let Us "Show" You

A series of striking stereoptican views--photos of concrete roads already built--shown on a screen as part of our Good Roads Exhibit, was one of the most talked about features of this recent Good Roads and Motor Show in Toronto. Visitors from all parts of Central Canada were in the crowds that viewed our Exhibit. These same slides, as well as the complete Good Roads Exhibit, will be a prominent feature of the

St. John Roads  
and Motor Show  
St. John, March 29th to  
April 5th, in Queen's Rink

You can't afford to miss this exhibit and it would be worth your while to come to the Show for this alone. A more interesting exhibition of modern road-building methods, was never gathered together.

The booth is in charge of road experts, who will be glad to give you complete information and to explain every detail of road models. These models show the details of construction, from beginning to end of the road-making process.

If you have a "road problem" at home, take it to them--they are there to answer questions and will help you to a correct solution; without the slightest cost or obligation.

If you cannot visit the show, write us for complete information and literature on good roads. It will show you how and why Concrete is solving the world's road problems.
